Vol. 2, Ed.1, February 7 2013

FROM THE PRINCIPAL

MR DAMIAN MESSER

“2013 will be another exciting year in the history of the College. We will have more students than at any other time in the College’s history; a glowing endorsement of the holistic, engaging and values laden educational opportunities offered to all boys within our context as a Catholic school for boys in the tradition of Edmund Rice”.

Welcome
Welcome to the 2013 academic year. Each new year provides an opportunity for all
students to re-engage with their educational journey at St Virgil’s and to set new goals in their quest to achieve personal excellence in all curricular and co-curricular endeavours. For many boys it is the commencement of their educational journey at St Virgil’s College and the opportunity for each student to add their own page to the incredible 102 year history of the College.

I would like to particularly welcome our 188 new students, their parents and the new members of staff who have accepted the challenge of providing all students with high quality learning and teaching experiences. New staff are listed below:

**Junior School**
- Japanese Teacher: Mrs Megan Williamson
- Grade 4 Teacher: Mr Tim Birthisel
- Grade 6 Teacher: Mr Chris Waugh
- Teacher Relief in Grade 6 and 4/5: Mrs Teresa Stodda
- Music Teacher (both campuses): Mrs Jillian Norton

**Austins Ferry**
- Technology Teacher: Mr Nathan Sharman
- ICT Integration Leader: Mr Deon Scanlon
- English/Drama Teacher: Mr William Chambers

We also welcome back Mr Chris Thomson, Mr Jamie Holland and Mrs Melissa Thirgood who all return to the College after taking leave.

The beginning of each new phase of life will bring exciting challenges which the boys will be encouraged and supported in undertaking. Our major exciting challenge this year is the introduction of the iPad programme across all year groups.

**iPad Evenings**
As advised in a letter mailed out during the holidays, iPad Information and Collection evenings will be held at both campuses during the coming weeks. The times of these very important meetings are listed below and I urge all families to attend. The purpose of the evening will be to provide you with a brief overview of the iPad Programme, the educational merit of such a programme and to explain briefly how the iPads might be used in the classrooms at St Virgil’s College. There will be an opportunity for questions and answers and at the end of the evening. Students and parents will be required to complete appropriate documentation for receipt of the iPad and then take an iPad home.

- Grade 3-6: Tuesday February 12 7pm at Junior School Hall
- Grade 8: Wednesday February 13 7pm at Joyce Performance Centre
- Grade 9: Thursday February 14 7pm at Joyce Performance Centre

Today the Grade 7 information afternoon was conducted – a fitting day to a fantastic first day for our Grade 7 boys. Grade 10 students’ iPads will be returned to them on Friday as they are already a part of the existing programme.

I look forward to the exciting times ahead and the continual development of the information technology network at the College.

**Planning for 2013 and Professional Learning**
Over the summer break many staff members have been busy ensuring that the College is ready for the return of students, with considerable physical developments occurring on both campuses and the College’s business and administration systems being upgraded to better meet the needs of staff, parents and our corporate partners. Highlights include the re-surfacing of the Quad (make sure you ask your sons about their first reaction upon walking into the Quad), works to commence the installation of artificial grass on the ‘top court’ at Junior School and the development of an ICT Help Desk.
and Office to service the needs of students and staff. Thank you to the grounds and maintenance team and members of the ICT, Finance and Administration teams for helping to bring these projects to fruition.

On Monday all staff participated in an engaging, challenging and inspiring professional learning session with Br Damien Price from Edmund Rice Education Australia. Br Damien expanded on the work done last year with Boys’ Education expert Dr Ian Lillico. The focus of the day was on boys’ spirituality and explored practical ways in which boys experience spirituality and how it deepens and expands their education within our Catholic educational context. Br Damien is a much loved visitor to the College and has challenged all staff to engage with students in ‘conversations of the heart’ to help boys to become the wonderful young men that parents, staff, peers and the community would hope them to be.

This challenge and the work that underpins it will be taken up by all staff in 2013. It was particularly poignant to recognise and induct Br Peter Flint at the conclusion of the day to the role of Campus Minister. Br Peter explains his role and aspirations for 2013 later in this edition of ‘The Star’.

