FROM THE PRINCIPAL

MR DAMIAN MESSER

“If we take the life of Jesus as our touchstone for authenticity, our Church can be as inclusive as we dare to imagine...... We must also remind ourselves that Jesus’ priority for inclusion had little to do with bringing people into a ‘church’. He demanded that they be included as human beings in a world that denied them this status. Our schools all strive to bring our students into a fullness of their human potential.... We are proud that this great work happens in the name of Edmund Rice education”.

Dr Wayne Tinsey, EREA Executive Director
Visit from Executive Director of Edmund Rice Education Australia

Earlier this week we had the privilege of hosting Dr Wayne Tinsey, the Executive Director of Edmund Rice Education Australia. During his visit Dr Tinsey took the opportunity to tour both campuses looking at our facilities and taking the opportunity to visit classrooms and meet with the boys. He also gave an insightful and challenging presentation to both the staff and the Board of Management of the College. His inspirational message was based on the importance of the charism of Blessed Edmund Rice and how it is at the core of our mission as a Catholic school in the tradition of Blessed Edmund Rice.

Dr Tinsey reminded us that our authenticity comes through our witness to the reign of God. This witness is experienced by our students through their interactions with staff and other members of our community, who through their witness and example touch the hearts of students in deep and profound ways. This witness opens our boys to the fullness of life through a heightened insight into the loving kindness of God. Jesus had a phrase for this vision. Jesus called his vision the 'Kingdom' or the 'Reign of God'. Through inclusion, service and compassion our boys can experience a holistic, life giving and authentic education.

Dr Tinsey summed up this vision for an Edmund Rice education in a very simple and insightful manner – Edmund Rice schools, inspired by the story of Jesus, strive to ensure that “students receive an education, rather than merely attaining a qualification”.

EREA Principal’s Gathering

Last week I had the pleasure of attending a gathering of Principals from Edmund Rice Education Australia (EREA) schools. 42 of the 44 schools from all states and territories in Australia were represented. Our time was spent working and discerning the importance of the charism of Blessed Edmund and the role it plays in the education of our boys.

Whilst I listened intently to the key messages from all presenters, I was particularly moved by the discussion inspired by the presentation from the Archbishop of Brisbane, the Reverend Mark Coldridge. He delivered an amazing presentation focussing on the connection of the early Gospels around the creation story and how it relates to our current situation. He emphasised the importance of connection and especially thanked the schools for the contribution they are making to the Australian education scene. His Grace, expressed his admiration for the contribution of the Christian Brothers, who since 1868 have provided education in all parts of Australia. He challenged delegates to consider how different life would be if the Brothers had not included education within their ministry in Australia.
Support for Families
We currently have a number of family members in our community who are experiencing extreme illness. I am sure that all connected with St Virgil's will keep these families in their thoughts and prayers. In turning to prayer at this time, it emphasises the importance of community and how a simple prayer or thought each day for those experiencing difficulties or trauma in their lives can have a profound impact. I wish all those currently experiencing illness in their family our strength and support during the recovery period.

Students and community members are also working hard on a number of practical initiatives to assist families in need including ‘Shave for a Cure’ and the ‘Bailey’s Buddies’ fundraiser.

Bailey King Fundraiser
Bailey King is a much loved and inspiring Grade 10 student who is constantly in the thoughts and prayers of our community. Bailey has recently been informed that the leukaemia he suffered from a few years ago has relapsed. Within a few days of receiving this diagnosis, Bailey and his Mum Tamika travelled to Melbourne to commence Bailey’s treatment. Tamika has had to leave her job and her other three children behind. Bailey and Tamika are likely to be in Melbourne for 12 months.

The emotional impact from this news has hit the family hard, but the financial toll is also tremendous. In response to this a number of organisations associated with Bailey have joined forces to hold a special event to raise money for Bailey and his family which will hopefully make their journey a little easier. The “Bailey’s Buddies Fundraiser” has been organised for June 15 2013 at the Citywide Convention Centre in Mornington. All monies raised on the night will go towards Bailey’s ongoing medical expenses and to assist the family.

