FROM THE PRINCIPAL

MR DAMIAN MESSER

“At St Virgil’s College boys are presented with an amazing array of opportunities inside and outside the classroom...”

Importance of Learning
At a recent assembly I took the opportunity to speak to the students about the importance of their learning. At St Virgil’s College boys are presented with an amazing array of opportunities inside and outside the classroom as a part of the curricular and extra-curricular programmes available. At times it appears that some students lose focus on what is the core reason for attending the College.

The focus must always be on the learning and what happens inside and outside of our classrooms. Boys were encouraged to focus on the upcoming term and fully commit to learning. At the end of this term students will receive some structured

feedback in their Mid-Year Reports. All students are encouraged to put in their best effort to maximise the learning opportunities available to them through being part of the St Virgil’s community.

**Cross Country**

In contrasting weather conditions students from both campuses have successfully competed in annual House Cross Country Carnivals. The junior boys experienced fine weather but had an extremely muddy and slushy course, whereas the secondary students ran through heavy rain on a significantly firmer track!

I congratulate all students for their wonderful participation and the amazing House spirit that was on display at both events. For the record well done to Doyle who won the Senior School Cup and Hessian who took out the Junior School Shield.

**Half Way Day**

Half Way Day marks the conclusion of half of our academic year. This year it will take place on Friday June 27 and will see the coming together of both the Patrick St and Austins Ferry campus students to celebrate this point of the year. The major focus of the day is our walkathon and sponsorship drive for the Mary Rice Centre in Africa.

We will focus more on the Mary Rice Centre in coming newsletters, however Half Way Day provides a wonderful opportunity for students to be involved in understanding the importance of the Centre, both to the students at the Centre and to students at St Virgil’s who have a deep emotional and spiritual connection with the children of Mary Rice.

The day provides an opportunity for not only students but parents also be part of this school community event. Half Way Day involves a community lunch and parents are warmly welcome to be a part of the lunch. A number of parents have already volunteered to support the day. If you are willing or able to help in any way please contact Mr Mark Waddington - mwaddington@stvirgils.tas.edu.au

**Gala Dinner Auction**

The Parents & Friends Association on both campuses are well and truly in motion for Term Two and the planning is well underway for the major event for the year. The bi-annual Gala Dinner Auction will be held on Saturday August 2 at the New Town Bay Rowing Centre. The evening provides an opportunity for all members of our community to come together in a causal environment to enjoy each other’s company. The P&F will provide more information in this publication in the weeks to come. I take the opportunity to warmly invite you all to be involved and put the event in your calendar to attend the event. All funds raised on the night will go to benefit all boys at both campuses.

**Grade 10 Matters**

As the year rapidly progresses and we move into the winter months a reminder to our Grade 10 students that they are approaching the half way mark of their final year at St Virgil’s College. A number of major events will take place for them in the coming months, the first one being the Grade 10 examination week. Exams will take place from June 16-19 and earlier this week each boy was given an exam booklet which will assist them in preparation for the core exams. Staff have also taken the opportunity to provide support in the areas of time management and study preparation in these exams and we look forward to the challenges that will present themselves over the upcoming weeks.

As we move through the Grade 10 year, significant opportunities will be provided to boys to start to explore their subjects and pathways for Grade 11 and 12 study. The natural progression from St Virgil's College is a move to Guilford Young College and as a part of that partnership, next week our Grade 10 students will be provided with the opportunity to visit the Hobart campus and see the facilities and start to engage in conversations about potential pathways. This will be the first of a number of opportunities provided to Grade 10 boys and we will keep you informed of these through future publications of The Star.
GYC Grade 11 Enrolment 2015
Enrolments for Grade 11 2015 at Guilford Young College close on Friday June 20. I encourage all students to get their enrolment form in to secure an enrolment place for next year. Over the coming months GYC will run a number of events to help in the beginning for the transition for 2015. Details:

GYC, Hobart Campus visit
Date: Thursday June 5
Time: depart SVC 8.45am, return II.15
Uniform: Formal

GYC Parent Information Evenings
Dates: Thursday June 5, Tuesday June 10, and Thursday June 12
Location: GYC Hobart Campus
Time: 7.30pm
GYC Enrolments due - Friday June 20 (enrolments can be left at SVC office)

Message from St Mary’s College
I have attached a message from the Principal, Mr Tom Dorey inviting anyone who has a sister currently not at St Mary’s about the opportunities to join the Grade 11 programme in 2015. Parents of girls are reminded that the TCEC have reinforced that there are two Catholic educational pathways for girls entering Grade 11 – St Mary’s College and GYC.