Sharing the Good News
A reminder to all in our community that we are committed to educating boys about the importance of sustainable living practices. This requires the College to model these learnings and so we endeavour to reduce paper usage by utilising electronic forms of communication wherever possible. Our weekly College newsletter, ‘The Star’ is a tangible and practical example of this commitment and is readily available online from the College's website: www.stvirgils.tas.edu.au
Parents are encouraged to go to the website, scroll to the bottom right corner of the page and enter your preferred email address to register to receive this weekly publication.

Clothing Store
Thank you to all those who assisted in the College Clothing Store over the holiday period. With many new students commencing on both campuses, it was an extremely busy time, not to mention those not so new students who experienced a growth spurt over the break! Again, thank you to our staff and volunteers.

Staff News
Congratulations to Jennifer White and husband Garry on the safe arrival of their son Darcy in December – a brother for Audrey. Director of Administration Mathew Derrick and wife Maddie welcomed baby Alfie, a brother for Dexter on New Year’s Day. Congratulations also to Workplace Health and Safety Officer Simon Natoli upon his recent engagement to Kelli.

Today as the Grade 3 to 7 students commence their new journey and tomorrow the Grade 8 to 10 boys continue their journey, we look forward to a very productive year and I encourage all boys from day one to become heavily involved in their education and I ask parents for their support in providing the best possible opportunity for your son.

In the spirit of Blessed Edmund.

Damian Messer
Welcome back to all members of the Austins Ferry campus and a particularly warm welcome to the new members of our community. I very much look forward to working with all of our young men throughout 2013 and to it being filled with positive and challenging experiences for the boys; and a year where for many the journey into manhood begins. The introduction of four Terms in Tasmania may take some time to get used to. A reminder to all that Term One concludes on Friday April 19 and that boys will return to school for two and a half weeks following the Easter break.

Pastoral Care
There have been some changes in the Pastoral Care structure at the College for 2013. Mr Barry Maxwell has been appointed as the new Head of Joyce House and Mr Brad Canning the Head of Hessian. I would like to acknowledge and thank the outgoing Heads of House, Mr Chris Thomson and Mrs Yvonne Hennessy for their dedication to the care of the young men of the College. As always parents are encouraged to be in contact with the College with any concerns or queries with regard to the welfare of their sons. This pastoral communication is a key component in building our caring relationship.

The network of care for boys is administered primarily by the Heads of House, but parents should feel free to make contact at any of the following levels:

- **Subject Teachers**: responsible for the immediate pastoral care of boys.
- **Pastoral Care Teachers**: ongoing care of a specific group of House connected boys.
- **Head of House**: administer and direct the Pastoral Care of students within a House group.
- **Student Assistance and Support (Mrs Ali Morse)**: provides students with assessment, diagnosis, and treatment where appropriate, along with therapy and counselling on an individual and/or group basis and initiates programmes to enhance the ongoing welfare of students.
- **Deputy Principal**: responsible for the coordination of Pastoral Care, policies and procedures within the College.

Homework
I have included below a ten steps homework guide for students that may be of benefit for parents in helping to get their son’s back into the routine of study. You may want to discuss this with your son.

Each evening do the following:
1. Check your diary for homework.

Diaries
I have written previously about the importance of the student diary as a means of communication between school and home. Could I please ask all parents to support us by regularly checking that they are being used properly and are signed each week. The parent signature indicates to us at school that the diary has been monitored and checked.

I would also ask that any teacher notes are also signed to confirm being read. Included in the diary are a number of important student agreements that require parent and student signatures. I ask that parents carefully read these agreements before signing. These can be found on Pages 18 to 23.

Sport Shoes
An ongoing challenge for the College and for parents is sport shoes. Our uniform guidelines state that sport shoes must be “mainly white”, but we are aware that it is becoming more and more difficult for parents to find mainly white sports shoes.