There are a number of ways families from the St Virgil’s community can assist with this important fundraiser:
- Purchase a ticket to attend the night – tickets are just $20 per person and can be purchased from the Front Office at St Virgil’s. Please note that the event is a Licensed over 18 event.
- Donate goods or services towards this fundraiser that we can use in the silent auction or major raffle. Items can be left at the Front Office or details of services can be emailed to Mark Waddington – mwaddington@stvirgils.tas.edu.au
- Circulate details of the event to friends and family – full details can be obtained from the Bailey’s Buddies Facebook site - http://m.facebook.com/?_rdr#!/events/154208578090468?ref=bookmark&_user=752476271

Follow us on Twitter
The College continues to use twitter as an effective medium to deliver news to members of the College community. In the last week we have had tweets from Clifton Beach (School Surfing Competition), as well as details of Dr Wayne Tinsey’s visit.

The Twitter feed provides followers with up to date information about significant curricular and co-curricular initiatives, key events, news of old scholars and details of student achievements.

Please log on to Twitter and follow St Virgil’s - @svctas

In the spirit of Blessed Edmund.

Damian Messer
DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“Adolescents (teenagers) need between nine and ten hours sleep every night. Regularly not getting enough sleep (chronic sleep deprivation) can affect a teenager’s academic and sporting performance and may increase their risk of emotional problems such as depression”.

House Cross Country
Next Wednesday, May 29, we will be conducting the House Cross Country at Austins Ferry. This is an important House activity in which boys have an opportunity to earn points for their House simply by participating. We advise that if possible, boys bring a second pair of appropriate shoes in case they get wet or muddy.

Grade 7 and 8
In Welfare this week the Grade 7 and 8 students developed a term outline with the important dates and events included with an aim of transferring this information to their study planner at home. We have asked the boys to also include on the planner the days they are required to wear their Sports Uniform to avoid any confusion. Could parents please take a moment to remind their son’s to transfer the information onto their planner to assist them with their daily organisation.

Grade 8 students have also commenced a ‘daily homework and study routine’ chart that can also be added to the study planner. This chart attempts to help boys organise their after school time incorporating a blend of homework, study, leisure and of course all of those important household jobs. Experience tells us that boys benefit from structure and those that are able to function in an organised environment are at an advantage. For some this is very foreign and lots of parental support is necessary.

Grade 10
Recent educational research around so called successful schools highlighted one area in particular that was common among these schools. The common element was a culture of goal setting in a serious and considered way. In our Welfare period the Grade 10 students commenced developing a set of their own short term goals. Many boys tend to set unachievable or unrealistic goals and need support to be a little more realistic. I am sure that the boys would appreciate any support parents are able to offer in regards to their goal setting.

Sleepy Students
A recent article in the Melbourne daily newspaper, The Age about students and sleep, certainly caught my eye. It reported on a major international study in which teachers provided information in questionnaires distributed as part of...
international science, maths and reading tests taken by about 900,000 children in 2011. About 60,000 teachers completed the surveys. According to their teachers, 67 per cent of Australian students were in classrooms where instruction was limited by students suffering from a lack of sleep.

According to the Better Health Channel web site (http://www.betterhealth.vic.gov.au) adolescents (teenagers) need between nine and 10 hours sleep every night. Regularly not getting enough sleep (chronic sleep deprivation) can affect a teenager’s academic and sporting performance and may increase their risk of emotional problems such as depression. Even 30 minutes of extra sleep each night makes a difference.

Those parents who wish to explore this further may wish to visit http://www.betterhealth.vic.gov.au/bhcv2/bhcarticles.nsf/pages/Teenagers_and_sleep?open which addresses the topics of the causes of sleep deprivation, effects of sleep deprivation, preventing sleep deprivation – tips for parents and for teenagers, and where to get help. This site reminds us that chronic sleep deprivation can have dramatic effects on a teenager’s life, including reduced academic performance at school.

