Celebrations at the College
Events this week have highlighted the extent of community evident at St Virgil’s College.

Starting last Friday, the morning began with a Father’s Day breakfast at the Junior School, organised and catered for by the Parents & Friends Committee. It was a lovely morning where Dads and sons shared breakfast and for some even time for a chat! Renowned author and psychologist Steve Biddulph has written often about the important role significant males play in the lives of boys. As I looked around the gathering on Friday morning I was reminded of his assertion that “to become a good man you have to know good men”. As evidenced by their attendance, there is no shortage of good dads, grandfathers and male mentors in the lives of these boys.

Following this the College gathered at the Domain Athletics Centre for the College Athletics Carnival. It was a great day of cheering, participation and enthusiasm. I would like to compliment all the boys from Grade 3 to 10 for the outstanding way in which they participated in the carnival and entered into the spirit of the day. I would particularly like to commend the House Leaders for their inspirational leadership in motivating all students. My thanks also to Mr James Dalton, Director of Sport, staff and parent helpers, for their efforts in ensuring the day ran smoothly.

The commitment of all members of our College was further evident on Saturday when the young men and women involved in the musical production, Jesus Christ Superstar had one of their final rehearsals before this week’s performances at the Austins Ferry campus. Teaching and non-teaching staff, parents and other friends of the College were out in force preparing and supporting our intrepid and highly talented performers.

To finish the weekend off, we welcomed visitors to the College to take part in the ‘Dirt Devils’ Four Hour mountain bike event using our highly regarded track. My thanks to Mr Steve Aitken and his band of helpers not only organising this event, but also for the hours of time and effort over several years in the construction of the facility.

Musical
We wish the young men and women of St Virgil’s and St Mary’s all the very best for their performances in Jesus Christ Superstar this week. The season commenced in fine style yesterday with a stunning matinee performance in front of appreciative students from the Junior School, St Mary’s College, Corpus Christi, Immaculate Heart of Mary Catholic School, St John’s Richmond and St Paul’s, Bridgewater. Many months of rehearsals and preparation will culminate in three evening performances. My thanks to Mr Jeremy Williamson, Mr Willie Chambers, Miss Imogen Gray, Mrs Janelle Stowe and all staff, parents and members of our community who have supported our young performers.

In the spirit of Blessed Edmund.

“These tests are extremely important for the College in terms of mapping the progress of the student body and helping review and enhance all curriculum to optimally meet the needs of the students”.

Progressive Achievement Test (PAT) Testing
On Monday, Tuesday and Friday next week Grade 7, 8 and 9 students will complete the annual PAT tests. Each boy completes tests in the area of vocabulary, spelling comprehension and maths. These tests are extremely important for the College in terms of mapping the progress of the student body and helping review and enhance all curriculum to optimally meet the needs of the students. Data is also used for the construction of class groups at the start of each year.

It is vitally important that absence from school is kept to a minimum on these days. All boys are also encouraged to be well rested and eat a healthy breakfast and meals on these days. These factors will assist student performance with all tests.

College Musical
Over the last week I have had the privilege to drop into a number of the rehearsals and see a large number of boys and girls pushing themselves out of their comfort zones and achieving personal excellence. On Wednesday afternoon I happened to be the back stage entry to the Joyce Performance Centre as the matinee performance ended, the door sprung open and out bounded boys and girls beaming with pride at what they had just achieved, either as a performer, band member or lighting and sound stage crew.

It was a wonderful sight to see our young men beaming with pride at what they had been able to achieve. These boys, along with the girls from St Mary’s College, must be admired for their hard work and commitment over the previous months. I encourage anyone who hasn’t already done so, to purchase a ticket from www.easybookings.com.au and come along and marvel at what our remarkable young performers can achieve.

