"The vision and mission statement for the College should give expression to the distinctiveness of the educational ministry as it serves the mission of the Catholic Church in today’s world”.

Principal on Leave
From June 28 through to the end of Term Three I will be taking the opportunity of enacting my long service leave. I will be undertaking some enriching professional study and also taking some personal time with my family. Whilst I am away, Mr Terry Blizzard has been appointed as Acting Principal, and Mr Cameron Alexander as Acting Deputy Principal of the College. I am also pleased to announce the appointment of Mr Daniel Lapolla to cover the teaching of Mr Alexander’s classes.

Archbishop’s Charter for Catholic Schools
During this time Mrs Josephine Messer is also away on long service leave and Mrs Amelia Showers will be her replacement in Grade 4/5 during her time of leave.

Last week I received a letter from Mrs Chris Scanlon who has made the decision not to return from her long service leave. Mrs Scanlon has been a long term staff member and has made a wonderful contribution to the life of St Virgil’s College. I thank her for all that she has done and wish her well with her future endeavours. Mr Tim Birthisel has been appointed to continue as the Grade 4 teacher for the remainder of the 2013 academic year.

**Reporting**

I mentioned last week that mid-year reports will be coming out soon. We are currently experiencing some significant difficulties with our reporting data base which may impinge upon the timelines for the printing and distribution of mid-year reports. The College is endeavouring to meet the deadline as previously stated, but if this is not possible, the mid-year report will be posted to parents during the holiday break. I do apologise for any potential delay in distributing reports but unfortunately the problems are linked to factors outside the control of the College.

**Halfway Day**

Next Friday all students in the College will participate in the annual walkathon as a part of our Halfway Day celebrations. Proceeds from this walkathon are part of our annual donation to the Mary Rice Centre in Nairobi, Kenya. I encourage all students to continue to seek donations as part of the walkathon and remind everyone that the contributions are to be brought to school next Friday.

**Archbishop’s Charter Mandate Ritual**

As part of the process of being an authentic Catholic school, we are committed to honouring the central tenets expressed within the Archbishop’s Charter for Catholic Schools. Earlier this year the College submitted a summary of its programmes, initiatives and achievements linked to each of the eleven pillars outlined in The Charter, each of which guide our delivery of an authentic, meaningful and relevant Catholic education for our boys. The Archbishop after consideration of our submission has decided to mandate St Virgil’s College to continue as a Catholic school in the Archdiocese of Hobart.

Next Friday we welcome the Archbishop who will, as part of the ritual, mandate St Virgil’s College as an authentic Catholic school. There is an open invitation to all parents to attend this ritual. It will take place in the Edmund Rice Hall on Friday June 28 at 11.30am. If you are able to attend this event, you are asked to call Mrs Nugent on 62496519 or email her on mnugent@stvirgils.tas.edu.au to reserve a seat.

**Parents & Friends Events**

This Friday evening the Austins Ferry Parents & Friends Association will hold their annual Quiz Night. Details of the event have been sent to you and if possible, I encourage you to support by attending the evening. Tickets will be available at the door. I would like to thank all members of the P&F Committee for their hard work and organisation.

Last Friday members of the Junior School community enjoyed a fantastic footy fun night. Parents and students enjoyed a great night and I would particularly like to thank members of the Junior School P&F for their hard work in organising the event.

**Board of Management**

The Board of Management met on Tuesday this week as part of its monthly meeting schedule. Key items of agenda were discussions around policy, an update on building works on both sites, enrolments, publicity and promotions, and general school operation. In the coming months, the Board has given approval to explore development of the current Science facility at Austins Ferry. If this application is successful we will look to the re-development occurring later in 2013 or in early 2014.
St Vincent de Paul Winter Clothes Drive
As the weather continues to move towards the cold of winter, we are constantly reminded of some of those less fortunate in our community. At both campuses, families will have the opportunity to donate spare clothes and blankets to the annual winter drive. Bins and baskets are available for deposit of items at both sites and your support provides a wonderful opportunity to help those in our community who may spend many cold nights on the street this winter. Thank you again to all who have continued to support this important initiative.

Sports Shoe Drive
As part of our commitment to the touchstone of Justice and Solidarity, the College supports a range of initiatives that help others in need. At present we are collecting sports shoes for distribution to those in need. If you have old sports shoes laying around the House please drop them into the Office at either the Senior or Junior campus. For many the spring cleaning may prove cathartic!