JUNIOR SCHOOL

MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL

“A pessimist sees the difficulty in every opportunity, an optimist sees the opportunity in every difficulty”.

Sir Winston Churchill

Over the last week, many opportunities have been afforded the boys at the Junior School to share their skills, talents and levels of determination. So many boys continue to take up these opportunities and shine. Well done on a fantastic week!

Assembly

Last Friday, the boys in Grade 4/5 led our first assembly of the term. Commencing with a well prepared prayer reflection, the boys also shared their knowledge of Blessed Edmund Rice as well as their skills and talents with iPads with a brief movie depicting significant aspects of his charism. The boys then shared a play highlighting other aspects of Blessed Edmund’s life.

NAPLAN (National Assessment Plan – Literacy and Numeracy)

One of the opportunities last week was the undertaking of the annual NAPLAN assessments. As was stated last week, these assessments give the College invaluable data to guide future planning for learning and teaching and also the ability to target validated strengths and weaknesses. The benefit to the boys who undertake the assessments in the Junior School and continue on to the Senior School is that their results are able to be tracked from Grade 3 to Grade 9. Of significance with the assessments last week, was the 100% completion of the assessments by all boys in both Grade 3 and Grade 5. Well done boys!

House Cross Country Trials

Today the boys travelled to Tolosa Park to participate alongside the girls from St Mary’s College in this year’s cross country. Pictures of the boy’s efforts as well as some results will be shared in next week’s edition of The Star. In advance though, thank you to all the parents who are helping on the day to make it a success.
Fire Education Week
During this week all boys have been involved in Fire Education activities. They came in very handy on Wednesday when the fire alarm was activated by a faulty sensor. It was very pleasing to witness the very mature way the boys evacuated their classrooms and moved to the Futsal court waiting for the all clear from the Fire Brigade. Obviously the boys listened intently to the lessons that they had already attended.

Farewell
Tomorrow we farewell Miss Kaczor and Miss Rafferty as they complete their three weeks of pre-service teaching at the Junior School. I know that the boys and the staff have enjoyed having Miss Kazcor and Miss Rafferty with us since the start of term. We wish them all the best for their continuing studies.

Congratulations
Well done to Dylan Graves (Grade 3) on making his First Eucharist and Confirmation in the Parish of St Joseph's.

Claim the Date
The end of Term Junior School assembly will be held on Wednesday July 3. Please mark this date on your calendar. More details will be available very soon. We hope to see lots of parents in attendance to celebrate the boy’s achievements during the semester.

Reminders
Mini Vinnies Clothing Drive
Recently the St Vincent De Paul Society launched its annual Winter Clothing Appeal. There is a great deal of need in Hobart right now for warm winter clothes. The Mini Vinnies team have placed special ‘bins’ in the Hall for the Junior School community to place any unwanted or no longer needed items of clothing. Our boys and families always support this appeal very generously. Please take the opportunity to sort through your wardrobes for any clothes that no longer fit. Remember to check with mum or dad! Bring in your donations as soon as you can so we can pass them onto to those in need. The bins will be in the Hall for the next two weeks.

Show us what you’ve got! app review
Or, more accurately, write to us! We’re interested in seeing your reviews of iPad apps that you’ve found interesting or useful at school. It could be about one of the apps from the App Catalog or it could be about an app from the App Store that you’ve discovered. Every fortnight, the most interesting review will be published in The Star newsletter and the author will receive a $20 iTunes gift card! Submissions reviews must be emailed to appreviews@stvirgils.tas.edu.au.

JUNIOR SCHOOL SPORT

Soccer
With some re-grading about to occur it is essential that parents and coaches regularly check the website - www.crisa.com to confirm match details.

Congratulations
Well done to Joshua Harvey who last Saturday competed in the State age championships for trampoline sports. Joshua came second in the Under 13 synchronised trampoline and third in the individual trampoline. In May Joshua attended a two day training camp with silver Olympic medallist Jason Burnet and one of the Top 5 coaches in the world, Sergio Lucas.