House Athletics Carnival
Last Friday’s House Athletics Carnival was a wonderful day; the weather was good to us and all students gave their all and participated in the spirit of friendly competition. It was noted by many teachers that the day was extremely relaxing as all the boys entered into the day with an attitude to give their best effort, but also conduct themselves in an appropriate manner. I congratulate all boys on not only their participation but also behaviour, it was their efforts that made the day such a success.
Congratulations also to Doyle House who finished victors for the day, final House point results were:

1st  Doyle – 1655
2nd  Hessian – 1558
3rd  Dwyer – 1548
4th  Joyce – 1528

Sports Photos Day
Next Thursday 2013 Sport photos will be taken. These photos are an important record of the activities that occur each year at the College, as well as being great recognition of the efforts of the boys. All sports photos will require boys to wear the full College Sports Uniform, including tracksuit bottoms and top. I encourage all boys to double check the timetable when it is published so they do not miss out on any photos. A second photo day will be held on October when photos for all other co-curricula activities will be taken.

Subject Selection Evening
Grade 8 and 9 boys will soon receive information on the subjects available for electives in 2014, and have the opportunity next Thursday night (September 12) to investigate these study options further at the Subject Selection Evening. These choices are the first opportunity for boys to begin taking control of their future. I encourage all boys to approach this process in a mature fashion, carefully investigating all their options and thinking long term with a view to their possible study and career pathway. It is often the boys who rush this process who end up wanting to change subjects a few weeks into the new year. Investing a little time now can save a lot of trouble later!

JUNIOR SCHOOL

National Boys Choir of Australia Hobart Tour
Junior School boys have brought home letters requesting support from families to billet boys who are in the National Boys Choir. This is a great opportunity for families and the College to see, and hear, first hand such accomplished performers and to find out about their personal experiences. Unfortunately, at the time of writing, billets have only been offered for 16 of the boys. Please consider your ability to support this visit.

Athletics Carnival
A fantastic day was had by all who participated in the House Athletics Carnival last Friday at the Domain. A huge thank you to all of the parent helpers that we had who really helped to make the day enjoyable and successful. The effort and sportsmanship displayed by all the boys was a privilege to witness. Congratulations to Joyce 349 who won the Junior Shield, closely followed by Doyle 308, Dwyer 284 and Hessian 251.
P & F Junior School Fair – This Weekend, Sunday September 8
All boys and families are reminded that the Junior School Fair is on this Sunday commencing at 11.00am. Please ensure that you are present at the Fair whilst your son is in attendance.

Boys Uniform Expectations
The College Leadership team has decided that boys are to wear their College PE uniform to the Fair on Sunday. As this is an official College event, it is anticipated that all boys will comply with this uniform requirement. The correct wearing of the College uniform is a fantastic advertisement for the College especially at such a public event as the Fair.

Boys Assistance at the Fair
It is anticipated that all boys attend, and support their stall at the Fair by helping out as best they can. Boys should also support the other activities that have been organised. The organising committee have worked very hard to enhance the Fair for 2013 and to also include some new activities for everyone’s enjoyment.

P & F Meeting – Fair Reminders
Cake Stall
This week, all boys should have brought home items for parents to help with the Cake Stall at the Fair. Parents, and grandparents, support of this stall is critical. Traditionally, the Junior School community has supported this stall well with lots of homemade goodies.

Chocolate Wheel
Many families would be quite familiar with the traditional Chocolate Wheel. This year, the P & F and Fair Committee will have one special spin where a family can win $500 off their SVC School Fees in 2014. Tickets for this spin are $20 each and available from the Junior School Office. The ‘BIG’ spin is scheduled to take place close to 1.00pm. A ticket for the draw is attached to The Star. Tickets must be returned to the Junior School Office by 4pm Friday.
P & F Father’s Day Breakfast ~ Friday August 30
A really enjoyable breakfast was enjoyed by many dads, and some grandads, at the recent Father’s Day Breakfast hosted by the Junior School P&F. Many mums came in early to cook up a feast for the dads who enjoyed watching their sons use many of the facilities that are on offer at the Junior School Campus. A real highlight, though, was the fantastic Art Exhibition that was on display in the Hall. This exhibition featured work from every boy and is the compilation of the year’s work to date. Congratulations to Ms Stary, and her team of helpers, for putting on such a great display.