Follow us on Twitter
The College continues to use twitter as an effective medium to deliver news to members of the College community and we are slowly inching towards 100 followers! The Twitter feed provides followers with up to date information about significant curricular and co-curricular initiatives, key events, news of old scholars and details of student achievements.

Please log on to Twitter and follow St Virgil’s - @svctas

In the spirit of Blessed Edmund.

Damian Messer

DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“data showing that one in ten young people in the US between the ages of 17 and 24 have missed out on gaining work owing to things they have posted online”.

Grade 10 Examinations
My compliments to the Grade 10 students for the manner in which they have conducted themselves throughout Exam week. This has been their first experience of exams and for many it has been a stressful time, but the serious way in which
they have approached them has been excellent. Feedback on results will be available on the reports.

**Winter Reminders**
With the colder weather upon us I would like to clarify the winter uniform requirements.

**FORMAL UNIFORM**
- Boys are to wear the Blazer as the outer garment coming and going to and from school. If raining they can wear the spray/sports jacket over the top.
- If due to cold extra warmth is needed, the polo fleece may be worn under the Blazer.
- The polo fleece is mainly for warmth at school as most boys take their Blazer off during the day. It is never the outer garment coming and going.
- Boys are encouraged to wear the grey school jumper under the Blazer.

**SPORTS UNIFORM**
- A warm outer layer must be worn to and from school, preferably the spray/sports jacket.
- We have also been allowing boys to wear the polo fleece as the outer garment with the sports uniform if they do not have the spray jacket. Once again, the spray/sports jacket is the preferred option.

**Student Welfare**
St Virgil’s College takes the issues of bullying and harassment very seriously. Recent Australian research suggests that up to 50% of young people, who are bullied, may not always tell adults, as they may be afraid or ashamed. This may result in a student being victimised for a prolonged period of time before it is discovered and carries the potential for serious short, medium and long-term side effects. A further recent study suggests that as many as one in 20 young people experience bullying at some stage. In order for the College to carry out its duty of providing all students with a safe environment in which to learn, grow and develop, the College seeks to enlist the support and co-operation of all parents in the school community in addition to the standard preventative measures endorsed and practiced by schools across Australia. Please be assured, St Virgil’s is committed to working in a proactive manner with boys and parents.

In the light of the research and ongoing media focus on bullying, the purpose of this message is to share with parents some of the signs that they need to be alert to. Signs that your child may be being bullied include:

- Coming home from school with torn or disordered clothing.
- Having bruises, injuries, cuts, and scratches that cannot be given a natural explanation.
- Not wanting to go to school and finding excuses to stay at home (for example, feeling sick).
- Wanting to go to school a different way or particularly not wanting to catch the bus.
- Being very tense, tearful and unhappy after school.
- Talking about hating school or not having any friends.
- Appear afraid or reluctant to go to school in the morning, have poor appetite, repeated headaches, or stomach pains (particularly in the morning).
- Lose interest in school work and get lower grades.
Appear unhappy, sad, depressed or show unexpected mood shifts with irritability and sudden outbursts of temper.

You can find out a lot by taking an interest in what your son does at school. If at all possible try to be available at the end of the school day to talk with him about his day. Let him know you are interested. These signs may not necessarily mean your son is being bullied and may be easily explained, but if present, it is necessary to check out what is worrying your son and to inform his Pastoral Care teacher or his Head of House as soon as possible. In the meantime, parents should be assured that the school is committed to continually reviewing its policies and practices in respect of bullying and harassment. Whether it’s cyber or face-to-face, bullying is not acceptable!

**Cyber Awareness**

I was taken by a recent news article from the United States which highlighted some recently released data showing that one in ten young people in the US between the ages of 17 and 24 have missed out on gaining work owing to things they have posted online. I am particularly concerned with some boys use of social media such as Facebook and iMessage, in particular their use of inappropriate language. Cyber experts strongly recommend parents monitor young people’s use of social media and educate them in appropriate language. We use the line at school - “think before pressing send”.

**JUNIOR SCHOOL**

**MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL**

“It’s not how good you are. It’s how good you want to be”.

(Paul Arden)

**Assembly**

Last Friday, Grade 3 did a fantastic job organising and presenting at our assembly. The boys led us very well through the opening liturgy and then enthusiastically shared with us some of the work they have been doing in class. The display finished off with a well-researched keynote presentation.
Recently a number of boys have been auditioning to be a part of the Tournament of the Minds team. As part of these auditions the boys had to create and make a hat. The boys, very willingly, displayed their hats as part of assembly last Friday also.

