...the Charter aims to inspire school communities to foster energetically the vision of a charismatic leader, Blessed Edmund Rice, in the Spirit of Christ and the educational mission of the Catholic Church.

Tasmanian Edmund Rice Network Mass
On Friday May 10 all students will be attending the Tasmanian Edmund Rice Network Mass which is being held at the Derwent Entertainment Centre at Ilam. The Mass brings together all schools and educational entities in Tasmania who have links to the story of Blessed Edmund Rice through the work of the Christian Brothers in Tasmania. These schools, and groups such as the OVA and Edmund Rice Camps are bound by a Charter of cultural characteristics which comprise holistic education, spirituality, faith in action, community, pastoral care, service of
others, being just, caring for those at the margins, compassion, stewardship and reflective practice.

I would like to extend a special invitation for all parents to attend this Eucharistic celebration. Please mark this date in your diary and if available contact Mrs Nugent at the College – mnugent@stvirgils.tas.edu.au to reserve your seat.

Semester One Reports
Included as an attachment to this newsletter is an Australian Curriculum parent update brochure from the Tasmanian Catholic Education Office. The focus of the article is information about assessment and reporting. The Semester One report and its makeup is explained in detail. We will keep you informed as more information comes to hand.

Parent/Student/Teacher Conferences
At Austins Ferry next Tuesday April 16 the College will be conducting the Parent/Student/Teacher conferences for senior school students. Parents are reminded that sons are required to be in attendance with you at the interviews so that a productive conversation can be had with the teacher and to plan, and set goals for the future. Please note that this a student free day for the Austins Ferry students.

Visit from Whitefriar’s College, Melbourne
This week we have been privileged to host the Whitefriar’s College Band and their staff. Whitefriar’s is a Catholic boys school in Donvale and has an outstanding music programme – as evidenced by the rave reviews the boys received from attendees at their concert at the Claremont RSL. Any time we link with other Catholic schools, whether it be through music, sport, social justice activities or other educational experiences, we are reminded of the link that we share – our traditions as Catholic schools, informed by the teaching of the Catholic Church and inspired by the example of Jesus of the Gospels.

The experience has been a special one for all involved, particularly those St Virgil’s families who have supported the visit through the billeting of students from Whitefriars. Billeting students from other schools provides our own students with a very rich educational experience. Students learn about other school systems and programmes and have their horizons expanded by other students who have aspirations to work and study in locations well beyond Hobart.

The following comment from one of our host families highlights the benefits of supporting programmes that incorporate a billeting component:

‘Last night I experienced the most amazing jazz concert from the Whitefriar’s College Band. It was truly amazing, how truly talented these students are. My family are certainly enjoying our two billets. I would highly recommend billeting to other families - it has been a truly positive experience (who would have thought five teenagers under the same roof would be so much fun?)”.

Final Day of Term and Commencement of Term 2
As you would be well aware Term One is racing and will conclude at the normal time at both campuses on Friday April 19. A reminder that Term Two commences on Monday May 6 at normal time at both campuses.

Enrolments
The closing date for Grade 7 2014 enrolments is Friday April 19. A reminder to all current parents who have sons in Grade 6 at schools other than St Virgil’s Junior School, that it is essential that an enrolment form is lodged with the College prior to this date. This will enable the Office to start the process to interview each applicant – a requirement of the College’s enrolment process.

Open Day – Junior School
Yesterday we had significant number of visitors to our Junior School Open Day. It was a typically busy day at the Patrick Street campus, including a concert by visiting Whitefriar’s College students and a special visit from Kangaroos star Brent Harvey. All visitors were very impressed the friendly welcome they received from all boys and their obvious pride in their
school campus and the College. Thank you to all staff involved who were busy all day showing our visitors around the site. A reminder that 2014 enrolments for the Junior School close on June 21 2013.

ANZAC Day
This year the ANZAC Day parade will fall during our Term One holiday break. St Virgil’s College has always had a great tradition of volunteering to help in the main parade through the streets of Hobart. We have again offered our services and are in need of some more volunteers to meet this commitment. Boys interested in participating should contact Mr Cameron Alexander at Austins Ferry or Mr Andrew Pinelli at the Junior School.

Community Lunch – AFL Legend Ron Barassi, Andrew Ireland and Gary Rohan have been added to the Panel
On Friday at 12 noon the St Virgil’s College Community ‘Luncheon with the Stars’ will be held at Blundstone Arena. There are still a small number of tickets available. The luncheon features new North Melbourne Football Club CEO Carl Dilena, Kangaroos Key Forward – Drew Petrie, a graduate from a fellow EREA school, AFL Legend Ron Barassi and Andrew Ireland (Football Manager) and Gary Rohan (injured star player) from the Sydney Swans.