We understand this and appreciate the effort many parents go to in conforming to this guideline. In an attempt to ease any stress we would ask parents to note the following:
- Whenever possible mainly white shoes be worn.
- Extreme colours, for example fluoro, red, orange and black that clash with the uniform are not to be worn.
2. Decide which tasks are most urgent. *(Are all the due dates in your diary?)*
3. Complete set homework tasks. *(Do them in order of priority.)*
4. Work on any long-term projects and assignments. *(Don’t leave these until the night before.)*
5. Write long-term projects in your diary **each day** so you don’t forget.
6. Revise for tests and other assessments. *(Everything you are taught will be assessed in some way.)*
7. Read any handouts and place them in appropriate folders.
8. Proof read your written work.
9. Let your parents know when you need more paper, pens, equipment etc.
10. Importantly, clean out your schoolbag when you finish homework, then pack it ready for school the next day.

Simple habits such as these are very important for boys. We understand that homework is sometimes just as stressful for parents as it is for the boys – just remember that the St Virgil’s College teachers are committed to helping your son, so please communicate with us when there are problems. Finally, just remember - “too much praise is barely enough”.

I look forward to once again working with the young men of St Virgil’s College in 2013 as we commence the first academic year that incorporates four terms.

My thanks as always to parents for your ongoing support of the College.

Welcome
I am very excited about the opportunity of being the Head of the Junior School at St Virgil’s College. The College staff and community have been most welcoming of my family since our arrival in Hobart. Everyone has been so helpful in getting me familiar with the routines of the Junior School community, for which I am very appreciative.

I am looking forward to the opportunities coming up to get involved in the College community and to meet all the boys and their families. To that end, I hope all families enjoyed a great Christmas and New Year break in spite of what nature threw at the community with the bush fires.

As the 2013 academic year commences, we welcome a number of new staff. We would like to formally welcome:
- Mr Chris Waugh who will be teaching Grade 6;
- Mr Tim Birthisel who will be teaching Grade 4;
- Ms Jillian Norton who will be teaching Music and Band;
- Mrs Megan Williamson who will be teaching Japanese; and
- Mrs Teresa Stoddart who will be doing Executive Release teaching.

The year commences with the excitement of the iPad programme which will be explained to Junior School families on Tuesday February 12 (please don’t forget the ICT Acceptable Use Agreement form on the evening). There is also excitement around the top court and the cricket pitch with these areas being fully turfed - both projects are set for completion by the end of February. These upgraded facilities will only further add to our excellent College facilities.

We can all look forward to a very busy and exciting term and a rewarding year ahead that will encompass so many academic, artistic, sporting and cultural opportunities for the boys.

Upcoming Events
Ash Wednesday Liturgy - February 13 commencing at 9:00am in St Mary’s Cathedral.
Junior School Student Leaders Commissioning - Monday February 18 at 10.00 am in the Cathedral.

An Introduction to our new Head of Junior School – 60 Seconds with Mr Pinelli

Family: I am married with three children: Meg (9), James (6) and Lucy (4) and we have all enjoyed our big move to the 'Apple Isle'.

Schools attended growing up: I attended the local Catholic primary school, Sacred Heart Mosman till Year 4 and Marist Brothers for Years 5 and 6. Secondary school was Marist College North Shore directly across the road from the very picturesque North Sydney Oval.

Favourite childhood memory: Flying to New Zealand (alone) when I was 10 and having a latte whilst being babysat by my Italian uncle – long before lattes were trendy!

University attended: undergraduate and post graduate study through Australian Catholic University as well as completing my Master of Education Degree study through Deakin University.

Previous school and position: Principal of St Francis Xavier's Primary School Narrabri (north-west NSW)
What are you most loving about Hobart? Choice of restaurants and cafes and the fantastic bike track which is so close to my house.
Favourite holiday spot: anywhere that has great options for food and drink. I would like to visit Europe, especially Italy, where my father came from when he was 10.

AFL Team: Sydney Swans, of course!

NRL Team: Manly, but I do prefer Rugby Union – the Waratahs!

Soccer Team: the Socceroos and the Azure.

Favourite book: Pretty much any book by Roald Dahl. Lord of the Flies is good too!

Favourite Film: Star Wars - all of them followed very closely by Bond, James Bond 007.

Favourite song: Piano Man by Billy Joel and then the whole catalogue of Billy Joel.

What are you better at – the YMCA dance or Gangnam Style? Would have to be YMCA. If my six year old son can do Gangman style and know the words, then I don’t stand a chance.

