I take the opportunity to welcome back Mr Isaac Lucas from his extended leave and to thank Mr Di Ienno for his hard work over the past six months. Mr Di Ienno will be staying on staff as a replacement for Term Two for Mrs Penny Carlyle who is on secondment leave.

I look forward to what promises to be a busy term including a number of our major events, including the Tasmanian Edmund Rice Network Mass, Halfway Day, and of course Semester One reporting. I wish the boys all the very best for a very productive and successful term and encourage them to get involved in all aspects of life at the College.

**Tasmanian Edmund Rice Network Mass**

Tomorrow at 11 am, members of the Edmund Rice community will come together to celebrate the feast day of Blessed Edmund Rice. The celebration of Mass by Archbishop Adrian Doyle will see the seven associate schools and other affiliates of the Edmund Rice Network come together for this wonderful Eucharistic celebration.

As a Catholic school in the Edmund Rice tradition, tomorrow is a pivotal opportunity to display the importance of our faith, and the boys are well prepared for the event. I encourage all parents who have a spare couple of hours to also take the opportunity to attend the Mass.

The Mass will conclude at approximately 12.15 pm, with the regular bus services departing from the Derwent Entertainment Centre. This is a compulsory school day and formal uniform must be worn.

Please contact Mrs Nugent at the College – mnugent@stvirgils.tas.edu.au to reserve your seat.

**NAPLAN**

Next Tuesday, Wednesday and Thursday the Grade 3, 5, 7 and 9 students will be undertaking the NAPLAN testing programme. The testing in Numeracy and Literacy will be held during the morning on the three days. Parents are asked to ensure that your son is at school and that he is well rested and well fed. I encourage students to be early to bed to ensure they are ready for each day.

**ANZAC Day**

During the holidays the annual ANZAC Day march was held. It was extremely pleasing to see the number of students who were prepared to give up a day of their holidays to attend and also participate in the annual march through Hobart. In conversations that I have had with a number of students, there was also a high attendance at dawn services throughout the community. ANZAC Day provides a poignant opportunity for all Australians to reflect upon how lucky we are to live in such a free and peaceful community. I again thank all students who were willing to get involved in the activity.

**Principal Network Meeting**

Early this week I travelled to Campbelltown to engage with other Catholic Principal's from around the State in discussions about the ongoing implementation of the Australian Curriculum. As a collective of schools, our emphasis this term will be upon the moderation of the hard work already undertaken and preparation for the new mid-year report that you will receive at the end of term. Information about the background of this report was an attachment in the last newsletter of Term One.

**EREA News**

In Term I I wrote on a number of occasions about the change in governance structure at the College with the granting of Public Juridic Person (PJP) status to Edmund Rice Education Australia (EREA). The following lines are from a letter to all members of the College community from EREA Director Dr Wayne Tinsey. The full letter is attached to this week’s edition of The Star and I strongly encourage all members of the College community to read it and appreciate the scope of the network of schools throughout Australia that take their motivations from Jesus of the Gospels and the charism of Blessed Edmund Rice.
On May 1, Edmund Rice Education Australia (EREA), which provides Catholic education to over 33,000 students throughout every State and Territory of Australia, took another step in assuming full responsibility for schools established by the Christian Brothers. The signing of agreements to transfer accountability follows the granting of canonical and civil status to EREA as a Church and legal body in its own right.

In Australia, the Christian Brothers have, for almost one hundred and fifty years, continued the charism of Blessed Edmund Rice and created a magnificent story in Catholic education. Edmund Rice Education Australia was established by the Christian Brothers in October 2007 after many years of planning, with the intention of carrying on their educational mission into the future.

For the first five years of EREA’s story, it acted on delegated authority from the Brothers to conduct, govern and manage their schools. At the end of 2012, after an application to Rome, EREA was granted Public Juridic Person status; its own identity in the Catholic Church. In early 2013, EREA was also recognized in Civil law as a separately incorporated body.

As a result of this recognition, and because of the forward thinking of the Christian Brothers, EREA now has full stewardship and governance for the majority of its schools and educational facilities across Australia under the name of the Trustees of Edmund Rice Education Australia. At this time, EREA schools in Western Australia and Tasmania, as well as schools in the Archdiocese of Sydney and the Dioceses of Parramatta and Broken Bay, remain under the ownership of the Christian Brothers with stewardship and governance continuing to be delegated fully to EREA.