Tickets are just $65 – please contact Mark Waddington on 0429 990980 or mwaddington@stvirgils.tas.edu.au to secure a ticket.

In the spirit of Blessed Edmund.

Damian Messer

DEPUTY PRINCIPAL
MR TERRY BLIZZARD
“...parents who actively engaged with both the school and community to enhance their child’s learning experience greatly added to the academic potential of that child”.

School and Family Partnership
The Family-School and Community Partnership Bureau recently commissioned a report into the effects of parental engagement on children’s educational outcomes. It found that parents who actively engaged with both the school and community to enhance their child’s learning experience greatly added to the academic potential of that child. The report underlines the strong role parents have in potentially improving the educational attainment of their children, particularly when in partnership with school learning.
One very tangible way for this partnership to take place is through the Parent / Student / Teacher Conferences at which I encourage all parents to take the opportunity to discuss ways that home and school can work together to help to improve the outcomes for our boys.

A reminder that next Tuesday April 16 is a student free day on which the Parent/Student/Teacher Conferences will take place.

**Formal Photos**

Those boys who missed the individual formal photo last week will have the opportunity to have one taken next Wednesday April 17 at 2pm. Please note that these photos require formal uniform.

**Grade 8**

In the Welfare period this week we discussed the use of the diary and I highlighted the importance of its use and outlined some ideas about making better use of the diary. Could I please ask parents to discuss some of the ideas shared and as always to monitor its use. As always we ask that the diary is signed and presented to Pastoral Care Teachers each Friday morning.

In this session we also discussed time management and study habits at home. The boys completed a homework and study survey that I have asked them to share and discuss with parents. The follow up lesson to this will have the boys developing a daily homework and study routine chart. Once again could I please ask that parents take a moment to check what has been done and to remind your sons to firstly complete the survey, and secondly to return it to the next Welfare session.

**Grade 7 and 10**

Our Grade 10 Peer Support Leaders conducted their first full session with the Grade 7 students this week. The aim of these sessions is to show a sign of support to the younger boys and to reassure them that there is always an older boy looking out for them, as well as it being an opportunity to expose the Grade sevens to wonderful role older models. My thanks to Mr Alexander for organising this session.

**Buses**

I would like to publicly acknowledge the work of our Transport Director Mr Simon Orlowski in ensuring that our boys still had access to buses during the recent Metro industrial action. We were able to run a full programme of classes with little or no negative impact upon student learning and I am sure this was appreciated by parents. I am sure that deep down the boys appreciated it too!

---

**COLLEGE PSYCHOLOGIST (PROVISIONALLY REGISTERED)**

**ALI MORSE**

**Tackling the Tough Stuff**

Dr Bobby Newman PhD, BCBA will be visiting Hobart on April 24 for one day only and will be presenting two workshops - one on challenging behaviours, the other on puberty and sex education for children with developmental disabilities. Dr Newman is a registered psychologist from Long Island, New York and has a long and successful career in the area of behaviour intervention working with individuals, particularly those with Autism Spectrum Disorders. He is an engaging and dynamic speaker and has wonderful stories to tell. He speaks in a way that everyone can understand and doesn’t shy away from the “tough stuff”!

The workshop is open to parents and professionals with an emphasis on parent information sharing and training. $30 per session or $50 for both. Interested people can contact me by Phone: 62 496 555 or amorse@stvirgils.tas.edu.au for a registration form that contains all the information needed about the workshops.
Cool Little Kids Anxiety Prevention Programme
The University of Tasmania Psychology Clinic is conducting a six session programme called ‘Cool Little Kids’ for parents of inhibited or shy children aged 3 to 6. The programme commences on Monday April 8 at 10 am and costs $30 and is held at Moonah. Places in the programme are limited – to enrol or for more information contact the University Psychology Clinic on 6226 2805 or email PSY.clinic@utas.edu.au A detailed flyer is attached to this edition of The Star.

DIRECTOR OF TRANSPORT
MR SIMON ORLOWSKI

Route 361: to/from Lauderdale via Acton Park
The morning and afternoon Route 361 services will travel via Axiom Way and pick up and set down as required at Metro bus stops en-route. They will no longer travel via Acton Rd between the northern and southern ends of Axiom Way.