Wood work Grade 6C Last Lesson
This week was the last week of wood work for Grade 6C. During the last two lessons the boys have been working on their own design for a key holder. There were some weird and wonderful designs – some of which proved very tricky and difficult to finish off. That being said, every boy present was able to take one home.

P & F Footy Family Fun Night
A great atmosphere filled the Hall last Friday evening as the P & F organised the annual Footy Fun Night. The weather wasn't the best outside, but that didn't stop in excess of 100 eager fans and supporters coming along to cheer on either the Hawks or the Blues. During half time all the children had a go at showing how accurate their handballing skills were. Congratulations to Eddie Johnson (Grade 3) and his family who won the lucky door prize.
End of Semester Reporting
With all the teaching staff busily compiling reports, the quote at the beginning of the Junior School section really resonates with what all parents and teachers would be encouraging boys to aspire to. We so often see come from almost nowhere to steal away the big prize. That person with the determination and a willingness not to give in until the end result is known. Therefore, we encourage all boys to strive to achieve the best that they can in ALL subject areas ALL the time.

Enrolment Applications
As was reported in recent editions of The Star, enrolment interviews for all grades for 2014 have been occurring over the last couple of weeks and will do so till near the end of term. Parents of the applicants are very impressed with the wide range of opportunities that the boys can take up as well as the manner in which the boys present themselves. If you have family or friends who are thinking of St Virgil's College as the option for their son’s education, please ask them to contact the Junior School Campus at their earliest convenience to obtain a prospectus as there has been considerable interest in all grades for 2014.

Claim the Date
The end of Term Junior School assembly will be held on Wednesday July 3. Please mark this date on your calendar. More details will be available very soon. We hope to see lots of parents in attendance to celebrate the boy’s achievements during the semester.

Reminders
Mini Vinnies Clothing Drive
Recently the St Vincent De Paul Society launched its annual Winter Clothing Appeal. There is a great deal of need in Hobart right now for warm winter clothes. The Mini Vinnies team have placed special ‘bins’ in the Hall for the Junior School community to place any unwanted or no longer needed items of clothing. Our boys and families always support this appeal very generously. Please take the opportunity to sort through your wardrobes for any clothes that no longer fit. Remember to check with mum or dad! Bring in your donations as soon as you can so we can pass them onto to those in need. The bins will be in the Hall and will be collected in the next week.

Show us what you've got! app review
Or, more accurately, write to us! We’re interested in seeing your reviews of iPad apps that you’ve found interesting or useful at school. It could be about one of the apps from the App Catalog or it could be about an app from the App Store that you’ve discovered. Every fortnight, the most interesting review will be published in The Star newsletter and the author will receive a $20 iTunes gift card! Submissions reviews must be emailed to appreviews@stvirgils.tas.edu.au.

Religious Education News
Mrs Fiona Chambers
Re Coordinator

Clothing Drive
Thank you to the boys and families who donated clothing to St Vincent De Paul. We more than filled the four bins and delivered them yesterday. They will help many families in our community through the cold winter. This is a great response and reflects the generous spirit of our boys. Additional deliveries will be made next week.

St Anthony of Padua
We celebrated Mass with St Mary’s College last week on the Feast of St Anthony of Padua. Thank you to Harvey Bessell and Finlay Rossiter-Hill who led us in the readings of the day, to Hugh Gable who was in the Offertory procession and to Chris McGuiness-Terry who served on the alter. St Anthony of Padua’s life is what every Christian’s life is meant to be; a steady courage to face the ups and downs of life, the call to love and forgive, to be concerned for the needs of others, to deal with crisis great and small, and to have our feet solidly on the ground of total trusting love and dependence on God. He is also the patron Saint of lost and stolen things.
**Food for St Vincent de Paul**
The Mini Vinnies team has had a request from the St Vincent de Paul Society to gather some donated food items to help stock their cupboards in order for them to help local families who are in need of food. They are holding a quick drive over the next week, so if you are able to donate food items, such as tinned or packet soups, two minute/cup noodles, cup-a-soups, spaghetti or baked beans, sweet or savoury biscuits, muesli bars, long life milk, packets of pasta, pasta sources and tinned vegetables, we would appreciate your support in again helping our local community.