Progressive Achievement Test (PAT Assessments)
Next week, all boys at the Junior School will be participating in the ACER PAT Assessments along with Primary School students who attend Catholic Schools in Tasmania. These assessments, which are standardised, will give the teachers significant data to start the planning process for 2014. The assessments will be primarily taking place from Monday to Wednesday with opportunities to catch up boys who might miss one. Unless ill, please ensure your son is at school for these assessments next week.

CLAIM THE DATE
Cyber Safety Presentation ~ Thursday September 26 at 7.00pm
Later this term, a special Cyber Safety session for parents has been scheduled for Thursday September 26 at 7.00pm in the Junior School Hall. This 90 minute session, conducted by the Australian Communications and Media Authority (ACMA) will provide some valuable information and I strongly urge every parent to attend. All students and staff will also undertake the workshops run by ACMA during school hours on the same day.

Bell Shakespeare Presentation

Miss Lucy Dalton

On Monday September 2, theatre company *Bell Shakespeare* visited students in Grade 9 and 10. This term both year groups are studying William Shakespeare plays, so we were very lucky to have this cultural experience on our doorstep! Significant thematic concerns about *Romeo and Juliet* and *Macbeth* were explained to the students as well as some of Shakespeare’s poetic devices. It was amazing to see how four actors could effectively take on the persona of Shakespeare’s characters and the role of narrator.

**Student feedback:**

It was a great play by the players and it was amazing that one person can play so many different roles in the same play. I learnt a lot of things from the play and it has made it easier to understand *Romeo and Juliet* in class.

*Bini Hagos (Year 9)*

A funny and entertaining show. Well performed and very enjoyable!

*Blake Pearce (Year 9)*

The Bell Shakespeare *Macbeth* production was very insightful in to the language and world of Shakespeare’s writings. It helped me to understand the language and the inner meanings of the play. It was very helpful and entertaining!

*Sam Cornelius (Year 10)*

*The Macbeth* performance was very insightful and is helping me with my English. It showed me different aspects and opened my view on Shakespeare when performed in front of me. The actors were very impressive and showed a lot of skill being able to remember all that Shakespeare language! I’m happy that they came and I would love to watch it again.

*Luke Roe (Year 10)*

I found the performance intriguing. It portrayed the themes of *Macbeth* in a simple, easy to understand format.

*Will Ogle (Year 10)*

Health and Physical Education

Mr Justin Mahoney

‘Growing Towards Wholeness’

Over the coming weeks Health and Physical Education classes will commence a Learning Sequence in Sexual Health. This programme is called ‘Growing Towards Wholeness’ (GTW) and has been commended by the Archbishop of Hobart, Adrian Doyle and recommended by the Director of Catholic Education, Dr Patricia Hindmarsh.

GTW is designed to assist the parents of students who attend Catholic schools, Catholic school educators, and parishes in the Archdiocese of Hobart to support what is already being achieved in schools, and to guide the future development of
programmes in accordance with current best practice. It offers a mandate for schools to act in accordance with the teachings of the Church, and to draw upon contemporary information and teaching practices to assist parents and parishes as they carry out their responsibilities to bring their children to a true and full understanding of human sexuality.

Parents, teachers and the parish community need to work together closely and harmoniously, given the strength of various influences in wider society, including the media, that are neither formative of loving and healthy sexuality, nor supportive of family life and spiritual maturity.

Information regarding the policy document and content framework of the programme can be found at [http://www.catholic.tas.edu.au/publications/other-documents](http://www.catholic.tas.edu.au/publications/other-documents). If you wish, you may withdraw your son from the ‘Growing Towards Wholeness’ programme, in which case alternative work will be supplied.

If you have any questions, please do not hesitate to contact Mr Mahoney at the College on 6249 6555.

His father, Darren Burke was the proud coach and the team went undefeated all season and won the final by nine points.