The morning service is timetabled to depart Axiom Way at approximately 7.28am, and in the afternoon should arrive at Axiom Way at approximately 4.21pm.

In addition to the above, Metro will also be making an adjustment / correction to the afternoon Route 366 service from St Virgil’s College to Glenorchy Mall that then continues on from Glenorchy to Camelot Park as Route 605.

Route 366 was originally planned as an express service from St Virgil’s to Glenorchy, as its primary purpose is to transport students who are continuing on to Camelot Park on Route 605. Its timetable is also designed for it to be a non-stop service. However, for some reason this service has been setting down students en-route between St Virgil’s and Glenorchy. This is consequently making the Route 605 service run late, which then has a flow-on effect to the following PM peak services performed by this bus and driver. With this in mind please read carefully the information below:

Route 366: St Virgil’s College to Glenorchy Mall (continues as Route 605 to Camelot Park)
Effective from the start of Term Two on Monday May 6 2013, Route 366 will travel EXPRESS between St Virgil’s College and Glenorchy Mall. It will not stop to set down passengers along Main Road en-route.

Students who have been using Route 366 to travel to stops along Main Road are asked to instead use either the 3.32pm Route 362 School Bus from St Virgil’s to Lenah Valley via Glenorchy, which will stop as required along Main Road, or alternatively use the Route 42F service from Ten Mile Hill to City via Abbotsfield that departs St Virgil’s at approximately 3.33pm.
JUNIOR SCHOOL

MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL

""A computer terminal (or iPad) is not some clunky old television with a typewriter in front of it. It is an interface where the mind and body can connect with the universe and move bits of it about."

(Douglas Adams)

Disco
The boys had a fantastic evening on Friday at the P & F Disco. DJ Fox had the music pumping, lights flashing and the bubble machine working overtime! There was certainly a lot of energy in the Hall. The Grade 5 and 6 boys were joined by girls from St Mary's also. A lot of great dance moves were on display. Special thank you to DJ Fox for his generous contribution to our disco and to the P & F for such an enjoyable night.
Grade 3 Excursion
As a part of our History unit about the local community, Grade 3 visited the Cascades Female Factory on Friday April 5. We were given a guided tour of the grounds and also visited the Governor’s cottage on the site. Students looked at some interesting photos and relics of times gone by and gained a great understanding of the hardships that Hobart’s female convicts would have endured. The boys asked some excellent questions and I am sure that they have learnt some important lessons about Hobart’s past. Many thanks to our parents, Mrs Gerathy, Mrs Westbury and Mrs Read for assisting on the day.

MJR in Grade 6
On Monday April 8 and Tuesday April 9, Grade 6 classes participated in the Making Jesus Real (MJR) program. The days were led by Mr Peter Mitchell and the boys were asked to reflect on some very important questions about life and their future. The boys were challenged to approach life with a positive attitude and to be team players at home and at school. Throughout the day, students participated in many fun team building activities and discussed many important social skills. We look forward to future visits by ‘Mitch’ later in the year and wish the boys well in living out the messages that were discussed.

Some of the responses from the boys in Grade 6 C to their MJR experience to date were:

“After I saw the video of the kids living on the tip, I realised that I take my parents for granted and I hope to be a better team player at home.”

“I learnt that I can have a better cheerful and positive attitude to life and want to be more of a ‘giver’ at home and at school.”

“I learnt today that it is better to thank a person and use their name, and to say thanks four times a day at home.”

Some of the responses from the boys in Grade 6 W to their MJR experience to date were:

“I want to be more of a ‘giver’ than a ‘taker’.”

“The video of Nick inspired me to be more determined to have a go, never give up, and to believe in myself more.”

“I really liked the green card and I was surprised what the other kids thought about me.”
Open Day
What a privilege it was to be able to showcase the wonderful Junior School campus to all the visitors to our Open Day. Prospective parents were most impressed with the up to date facilities as well as the ICT infrastructure that exists. Observing boys actively using their iPads in a range of learning contexts was also a highlight. Many of our visitors commented on the obvious pride that the boys have in wearing their uniform and in the College generally.

Whitefriar’s College Band visit
A fantastic musical performance was performed for the boys of the Junior School by the visiting Whitefriar’s College band. A fantastic range of music was performed including the Star Wars theme. A real privilege for our Grade 6 band members was the opportunity to join with our visitors to perform under the conductorship of our own Mrs Stowe.