“It is not widely known that St Mary’s College in addition to Guilford Young College is an entry point for senior secondary studies in the Catholic education sector. St Mary’s College provides an all girls’ College environment at Senior Secondary level in which to pursue excellence in all areas. The College is currently welcoming enquiries for 2015 enrolments from students in our Catholic Year 10 Colleges”.

Parents and Year 10 students are advised that the closing date for enrolment applications for entry to Year 11 (or Year 12) at St Mary’s in 2015 is Friday 27 June 2014. You are warmly invited to contact our Enrolment Officer, Tammy Carlton, for further information about the College. Information about the range of subjects and their flexible delivery arrangements, a tour of the College and Enrolment Applications is readily available.

A limited number of scholarships are available on merit and fee assistance is available on a needs basis. Tammy can be contacted as follows: (T): 6108 2560 or (E): enrol@smc.tas.edu.au

In the spirit of Blessed Edmund.

Damian Messer
DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“In his book Jim Stynes discusses his attempts to inspire young people to “move out of their ordinary world” and take up the heroes journey to do ‘great things’.

Grade 9 Heroes Journey
In the Grade 9 Welfare period the boys are currently undertaking a unit called “the Heroes Journey”. This unit is inspired by a book written by Jim Stynes who among many famous sporting feats started the Reach Foundation aimed at helping to engage young people in their world. In his book Stynes discusses his attempts to inspire young people to “move out of their ordinary world” and take up the heroes journey to do ‘great things’.

We have shared the amazing stories of ordinary people who have done extraordinary things and challenged the boys to consider how they can take their step in the Heroes Journey. Parents may want to ask their sons to outline some of the stories they have heard.

Staying on Top of Work
We are at that time of year when the demands of work and assessment are building up on some boys, particularly if they struggle with their time management. Below are some home strategies that may help to ease the stress, particularly on those boys who tend to leave things until the last minute:

- There is never a time when there is no homework to be done!
- Re-read and/or re-write class notes in an organised way in things such as planners, organisers, note taking cards etc.
- Summarise the things learnt that day into dot points.
- Do a little bit on projects each night to save the rush at the end.

Study is something that should be done regularly because it is surprising how quickly we forget things! I have outlined the following to the boys on a number of occasions:

- A good part of what a person forgets takes place within 20 minutes of initially learning it.
- Within one hour a student forgets nearly half of what was originally learned.
- After 24 hours, almost two-thirds of the previous learned material is forgotten.

Touchstones of the EREA Charter

Liberating Education
We open hearts and minds, through quality teaching and learning experiences, so that through critical reflection and engagement each person is hope-filled and free to build a better world for all.

Gospel Spirituality
We invite all people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality within our community.

Inclusive Community
Our community is accepting and welcoming, fostering right relationships and committed to the common good.

Justice and Solidarity
We are committed to justice and peace for all, grounded in a spirituality of action and reflection that calls us to stand in solidarity with those who are marginalised and the Earth itself.
Further studies show that re-learning material (studying) is crucial in retaining information and suggest that after five repetitions (of study activities) we can retain 95% of what we learnt. This information is particularly important to the Grade 10s at the moment.

As always I encourage parents to contact the College if their son is struggling with his studies in any way. We are all in this for the sake of our boys.

**Behaviour and Academic Outcomes**

Mr Messer spoke recently to all boys about the importance of focussing on their learning. Research in boys’ education is very clear when it outlines a correlation between behavioural problems and learning outcomes. The evidence suggests that one problem may lead to another; in other words for some boys behavioural difficulties lead to learning difficulties, while for others learning difficulties lead to behaviour problems. Of even greater concern for me is when this poor behaviour impacts on the learning of others. The research clearly shows that when a boy is getting the same messages at home as he is at school the opportunity for change is increased significantly.

Behaviour and academic outcomes is not just a school issue. Dealing with poor behaviour is a shared responsibility between school and home and as always we appreciate the support we receive from parents in our endeavours.