**JUNIOR SCHOOL SPORT**

**Soccer**
With the recent inclement weather it is essential that parents and coaches check the website - [www.crjsa.com](http://www.crjsa.com) to confirm match details and cancellations each week.

**Grade 5&6 Water Polo**
**SVC 7 defeated St John's Richmond 3**
A great team effort against the previously undefeated St John's team.

**Player of the Week:** Laughlan Freeman for fantastic goal keeping

**Encouragement Award:** Lachlan Sice for great team play

**Canteen**
**Mrs Olga Leon**
Friday June 21  K Bridgland / F Nuss
Wednesday June 26  J Duffy / HELP NEEDED
Thursday June 27  T Donohue/ HELP NEEDED
Friday June 28  *No Canteen – HALF WAY DAY*

**DIRECTOR OF IDENTITY**

**MRS RENEE MACGREGOR**

Our annual Vinnies Winter Clothes drive begins on Monday 3rd of June. Vinnies are in need of manchester and blankets, clothing and shoes. Please leave your donations in your appropriate House cylinder in the reception area of the Austins Ferry campus. The Mini Vinnies at the Junior School are also collecting donations.

**SPORT**

**Mr James Dalton**
**Director of Sport**

**Term 3 Sport Options**

The following sports will be offered in Term 3. To download a sport selection form please go to:

**Football**
Friday Afternoon
Grade 7/8  Week 3 -9

**Soccer**
Games
Gr 9/10 **Wednesday**
Gr 7/8 **Thursday**
All games 4pm-5pm
Season: Week 2 - 9
Trainings during Lunchtime - TBA

**Athletics**
Training: Tues & Thurs 7am @ Domain commencing August 6. All welcome

*SVC Carnival: August 30
Official Athletics Trials: Sept 5
SSATIS Carnival: September 25.
Hob
SATIS carnival: October 19. LTN

If you are aware of outstanding student performances please contact Mr Dalton at the College jdalton@stvirgils.tas.edu.au
DIRECTOR OF LEARNING AND TEACHING
MISS HEIDI GREGG

Reports

All going to plan, Mid-Year reports will be sent home on the final day of Term 2. These reports will summarise you son’s achievements in each of his subjects this year. The main information sections on the report are:

Learning and assessment opportunities: a summary of the opportunities to show understanding that the student has had in the first half of the year.

Learning Area Assessment: the overall achievement level at this stage (A-E) and an indicator of how your son is performing against each strand of the subject

Application and Attitude to Learning: the three indicators used on the Interim report that give information about the ways in which your son approaches his learning and relates to others.

Comment: the teacher will provide descriptive information about your son’s performance and how he can improve and further develop. Please note that in Grades 7 and 8 there are no comments for the Arts and Technology subjects

Parent Student Teacher Conferences: indicated as ‘Welcomed’ or ‘Requested’. All teachers genuinely welcome the opportunity to meet with parents to reinforce the home-school partnership, so please do not view ‘welcomed’ as meaning not required – even if your son tells you otherwise!

Outdoor Education
Mr Simon Harder
The Herbert River Expedition has become an annual tradition that sees a group of intrepid Grade 10 students venture to Far North Queensland and journey down the mighty Herbert River. The Herbert River is an iconic multi-day river expedition sought after by rafters and adventurers alike and takes our group six days to complete. The trip requires boys to negotiate large and exciting rapids, haul gear and equipment into and out of the river valley and be fully self-sufficient during the trip.

Along the way we get to experience a truly amazing landscape, see powerful waterfalls, and see some beautiful native wild life. This trip is a once in a life time opportunity for the boys that participate. Students are required to develop in maturity, teamwork and are given the opportunity to develop leadership skills.

This year’s trip was again a huge success, and full credit must go to the boys, whose behaviour, enthusiasm and support for each other made this year’s expedition a truly memorable experience.
DIRECTOR OF TRANSITION

MR CAMERON ALEXANDER

Grade 10 – Guilford Young College (GYC) Transition

Parents are reminded that enrolments are due this Friday. They can be left at the St Virgil's College office. The GYC subject handbook has been pushed out to all Grade 10s, they can access it through the Maas360 app. Mr Robert Gregg, from GYC, will continue to visit the College each Thursday morning from 9.30am to 10.30am in Term 2 to answer any questions and help counsel boys around subject selection. Boys can either catch Mr Gregg in the Quad at recess or email Mr Alexander at calexander@stvirgils.tas.edu.au to organise a meeting with him.