Congratulations to Tom Rasmussen (Grade 4) and Harvey Bessell (Grade 6) who have been selected in the Tasmanian Under 12 boys Hockey Team. The boys have worked hard to make this team and will enjoy a trip to Canberra to compete at the Nationals in August this year.
Pentecost Sunday was celebrated across the Archdiocese over the weekend. Pentecost marks the end of the Easter season and falls on the 50th day of the season. Pentecost has been celebrated since early Christian times and marks the coming of the Holy Spirit to the Apostles.

As the Church moves into the season of Ordinary Time, a time for refocusing on the teaching of the Gospel message of Jesus, an authentic way of living the Gospel is through serving others and Term 2 at St Virgil’s offers many opportunities for this. Already a team of dedicated Grade 10 students have organised the ‘Shave for a Cure’ campaign to raise money for the Cancer charity ‘Canteen’ and to show their support to their fellow class mate and his family currently receiving treatment. The boys have chosen to support Canteen, an organisation that supports families affected by cancer; as this organisation has the potential to reach out to many families within our community. Donations can be made during Pastoral Care in the mornings.

Whilst most students were enjoying a restful break during the Term 1 holidays, six students spent three days on an Edmund Rice Camps training weekend in preparation for upcoming camps. The training weekend focused on developing skills needed to participate as a leader on camp and listening to a range of guest speakers from police officers, to child protection workers and a powerful story shared by a mother whose child has been a participant on Edmund Rice Camps.

Other opportunities for service this term include collecting sponsors for our annual walkathon for the Mary Rice Centre, being part of Mini Vinnies, the Grade 7 St Vincent de Paul group or the Senior St Vincent de Paul group, or joining other service based groups within the College like the Freedom Redeemers or the Green Team.
Miss Heidi Gregg

Jesus Christ Superstar Has Commenced!
Mr Jeremy Williamson
Director of Music and Performing Arts

Rehearsals have started for the 2013 production of the world-wide musical phenomenon “Jesus Christ Superstar” in conjunction with St Mary’s College in September.

Term one saw lots of students from both College audition for lead roles and chorus parts; often in some hotly contested sing-off battles! Eventually 38 students have been chosen to form the onstage cast for the production.

Well done to the following students who successfully auditioned for the following roles: Principals

Jesus Christ Superstar is what we call a rock opera – this is because it actually has no speaking parts – and the entire story is portrayed through singing. It was written by the famous Andrew Lloyd Webber. The musical was first staged on Broadway in New York 1971, and has gone on to become one the most famous and successful musicals in world history. Jesus Christ Superstar is based very loosely on the bibles accounts of the last week of Jesus’ life, beginning with the preparation for the arrival of Jesus and his disciples in Jerusalem, and ending with the crucifixion.

Rehearsals commenced last week with a very talented and enthusiastic cast, and will be running all term and for half of Term 3. The production will be taking place in St Virgil’s Joyce Performance Centre from September 4 to 7.
HELP NEEDED!
We are still looking for the help of one or more parents to volunteer for the role of “Costume designing/sourcing/making”. If you have skills in fashion, sewing, scouring op shops or just a creative flair and would like to help out; then please contact Mr Williamson at the College on jwilliamson@stvirgils.tas.edu.au.

DIRECTOR OF TRANSITION

MR CAMERON ALEXANDER

Grade 10 – Guilford Young College (GYC) Transition

Second Term will be a key period for Grade 10s who will be transitioning to Guilford Young College in 2014. Starting this week Mr Robert Gregg, from GYC, will visit the College each Thursday morning from 9.30am to 10.30am to answer any questions and help counsel boys around subject selection. Boys can either catch Mr Gregg in the Quad at recess or email Mr Alexander at calexander@stvirgils.tas.edu.au to organise a meeting with him.