In close collaboration with our Australian Church, EREA continues the mission of Jesus Christ, helping young people to arrive at the fullness of Christian life through the provision of quality Catholic education. Through excellence in Catholic education, EREA seeks to transform the minds and hearts of young Australians to build a more just, tolerant and inclusive community in educating for liberation and possibility.

We ask for your prayers and support for EREA at this very significant time.

Bailey King Fundraiser

Bailey King is a much loved and inspiring Grade 10 student who is constantly in the thoughts and prayers of our community. Bailey has recently been informed that the leukaemia he suffered from a few years ago has relapsed. Within a few days of receiving this diagnosis, Bailey and his Mum Tamika travelled to Melbourne to commence Bailey’s treatment. Tamika has had to leave her job and her other three children behind. Bailey and Tamika are likely to be in Melbourne for 12 months.

The emotional impact from this news has hit the family hard, but the financial toll is also tremendous. In response to this a number of organisations associated bailey have joined forces to hold a special event to raise money for Bailey and his family which will hopefully make their journey a little easier. The “Bailey’s Buddies Fundraiser” has been organised for the June 15 2013 at the Citywide Convention Centre in Mornington. All monies raised on the night will go towards Bailey’s ongoing medical expenses and to assist the family.

There are a number of ways families from the St Virgil’s community can assist with this important fundraiser:

- Purchase a ticket to attend the night – tickets are just $20 per person and can be purchased from the Front Office at St Virgil’s. Please note that the event is a Licensed Over 18 event.
- Donate goods or services towards this fundraiser that we can use in our silent auction or major raffle. Items can be left at the Front Office or details of services can be emailed to Mark Waddington – mwaddington@stvirgils.tas.edu.au
- Circulate details of the event to friends and family – full details can be obtained from the Bailey’s Buddies Facebook site - [http://m.facebook.com/?_rdr#!/events/154208578090468?ref=bookmark&__user=752476271](http://m.facebook.com/?_rdr#!/events/154208578090468?ref=bookmark&__user=752476271)
Follow us on Twitter  
As part of the College’s commitment to communicating with all sections of its community, this week we have launched a Twitter feed that will provide followers with up to date information about significant curricular and co-curricular initiatives, key events, news of old scholars and details of student achievements. This will further build the home-school partnership as well as providing another medium for parents and friends of St Virgil’s to engage in the life of the College.

Recent events such as the Metro Bus industrial action and the 2012 ‘high wind day warning’, highlight the need to be able to provide parents and students with timely and accurate information. It also provides a great way to share breaking news such as sporting results (hopefully a National Sailing title in the near future), and reminders about key events such as the College musical, Jesus Christ Superstar and Half Way Day.

Please log on to Twitter and follow St Virgil’s - @ svctas

In the spirit of Blessed Edmund.

DEPUTY PRINCIPAL  
MR TERRY BLIZZARD

“studies show that re-learning material (studying) is crucial in retaining information and that after five repetitions (of study activities) we can retain 95% of what we learnt, hence there is never a time when there is no homework!”

Welcome Back  
Welcome to all members of our community to the first week of Term 2, the week where we celebrate in prayerfully the life of the founder of the Christian Brothers and consequently the reason for our schools existence, Blessed Edmund Rice. This Mass at the Derwent Entertainment Centre (DEC) is a tangible symbol of our place as a Catholic school for boys in the Edmund Rice tradition. The celebration of this Mass defines who we are and what we stand for.

Please note the following points in relation to the Edmund Rice Day Mass:
- Normal Friday period 1 will take place.
- Boys will be transported to the Derwent Entertainment Centre from Austins Ferry. At the conclusion of Mass (approximately 12.15pm) buses will depart from the DEC on the regular afternoon bus routes for boys to be transported home.

Campus Minister  
Br Peter Flint

During the last weekend of the holidays I was present at a residential gathering of eighty young men and women, most 16-20 years old. Eighty 16+ year olds together in a camp?? Yet, what a wonderful experience it was!