I have included below a ten steps homework guide for students that may also be of benefit for parents. Please discuss this with your sons.

1. Check your diary.
2. Decide which tasks are most urgent. *(Are all the due dates in your diary?)*
3. Complete set homework tasks. *(Do them in order of priority.)*
4. Work on long-term projects and assignments. *(Don’t leave these until the night before.)*
5. Write long-term projects in your diary each day so you don’t forget.
6. Revise for tests and other assessments. *(Everything you are taught will be assessed in some way.)*
7. Read any handouts and place them in appropriate folders.
8. Proof read your written work.
9. Let your parents know when you need more paper, pens, equipment etc.
10. Clean out your schoolbag when you finish homework, then pack it ready for school the next day.

**Change in Bus Route- Route 363AM City to St Virgil’s College**

**Mr Simon Orlowski, Director of Transport**

**Change of Departure Point**

Metro Tasmania has been experiencing some issues with congestion on its Macquarie Street stop outside St David’s Cathedral, which is the current departure point for Route 363 in the morning. Because this stop is heavily used dwelling on this stop waiting for its departure time is restricting access for other services, which causes congestion back along the street. In order to reduce congestion on the Macquarie Street stop and also make for a safer boarding location for your students, effective Monday May 26 the following change will take place:

**ROUTE 363 AM: HOBART CITY to ST VIRGIL’S COLLEGE via Argyle St & Brooker Hwy**

This service will now commence from Elizabeth St Bus Mall Stop B at 8.02am, then travel via Collins St to Argyle St then as per the current route. It will no longer depart from Macquarie St outside St David’s Cathedral. The timetable remains unchanged.

Bus Stop B is on the southern side of the Bus Mall, outside the Westpac Bank. Notice of the change will also be placed on the Metro Tasmania website.
CAMPUS MINISTER

BR PETER FLINT

From the Last Post to Pentecost and Reveille?

The Last Post died into the cold dark morning at the Hobart Cenotaph and I looked around at the composition of the crowd present and compared it to those at the Easter ceremonies. The Gallipoli myth is alive and well. The Christian Myth ??

Daily, as a Campus Minister, I am both humbled and affirmed by teenage boys who often share some of the most secret places of their lives with me. Most have their sacred places for healing and reflecting. (They’d say it differently.) Most are prayerful and often find their prayer in their music and their physicality. Inwardly I weep over the ever increasing chasm between Institutional religion and the people, young and old, who are part of my world.

David Tacey describes my experience well: “The spirit may still be present in the church, but it is tragically entombed in dogma and lost to an archaic theological language that has little impact on the contemporary imagination.”

My own Congregation calls me: “consciously to choose ways to widen my experience and understanding of God’s presence and activity.” Our last General Chapter also invited me to into the unfolding mystery of my quest for God.”

Those who walked with me sit on my bookshelf in their well-used and annotated books. Ched Myers opened Mark’s Gospel to me and showed me a Jesus who got my feet and theology walking together. Stephen Hawking and Diarmuid O’Murchu have helped to de-anthropomorphise my image of God. Michael Morwood spoke a lot of sense and gave me good guidelines for speaking of the Kingdom to others. David Tacey put words to my struggling thoughts and helped me find the courage to express them.

I may also be called to leave those familiar shores of traditional beliefs and practices as my experience and understanding of God’s presence widens. I may journey past horizons that I knew, beyond the margins of what many would call Catholic, or even Christian. It may place me with those who are also at or beyond the margins of institutional church.

Are religious Orders also called to make this journey to the margins of institutional orthodoxy and beyond – to respond to the hunger for meaning in our society?

It is a rather scary to leave familiar shores – to leave the surety of held beliefs to become one who lives with questions more than answers. Yet as I’ve journeyed in faith, new dimensions have evolved. Maybe something like the disciples walking to Emmaus; their initial faith in Jesus was inadequate, then ..... I have a sense of setting out upon the deep - I find it a scary journey– I need company.

I'm not sure I want to walk past horizons that I know!
But I feel my spirit called
Like a stirring deep within
Restless 'till I live again
Beyond the fears that close me in!
Enrolment 2015
Interviews have commenced for all those families who have applied for a position at the Junior School Campus for 2015. Applications are still open, so if you know of anyone interested in making an application, please encourage them to do so as soon as possible.