Brent ‘Boomer’ Harvey visit
There was certainly a lot of excitement at the Junior School Campus surrounding the visit North Melbourne super star Brent Harvey. Brent spoke to the boys about his journey with AFL whilst the boys had prepared for the visit in class by formulating some questions to ask Brent about a wide range of things outside life in the AFL. Brent then happily signed North Melbourne posters for every boy present.
Reminders

Grandparents and Special Persons Day April 12
Thank you to all those families who have responded to the invitation to join us for grandparents and special persons day on Friday April 12. After a brief liturgy prepared by Grade 4/5, the choir will be performing for the gathered audience. Our guests are then invited to take a tour of the classrooms and see some of the amazing work being completed there. After their tours, guests are then invited back to the Hall to share morning tea. Families are asked to RSVP to assist with catering for the morning tea.

Show us what you’ve got! app review
Or, more accurately, write to us! We’re interested in seeing your reviews of iPad apps that you've found interesting or useful at school. It could be about one of the apps from the App Catalog or it could be about an app from the App Store that you’ve discovered. Every fortnight, the most interesting review will be published in The Star newsletter and the author will receive a $20 iTunes gift card! Submissions for the first round of reviews must be received by April 12 and must be emailed to appreviews@stvirgils.tas.edu.au.

SPORT

Soccer
All parents are reminded that boys are to wear their formal uniform to school on Monday, Tuesday, Wednesday and Friday. Thursday is the only day boys wear their sport uniform. If the boys have soccer or any other sport training, then they should bring the appropriate change of gear for that activity and change into it after the school day and prior to training.

Families are also reminded to ensure they let their son’s coach know if they will not be able to make a game. A couple of teams from last weekend have reported back that they were a little light on for their first round clashes and the coach had not been contacted.

We have also been notified that there have been some slight changes made to the CRJSA draws in a number of age divisions. All parents and coaches are strongly encouraged to check the website, www.crjsa.com regularly to see if they are impacted.

Flippa Ball
Grade 5/6 SVC 13 defeated Montagu Bay 9
After a slow start, St Virgil’s 5/6 found their rhythm and their teamwork to win against Montagu Bay 13 – 9. The whole team played a fantastic game and it was very hard to choose who this week’s Awards should go to. After much deliberation Player of the Match was Declan Nisbet whose superb defensive work made a huge difference to the end result and the Encouragement Award was given to Campbell White.

Canteen
Mrs Olga Leon
Thursday April 11  Kelly Read / Less Strong
Friday April 12  Bill Cranny / HELP NEEDED PLEASE
**DIRECTOR OF LEARNING AND TEACHING**

**MISS HEIDI GREGG**

**Parent Student Teacher Conferences**

Parent Student Teacher conferences will be held on Tuesday April 16 starting at 9am in the Hamilton Wing and surrounding rooms. Parents should have received a sheet confirming your appointment times. Each conference lasts for ten minutes and we ask that you please be vigilant to ensure we keep the programme running on time.

These conferences are designed to be a way for the student to meet with their teacher and parents to identify areas of strength and challenge and make a plan for moving forward towards success. The aim is to be practical and constructive so that the student has a clear idea of their goals and how to achieve them.

If for some reason you cannot attend your allotted time, please inform the Main Office by phone or email so that the teachers can be advised.

We look forward to seeing you and your son next Tuesday.

**SPORT**

**Basketball**

Grade 7&8

Grand finals are scheduled for next Tuesday. Due to P/S/T conferences these will most likely be changed to Wednesday afternoon. Teams will be informed.

**Rowing - Head of the River**

A wonderful day was held last Saturday with the SATIS Head of the River at Lake Barrington. It was fantastic to see the number of students representing the College so well throughout the day. All boys competed well with some great results as detailed below. It was also wonderful to see the number of Grade 7 students (over 20) and families make the trip to be part of the their first Head of the River regatta.

Mr James Dalton  
**Director of Sport**

Winter sports will commence for Senior School students early in Term 2. Attached to this edition of The Star is the Winter Sport preference form that must be returned to the Front Office by Friday April 19 2013.

Sports available include:

- AFL Football  Grade 9/10
- Hockey
- Rugby Union
- Water Polo
- Badminton
- Squash

St Virgil’s will only register a team in the competition if a team has enough players, a coach and a manager.

Tops can be hired from the SVC Clothing Store at a cost of $30 with $15 Refunded upon return of top. Tops will only be given out once a Hire form (available from Front Office) is completed and signed.

Please return the reply form before end of Term 1.