Dog or cat? We have both dog and cat.

What have you most enjoyed about SVC so far? All the staff have been very welcoming and supportive from my first meeting with them. I was fortunate to do some casual work at the Senior School campus at the end of last year and was able to meet a lot of the senior school staff at the same time.

What has puzzled you – and you need to ask the boys to explain?! Futsal. Never heard of it! Really going to need some help with that one!

Your educational mantra? "You only get out of something what you put into it" and "if you keep doing the same thing, you will keep getting the same results!"

What are you most passionate about when it comes to Catholic education for boys in the Edmund Rice tradition? I am really looking forward to the challenges and rewards associated with boys’ education.

Some would say from my Marist background that I have jumped ship to the opposition….but I wouldn’t agree. There are so many opportunities on offer at SVC, for every boy to grab an opportunity, to grow, thrive and excel. I am excited to be a part of this.

JUNIOR SCHOOL SPORT
A reminder to all students to return the Term 1 Sport preference form tomorrow – Friday February 8. Futsal competitions commence very soon and so it is vital to have all forms completed and returned.

Over the course of the year many Junior School boys achieve some remarkable results in a range of sporting endeavours. Please send details through to mmoate@stvirgils.tas.edu.au to enable these be shared with the entire College community.

SPORT
SAILING HAPPENINGS.

The holiday break saw many of SVC sailors competing on the water at National and International Titles. Former student, Sam Tiedemann won the National Cadet Titles. Tommy Cooper performed well but just missed the cut for a place in the International Titles. Angus Price and Jack Kennedy sailed together and sailed well and will perform even better in the next Titles.

Harry Dwyer and Blake Nicholson also sailed in the National Titles and had others behind them in the final results. Hayden Green sailed in the National Mirror Titles and performed well.

Josh Eggins and his dad did really well, winning the State NS 14 Title on handicap. Josh also won the Junior State Sabot Titles in his first competitive sail in the boat.

Nutgrove Competition starts shortly and team selection will be happening very early in Term 1. Boys new to the College, who are sailing regularly with clubs, may be able to participate. They ought make themselves known to Br Peter or Mr Thomson immediately.

A Try Sailing and Learn to Sail Course will be starting very soon. It will be after school on Mondays and/or Fridays. Boys and parents who are interested ought let Br Peter know very soon.

St Virgil’s Sailors get their marks!

**Way Across Tasmania Lenten Pilgrimage...**
Join with Catholic Youth Ministry and other young Tasmanians on a special Lenten Pilgrimage following our special and unique Way Across Tasmania Pilgrimage route. Following the visit of the WYD Cross and Icon in 2008, Catholic communities around Tasmania worked to erect 14 life size crosses around our beautiful state to create a pilgrimage route for us here at home. These 14 crosses give us a unique opportunity to journey, follow, and contemplate the passion of Christ in a special way. Each cross represents something of the community from which they were designed and created.

CYM will be leading a pilgrimage, using these crosses to mark our pilgrimage route, during Lent so that together we can spend time in prayer and reflection, to follow the footsteps of Christ, and reflect on its meaning for us here today, and especially during this time of Lent.

The pilgrimage will occur in **two parts**, over two days: Saturday February 16 and Saturday February 23. You are welcome to join us for either or for both days. We encourage you to make a commitment to your 2013 Lenten journey and come along to both days.
Part One of the pilgrimage will be on Saturday February 16
This first part of the pilgrimage will begin at 10.00am on Kingston Beach where we will have our opening and pilgrimage walk to Christ the Priest Church, Kingston to visit the first cross.
This day will include crosses at Kingston, Richmond, Pontville, New Norfolk and Hobart. We will use the first seven stations through-out the day as the basis for our prayer and pilgrimage journey.

We will finish the day by joining with Cathedral parish community in celebration of the 6.00pm Mass, followed by dinner together.

Note: Transport will be available from Launceston for those wishing to join us from the North and North West.

For more information please contact rachelle.smith@aohtasorg.au

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences.

These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.

Staff participated in a ‘shared luncheon’ on Monday with all funds going to the Mary Rice Centre.

Welcoming our newest Virgilians!