A number of key dates are listed below:

- Tuesday June 4 – GYC Information Evening @ SVC, 7.30pm
- Thursday June 6 – Grade 10s visit GYC Hobart Campus
- Wednesday June 12 – University of Tasmania and GYC staff visit Grade 10 Welfare period
- Friday June 21 – GYC enrolments due (can be left at SVC office)
- Monday July 29 – GYC Pathways Expo – Grade 10s visit Glenorchy Campus
- Friday August 9 – GYC Subject selections due

Grade 7 Transition Survey

As we start the second term, we are very eager to review the transition processes for the boys. To this end we ask parents of Grade 7 parents to complete a short survey. This data allows us to continually monitor and adjust the transition process to meet the needs of our boys. The survey is completely anonymous, and although directed at parents it would be valuable to discuss with your son the transition process, especially the New Beginnings Programme to gain an insight to how they feel they have made the move into life as a Grade 7 student at St Virgil’s. The Survey can be accessed through this link: http://www.surveymonkey.com/s/svctransitionsurvey

Grade 10 Work Experience

It has been my pleasure this week to visit a number of our Grade 10 boys who are completing their work experience. In each case the boys were loving the opportunity to get a taste of a career they are interested in, and were applying the skills they have been learning in their studies. The boys were also being wonderful ambassadors for the College, with all host employers glowing in their praise.

Mrs Cindy Gangell has done a tremendous job in coordinating the Grade 10 Work Experience programme. With many more boys still wishing to undertake work experience this year, she is desperate to hear from employers who could host a work
experience student – whether it be for a day or an entire week. If you are able to assist please contact Mrs Gangell at the College on 6249 6555 or cgangell@stvirgils.tas.edu.au

SENIOR SCHOOLSPORT

Term 2 Sport
Sport during Term 2 is about to get into full swing with most rosters starting in the next two weeks. Students will be transported to all fixtures and parents are reminded to ensure that students are collected immediately after the games. Also the correct uniform is expected for each sport.

Hockey
All games are at 4pm and training s will be conducted at school on Thursday lunchtimes. The draw is available at http://www.stvirgils.tas.edu.au/senior/sport/rosters/

Badminton
Please contact Mr Richard Hill for more information. Rosters commence this week and are available on the website - http://www.stvirgils.tas.edu.au/senior/sport/rosters/

Squash

Water Polo
Roster starts in two weeks on Friday nights at the Hobart Aquatic Centre (HAC). Trainings will be held on Tuesday mornings at 6.45am at HAC, from May 21. Transport will be provided after training back to the College

Surfing
Well done to our senior surfing team who finished third in a very competitive day of surfing at the Tasmanian School Championships at Clifton Beach. Kelly Nordstrom and Tom Gauden surfed the small but choppy waves well and were only narrowly beaten into higher placings. Well done also to James Wagin and Joe Gauden who made it to the quarter finals of the event.

2013 Quiz Night
Friday June 21, 7.00 pm

Edmund Rice Hall, Austins Ferry Campus

The old fashion quiz night is back! Great prizes will be on offer and the format will ensure that everyone has a chance to contribute to team glory! Organise a Table of 10 or come as a group and we will ensure you are with parents and friends from your son’s grade level.

Tickets are $20 per person.
Drinks available at bar prices.

To purchase tickets please visit:

If you can assist by donating prizes for the night or have any ticket enquiries please contact Director of Development Mark Waddington mwaddington@stvirgils.tas.edu.au
St Virgil's Old Scholars Football Club
The Saints took a backward step last Saturday with a disappointing 29 point loss to Richmond at Richmond. Despite only being four points down at half time, the Saints ran out of steam only adding two majors in the second half. The team missed key play maker Ken Hall but were disappointed to let a winnable game slip.

Scores: SCVOSFC 7.7.49 lost to Richmond 10.18.78
Goals: A. Mann 3, B. Dodge 2, J. Collidge, M. Parker 1
Best: A. Ross, A. Green, J. Collidge, A. Walker, M. Parker, A. Grandin

The Old Scholars this week take on bottom of the ladder team Channel, with a win vital to get the year back on track.

- TAG Information Evening: Sensory Processing Issues

Please follow St Virgil’s on Twitter - @ svctas
Preparations are under way for our 2013 joint production with St Mary’s of Jesus Christ Superstar.

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences. These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