P & F Association
Footy Family Fun Night – Mark it on the Calendar
Please mark on your calendars Friday June 13 when the P & F will be hosting this year’s family footy fun night in the Junior School Hall. The night features the Carlton v Hawthorn game on the big screen – Mrs Messer’s team v Mr Fitz! Everyone is most welcome. Further details will be sent home with students.

STCPSSA Footy Round Robin
Our three teams in this round robin have hit the ground running with fantastic results from the first two rounds. A lot of positive feedback has been received about the great skills and sportsmanship being displayed. Well done boys and their coaches.

Woodwork
This week, Grade 3 travelled out to the Senior School for their rotation of woodwork. There was great excitement and anticipation, especially upon arrival at the Campus. After introductions to all the workshop staff and instructions about safety, the boys commenced their work on creating a bottle opener. We look forward to seeing the results.

Grade 5 States of Matter Dry Ice Experiment
Grade 5 boys greatly enjoyed conducting experiments with dry ice this week as part of the States of Matter Unit in Science.
Hobart Eisteddfod
Last week, the Junior School Choir participated in the Hobart Eisteddfod. The boys performed wonderfully against some very talented competition. The adjudicator was most impressed with the boys’ efforts as highlighted in her performance review comments and was also quite pleased to see a large group of boys in a choir. The boys should be very proud of their efforts and are to be congratulated along with Mrs Norton. Well done Mrs Norton and the choir boys.

Junior School Cross Country with St Mary’s
Our annual cross country at Tolosa Park is being held today. The boys will be chasing spots to represent St Virgil’s at the upcoming JSSATIS and STCPSSA cross country carnivals. Thank you to those parents who have already volunteered to assist in any aspect of the day. We look forward to sharing the results of the day in next week’s edition of The Star.

JSATIS Cross Country
Commencing this year, St Virgil’s College Junior School is the co-ordinating school for the JSSTIS Cross Country event. This is the first year of a three year cycle. The event will be held on June 19 at the Police Academy, Rokeby. We are asking all parents from the Junior School to mark this day in their calendar and to consider helping out on the day as a course marshal or some other role. The P & F will also be running a BBQ on the day. Further details and a formal request for assistance will be coming home with the boys very soon.

Assembly
Our next assembly will be held tomorrow morning, Friday May 30 commencing at 9.00 am in the Junior School Hall. Grade 3 will be leading the assembly tomorrow.

Calendar update
Parents and guardians are reminded to subscribe to the College’s online calendar. The great advantage of this is that if there are necessary changes to dates these changes can be made immediately. Please check the calendar at: http://www.stvirgils.tas.edu.au/calendar/

ICAS Spelling Competition June 17
JSSATIS Cross Country hosted by SVC June 19

Junior School Sport
Water Polo
The Grade 5&6 team battled stoically against a strong Princes St Primary School team going down 5-6 in a closely contested game. The team were weakened by a number of player withdrawals due to illness but showed glimpses of play that will stand them in good stead for the rest of the year. This week’s game is at 7.30pm against Hutchins. Training is on Tuesday mornings at 6.30 am for those who can attend.
Goals: Tadhg Waddington 4, Max Guiliani 1.
Player of the Week: Jordan Baker for great defence and team play.
Soccer

May 10

Under 11 Green

SVC Green 11 defeated Friends 3
Goals: Declan Cooke 3, Sebastian Brown 4, Liam O'Donnell 1, Joel Watling 1, Mitchell Hayers 1, Jack Andrews 1, Connor Pearcey 1, Hunter Cooke 2.
Player of the Week: Declan Cooke awarded for great team play.

May 17

SVC Blue 3 lost to Immaculate Heart 4
Goals: Ethan Nattey 1, Charlie Banks 1 and Jack Pritchard 1.
Player of the Week: Michael Crouch awarded for great defensive play.
Encouragement Award: Bruno Gonzalez.

Under 11

SVC Green 11 defeated Hobart United 5
Player of the Week: Mitchell Hayers awarded for versatility.

May 24

Under 9 Blue

SVC Blue 1 lost to Cygnet 5
The lone goal scorer for this match was Ethan Nattey who was greatly assisted by his team mates.
Player of the Week: James Zeeman awarded for playing well all game.
Encouragement Award: James Robinson for great work in goals.