If you are able to assist in any way please indicate this on the return form or contact Mr Dalton at the College – [jdalton@stvirgils.tas.edu.au](mailto:jdalton@stvirgils.tas.edu.au)
Congratulations to all the boys who competed last week. We wish them well for their final regatta this weekend - The Tasmanian Schools Rowing Championships at Lake Barrington.

We also look forward with great excitement to the new Rowing shed Development in New Town Bay, with construction due to take place over the winter months.

DIRECTOR OF TRANSITION

MR CAMERON ALEXANDER

Time and Space Programmes

During this week many members of the College community have come together for two of the Time and Space Programmes that we offer. On Tuesday night 18 boys and their Dad or mentor, met for night one of the Grade 9/10 programme that will continue this week and over the weekend. This programme focuses on the journey that these boys are taking towards manhood, listening to their thoughtful insights on the qualities they aspire to have I know they are well on the way to growing into fine men. We wish the boys all the best for this weekend’s expedition, on which they take on leadership roles to show their dads and mentors what they are capable of.

On Wednesday night 87 boys and their mums or mentors gathered in the JPC for the annual Mother-Son night. The evening focuses on the transition that the boys have gone through moving from Primary to Secondary schooling, as well as opportunities to share wisdom on how to foster strong relationships and keep communication open between the boys and their mums. A highlight of the night is the support we receive from Grade 8 boys and their mums who went through the Programme last year and come back to help run it for this year’s group. This is a wonderful contribution to our community and also indicative of the value of these nights as participants are willing to give of their time so that others may benefit.

This is the seventh year that these Programmes have been offered at St Virgil’s and both Programmes have enjoyed record attendances this year. I thank all the boys and their parents/mentors who have been willing to take some time in their busy lives to show each other how much they cherish their relationship. We hope that all participants enjoy the experience and benefit from it.

St Virgil’s Old Scholars Football Club - Round 1 Results

Reserves
St Virgil’s 24.5.149 defeated Channel 6.8.44

Seniors
St Virgil’s 27.19.181 defeated Channel 11.9.75

The ‘Saints’ had a great start at the Bike Track under new Senior Coach Richard ‘Bear’ Robinson and Reserves Coach Ben Hughes with two dominant wins. Old boy Brad Hastie led from the front in the reserves kicking seven goals straight to show the veteran forward still has got what it takes, and was backed up by fellow old boy Damian Hill whose delivery of the ball was sublime in their 105 point victory.

The senior team also were served well by Old Virgilians Andrew Mann and Brad Dodge (1999) kicking ten between them and new Assistant Coach Ken Hall showed his class chipping in with four goals with a dominant display around the ground. The defence was held up well with Patrick Midson (2000), Chris Noye (2001) and Zac Batchelor.

This week the team takes on OHA at Geilston Bay and ex-Saints Coach Jason Britten who has taken the helm at the Ships. Reserves begins at 11.45 and Seniors at 2. Please come along and get on board with the ‘Saints’ for an exciting ride in 2013.

Guilford Young College – Music Trivia Night
Tickets are still on sale for the Guilford Young College fundraising Music Trivia Night on Wednesday April 17. Teams of six-to-eight people will vie for a variety of prizes as they test their knowledge of music from ‘back-then’ to the present. The ticket price of $15 per person covers snacks, live music and lots of fun! This fundraiser for the GYC Creative Arts Link will be held on the Glenorchy Campus, Bowden St, from 6:30-9pm. For tickets/bookings, please contact the Glenorchy (6238 4350) or Hobart (6238 4300) Campus Office.

Grade 6 ‘MJR’ Day
QUIZ NIGHT – THIS FRIDAY APRIL 12
Get your friends and family together and book your table now for an evening of fun and entertainment! Help raise funds for the Tasmanian World Youth Day 2013 project, supporting young Tasmanians heading to WYD, as well as a parish from an impoverished area of Santiago, Chile where pilgrims will go on mission. HEAPS of prizes to be won – accommodation, restaurant vouchers, cruises, photography, park passes and much, MUCH more! Prizes also up for grabs for the school, parish or organisation with the most representation on the night!

This Friday April 12, 7pm for a 7.30pm start in the SSJ School Hall at Sacred Heart College, 2 Cross Street, New Town. Tables of 8 – 10. $15 per person, includes nibbles, first drink and all the quiz-style fun you can pack into one night! Drinks will be available for purchase. Please ensure to book your table now by contacting Anna Gill on 0407 041 646 or agill@goodstart.org.au

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences. These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