Edmund Rice Camps had gathered their young leaders together for some formation, professional input and just getting to know one another. These young people all had a fire in their bellies to assist other young people less fortunate than themselves – the sort of stuff that Jesus was on about and which also inspired Edmund Rice.

Our Catholic schools, assisted by organisations like Edmund Rice Camps, Vinnies and others, are doing a great job.

There are some good books around these days reflecting the latest research on the life of Jesus in his times. I can strongly recommend: Meeting Jesus Again for the First Time: The Historical Jesus and the Heart of Contemporary Faith by Marcus Borg. It is available as an ebook from Amazon. (Can be downloaded to an iPad with the Kindle App.)

I am happy to share other similar books that have enriched my knowledge of Jesus within his times and society with anyone interested.
The Canteen will not be open at recess so boys should bring their own morning tea. Bags are not to be brought to school.

- Formal uniform must be worn on the day.

Please note that this is a compulsory school day.

**NAPLAN**

On Tuesday, Wednesday and Thursday next week, Grade 7 and 9 students will undertake NAPLAN testing. These national literacy and numeracy tests provide very important individual and school wide data. Please note that there are mandated times for the sitting of these exams so all attempts should be made to ensure normal school routines are adhered to. It is particularly important that the school is notified if there are any issues that may impact on the tests.

**NAPLAN Timetable**

**Grade 7 and 9 Students**

**Tuesday May 14**

Language Conventions - Testing 9:00 am to 9:45am (Period 1)

Writing - Testing
10:30 am to 11:10 am (Period 2)

**Tuesday May 15**

Reading – Testing
10:40 am to 11:45 am (Period 2)

**Thursday May 16**

Numeracy (no calculator) - Testing
Period 2 - 10:30 am to 11:10 am

**Commencing Term 2**

The change to a four term year becomes very apparent with this being a nine week term. Experience tells me that for some boys the shorter term presents some significant challenges if they do not get back into the routine of study early. I would strongly recommend that as soon as possible boys develop a strong study regime at home so that momentum from term one is not lost.

Boys’ education experts strongly believe that boys need structure in their studies. Working within time limits when doing study or homework at home is one such structure. For example, ‘I am going to spend 15 minutes solid on this Maths task’…. Many boys spend too long doing too little, much like the old adage “say more with less words”. This is particularly important for our Grade 10 students as exams and time constraints become a more significant part of their education.

Finally I would remind all students that, as I have published before, studies show that **re-learning** material (studying) is crucial in retaining information and that after five repetitions (of study activities) we can retain 95% of what we learnt, hence there is never a time when there is no homework!
DIRECTOR OF TRANSPORT
MR SIMON ORLOWSKI

From the start of Term 2 there are some small alterations to two of the St Virgil’s College routes. These are reflected in the new duties issued late last week.

ROUTE 361 AM & PM – LAUDERDALE

These services now travel via Axiom Way, and delete the previous part of the route along Acton Rd and Seven Mile Beach Rd between both ends of Axiom Way.

ROUTE 366 PM – GLENORCHY (FORMS ROUTE 605 TO CAMELOT PARK)

This service travels EXPRESS between St Virgil’s and Glenorchy Mall. This is consistent with the amount of travel time assigned to the trip. Previously it was stopping All Stops, which caused it to run late on the Camelot Park service.

JUNIOR SCHOOL
MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL

“Challenges make you discover things about yourself that you never really knew. They're what make the instrument stretch, what makes you go beyond the norm. “

(David L Boren)

Welcome Back to Term 2
It was great to see the refreshed faces on all the boys as they returned to school for Term 2. We also welcomed Alan Maxwell and Lachlan White into Grade 3. We also welcomed two pre-service teachers to the campus for the next three weeks, Miss Jessica Rafferty (Grade 4/5) and Miss Emily Kaczor (Grade 3). We hope that they learn a lot from our staff and also enjoy their time in the College.

NAPLAN (National Assessment Plan – Literacy and Numeracy)
All boys in Grades 3 and 5 will undertake this annual assessment next week. If a boy misses one of the tasks, there is the opportunity to catch it up on Friday. Parents of boys in Grades 3 and 5 are encouraged to ensure that their son is at school for the assessments and also on time!