Under 11 Green

SVC 4 drew with West Hobart 4
This was a great spectator game, where the outcome of the game could have been decided by either team. A fitting end to a great game.
Goals: Hunter Cooke 2, Declan Cooke 1, and Joel Watling 1.
Player of the Week: Connor Pearcey awarded for great defending.

**Grade 7 Geography Excursion**  
On Friday the June 6 boys in Gr 7 A, D and E will participating in a Geography Excursion as part of their studies in the unit: Place & Liveability. Boys will need to wear their full sports uniform (including track pants) and spray jacket. They will also need to bring a water bottle and food for Morning Tea. The boys may also bring a smaller day pack for this excursion. We will return by the beginning of lunch so boys may still order from the canteen.

We will be departing at 8.45 am and returning at 12.30 pm. If you or your son have any questions concerning this excursion, please don’t hesitate to contact Mr Tristan Cripps or Ms Maryanne Saxton-Hillier at the Senior School.

**DIRECTOR OF TRANSITION**  
**MR CAMERON ALEXANDER**

**Grade 10 GYC visits**  
In recent weeks I have written about the Pathway Planning that the Grade 10’s have been undertaking in the fortnightly Welfare Sessions. In coming weeks this will extend to visits to Guilford Young College, as they begin their process of enrolments for 2015. Although all boys may not transition to GYC, it is the preferred education pathway, where all our boys are reserved a space for enrolment. These visits are of great value to all boys, as the information delivered is not just GYC specific, it also covers general pathways information and the requirements of meeting the Tasmanian Certificate of Education (TCE), and gaining an Australian Tertiary Entrance Ranking (ATAR), therefore it is required that all boys attend.

Specific details and important dates are:
- **GYC, Hobart Campus visit**
  - **Date:** Thursday June 5 – NEXT THURSDAY
  - **Time:** depart SVC 8.45am, return 11.15
  - **Uniform:** Formal

- **GYC Parent Information Evenings**
  - **Dates:** Thursday June 5, Tuesday June 10, and Thursday June 12
  - **Location:** GYC Hobart Campus
  - **Time:** 7.30pm

- **GYC Enrolments due** - Friday June 20 (can be left at SVC office)

**SPORT**

**Mr James Dalton**  
Director of Sport

**Hockey**  
Mr Justin Mahoney

**Division 3**  
Thursday May 15  
SVC d Kingston H.S. 7 – 1

A very solid first up performance with all players adapting very quickly to playing in a new team. The team displayed very positive forward attacking options and very strong defence.

**Goals:** J. Brooks 4, H. Bessell 2, Harry Freeman 1  
**Best:** J. Brooks, H. Bessell, D. Connelly.

- **Thursday May 22**  
  - **SVC d Hutchins 4 – 0**  
  - **Goals:** J. Brooks 2, H. Bessell 1, H. Freeman 1.

**Next Games:**  
- **Division 3 – Thursday May 29 v Friends 1** 4.15pm.
- **Division 2 – Friday May 30 v Hutchins 5.00pm.**
Later in the year all students will visit the Glenorchy campus for their pathways course information expo. Details will be published for this event and course selection deadlines closer to the date.

SPORT

Grade 9&10 Football

Mr Mark Beck

The SVC Derby!
Michael Gardner and Dale Kickett weren’t present for this one but their aggression and desire certainly was! Both teams played with an outstanding spirit and perhaps the highlight was a Carey/Jakovich like battle in the form of Hooker v Hooker. The young one took the honours.
After leading comfortably at half time, the 1st XVIII team, minus a few regulars, took the foot off the pedal and allowed Mr Canning’s troops to get back into it with some strong efforts from Wade Lockley and Harry Richmond. The 1st XVIII limped to the line much like Hawthorn in 1989, and similar to that game the runners up had an Ablett-like performer in Nathan Lovell.

Final Score
1st XVIII: 8: 5: 53 2nd XVIII: 6: 1: 37
Goals: J. Morgan 3, H. Pearce 3, B. Elmer 2, R. Hooker
1st XVIII Best: J. Morgan, R. Hooker, H. Pearce, H. Pritchard, B. Elmer, B. Pearce
2nd XVIII Best: W. Lockley, H. Richmond, N. Lovell

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences. These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