A number of key dates are listed below:

Friday June 21 – GYC enrolments due (can be left at SVC office)
Monday July 29 – GYC Pathways Expo – Grade 10s visit Glenorchy Campus
Friday August 9 – GYC Subject selections due

Grade 7 Questionnaire – Research Project on transition from primary to secondary school

Early next week all Grade 7 students will be asked to complete a short questionnaire as part of a research project focusing on academic achievement, school connectedness and feeder patterns of the transition from primary to secondary school. The research is being conducted by Dr Sally Towns and Dr Brian Kean as part of a research project with Catholic Education, Tasmania. Participation is voluntary and information sheets for parents will be provided for the students and sent home with the boys this week. These information sheets provide a full overview of the research as well as contact details if you wish to know more about the study.

Tax File Numbers

This year students can again apply to receive a Tax File Number (TFN) through the College. This is by far the easiest way for students to gain a Tax File Number, as the College can verify their information greatly reducing the information that would need to be provided done through the normal process.

To make the process easier this year students must collect (from the Front office) and return their form before the last day of this Term (Friday July 5) as all the forms will be sent to the Tax Office on that day. No forms will be received after this date. Parents are encouraged to help the boys fill the forms in as the smallest error will result in the Tax Office returning it for correction, meaning delays in receiving the TFN. I also urge students to return the form as quickly as possible to allow for time for school staff to complete all necessary checks.

SENIOR SCHOOLSPORT

Term 2 Sport
Grade 9&10 Football

Grade 9/10 Football continued last Friday night and after a week off the Green boys would face their sternest challenge yet against New Town High. The respective coaches were in dispute as to whether the game should go on despite the inclement weather. The attitude of St Virgil's to play shows the great spirit and willingness for participation that exists at the school. In the first half SVC dominated possession and inside 50s but were a bit cute with passes, and a little selfish around goals and as a result wasted many goal scoring opportunities. After half time the boys clicked into gear as the rain increased.
Heath Thompson was a dominant force up front with some great ‘Chris Dawes’ clunks in the wet. Luke Webb showed his Luke Bruest qualities with run and carry through the midfield and polish around goals. Liam Grace showed some clean touch in the wet but suffered frost bite towards the end. Bailey Elmer was a solid key position player at both ends and in the ruck.

**SVC: 14: 12: 96**  
**NTH: 0: 1: 1**  
**SVC Best:** L. Webb, H. Thompson, B. Elmer, L. Grace, N. Dodge, C. Jewell, A. Lockett, M. Beck  
**Goals:** L Webb 4, N. Dodge 2, J. Walker 2, C. Jewell, J. Hayden, J. Walker, L. Devlin, J. Davie

**SSATIS Cross Country**  
Last Wednesday, 60 boys represented the College at the SSATIS Cross Country Carnival at Pontville. On a rather cool day, the boys acquitted themselves very well in all their races with the Under 16 and Under 15 boys winning their age groups and the team placing second in the Junior Boys Shield by one point from Hutchins.

Some of the Great results are as follows:  
**Under 16 Boys**  
Biniyam Hagos 1st, Jack Welch 4th, James Wagin 5th, Mitchell Salter 6th

**Under 15 Boys**  
Jed Morgan 2nd, Daniel Groom 3rd, Jack Fairhurst 7th, Henry Pritchard 10th

**Under 14 Boys**  
Kieran Howlett 5th, Harley Barrow 12th

**Under 13 Boys**  
Mitchell Gittus 3rd, Brady Hayden 6th

Congratulations to all the boys who competed on the day and we look forward to the Tas All Schools XC at Symmons Plains on Tuesday July 2. The first 6 SVC Runners from the SSATIS carnival have qualified for this event.

Full Results can be found on the Athletics Tas website.

**1st XI Hockey**  
On the June 13, St Virgil’s Saints Hockey Team took on Friends and overcame with an astonishing 18-0 win. It was a great team effort, with everyone getting in and having a go. Our Grade 9 and 10 boys (Gobind, Jack and Callum) led the team from the front to take the lead by quite a margin by the end of the first half, with Gobind scoring seven. Grade 7s performed well in the second half, with Aiden Van Staden scoring our last goal with a penalty corner after full time.

The SVC Saints have gone undefeated throughout the season with the closest game being a 5-0 win against Kingston. The boys hope to continue the undefeated streak throughout the season. Next week they will play against Kingston, in which hopefully the boys will come away with yet another victory.

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences.

These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