Mother’s Day Stall
A fantastic array of beautiful gifts were brought in by the boys for the Mother’s Day stall. There are going to be a lot of lucky mums on Sunday! Thank you to the P & F for all of their organisation of the stall and for the support of all the families towards this annual activity.

Mother’s Day Breakfast
We are all looking forward to the Mother’s Day breakfast to be held tomorrow morning. We have a large group of willing dads waiting to cook up storm and help serve all the mums who are able to attend. The boys have also been working very hard with Miss Stary on a beautiful gift too. We will share some photos of this great morning with you next week. I would
also like to take this opportunity to wish all mothers and grandmothers a wonderful Mother’s Day on Sunday and thank them sincerely for the invaluable contribution they make to the education of their sons, both inside and outside the College.

**ANZAC Day March**

There was a great turn out of boys from both campuses for the ANZAC Day March. The boys from the Junior School campus certainly enjoyed the opportunity to march with senior school boys and to assist in the carrying of the banners for the march. Well done to all the boys who were able to attend and represent St Virgil’s at this very important commemoration.

**Grade 6C start woodwork**

This week Grade 6C travelled to the Senior School Campus to commence their woodwork experience. The boys were given a tour of the workshop which included woodwork, metal work and the motor shop – the boys were very impressed! They were then given an overview of how to work safely in the woodwork area before completing some tasks in identifying some of the different tools they will come across during their work. The boys are really looking forward to starting to work with the materials next week.

Basketball News
The 1st Basketball team has also been training in preparation for the EREA Tournament in Brisbane in July.

The Grade 7 Dingoes came in to their 2013 campaign with high hopes and ambitions for the task that lay ahead. They began with style as they took on and conquered teams from various schools in the south of the state. Victory after victory their magnificent play brought them to the Grand Final. Their opponent was to be the Friends School and as we had never come up against this side before we were both anxious and determined to come home with the victory. As the game got underway the boys quickly realised that this would have to be a gruelling, gutsy and composed effort. To their credit the boys dug in and were able to maintain a healthy lead for the entirety of the match coming away with the victory and the plaque in an inspiring and courageous performance.

The final score 27-15 capping off an undefeated season that saw the Big V champions once more. Well done to team members, Nelson Goram-Aitken, Thomas Lyden, Harry Loveless, Joseph McMullen, Zac Doran, Lachlan Daniels, Sam Decru-Woodstock, Joe Colrain and Brennan Burke. Thanks to coach Jake Doran, 2012 College Captain.

Sailing – State Champions!
Br Peter Flint
On Sunday April 21 St Virgil’s College won the Tasmanian Schools’ Team Racing Title with a strong win over the more experienced and older Friends Blue Team. At the end of the Round Robin section, St Virgil’s College (which also included one GYC sailor Jonny Cooper), was on top of the ladder. They defeated Friends Red in the semi-Finals and defeated Friends Blue 3-1 in the Best of Five Final Series.

It was acknowledged at the Presentation as an outstanding effort, with both schools sailing extremely well in what all considered to be a great example of Team Racing.

The College will now represent Tasmania in the National Titles at Sandy Bay later in the year. Depending on placings in the National regatta, the boys could represent Australia in the Inter-dominion Titles in Perth. Given the team’s ‘home-ground’ advantage the boys are quietly confident of progressing to the titles in Perth.

Congratulations and well done to all members of the team and their coaches:
- Helms: Jonny Cooper (GYC) (Captain), Tommy Cooper and Angus Price. Josh Eggins also helmed some races.
- Crews: Blake Nicholson, Jack Kennedy, Harry Dwyer and Josh Eggins.

Grade 7 Transition Survey

As we start the second term, we are very eager to review the transition processes for the boys. To this end we ask parents of Grade 7 parents to complete a short survey. This data allows us to continually monitor and adjust the transition process to meet the needs of our boys. The survey is completely anonymous, and although directed at parents it would be valuable to discuss with your son the transition process, especially the New Beginnings Programme to gain an insight to how they feel they have made the move into life as a Grade 7 student at St Virgil’s. The Survey can be accessed through this link: http://www.surveymonkey.com/s/svctransitionsurvey
