FROM THE PRINCIPAL

MR DAMIAN MESSER

“The Kibera slum is the biggest slum in the world with over 1.6 million people living in an area equivalent in size to the Hobart CBD. Amidst the despair of the slum is a hidden oasis – the Mary Rice Centre. The College’s financial commitment to the Centre funds its operations for an entire year, keeping the doors open for the specially abled children from Kibera who attend the centre”

Mary Rice Centre
As part of our commitment to Edmund Rice Education Australia and the ongoing legacy of the Christian Brothers, our College supports one of the Brothers’
Ministries in Africa. The Mary Rice Centre is a school for disadvantaged children who either have a physical or intellectual disability and is located on the edge of the Kibera slum in Nairobi, Kenya – the world’s largest slum.

Each year the College makes a commitment to support the centre by way of a significant cash donation through the Edmund Rice Foundation. Our support provides clothing, food, sanitation and educational supplies for the 25 students who attend the centre. Without our support the centre would not be able to accommodate these students. Through our connection with this centre over the past four years, we have got to know many of the current and past students and it is always a pleasure to hear about the ongoing successes that our resources support students in achieving.

During this week all students have heard more about the recent stories at the centre as we launched our annual Walk-a-thon. All members of our community are asked to tell the story of the Mary Rice Centre and actively seek to raise the much needed funds to ensure the ongoing future of this wonderful educational centre.

On June 26 I have been given the amazing privilege of attending the Carrigg Karibu Immersion Experience in Africa. During my time I will be fortunate to be able to visit the Mary Rice Centre. It is my hope that I will be able to take the great news of our ongoing support and speak to the staff and students involved in the centre personally. Each student this week has received a sponsorship card and I would ask all members to support their sons in raising that little bit extra. I know I will take the best wishes of the St Virgil’s community with me on my journey.

Strategic Directions
As a part of our ongoing commitment to continual growth and renewal the College is undertaking a review of its Strategic Direction. This will coincide with our EREA Renewal process which explores our authenticity as a Catholic school in the Edmund Rice tradition. All members of our community will have the opportunity to be involved as part of a survey process which will be undertaken early in Term Three. Please keep an eye out for the information as it comes to hand.

Old Virgilian's Association Luncheon
On Tuesday June 24 the Old Virgilian’s Association have their bi-monthly luncheon at 12.30pm in the Joyce Performance Centre. The cost is $25 which includes your lunch and some beverages. If you are interested in attending, please contact Mr Rene Sluyters rsluyters@stvirgils.tas.edu.au or phone 0417565762.

GYC Enrolments
A reminder to all of our Grade 10 students and parents that enrolments for Grade 11 2015 close on Friday June 20. Please ensure that you have secured your position by completing an enrolment form. If you have misplaced or need a new form please collect one from the Austins Ferry Front Office or visit the GYC website.

Grade 6 Junior School Tours – 2015 enrolment
Over the next two Fridays at 2.15pm our current Grade 6 parents and students are invited to book a tour of the Austins Ferry campus. Last week we had 20 visitors who availed themselves of a tour followed by an opportunity to ask questions of me over a relaxed afternoon tea. There are two more opportunities on June 13 and June 20 and I ask you to contact Mrs Monica Nugent mnugent@stvirgils.tas.edu.au or phone 62496519 to book a place.

If these two times don’t suit you, a reminder that ‘every day is open day’ at Austins Ferry and you can book a tour by contacting Mr Mark Waddington mwaddington@stvirgils.tas.edu.au or phone 62496518.

In the spirit of Blessed Edmund.

Damian Messer
DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“Exams are one form of assessment that helps us to gain an overall picture of a student’s strengths and weaknesses and provides some guidance for all of us involved in their ongoing education”.

I would like to commend all those Grade 10 students who are approaching their upcoming exams with the seriousness and dedication that they deserve. Exams are one form of assessment that helps us to gain an overall picture of a student’s strengths and weaknesses and provides some guidance for all of us involved in their ongoing education. They also form a strong basis from which boys can set themselves goals for the remainder of the year. Miss Heidi Gregg our Director of Learning and Teaching included the following simple tips in the Exam Study Guide that will be of use to boys prior to each exam:

- Get plenty of sleep.
- Eat a good breakfast.
- Be prepared—make sure you have pens, pencils, calculator and tissues.

A reminder that formal uniform must be worn by all Grade 10 students during the exam period.

Sickbay
In recent weeks at Austins Ferry a large number of students have been absent due to illness. It is timely then that I remind parents and students of the need to be aware that the College offers a sick bay to deal with illness and injury that may arise during the day. It is a first aid facility for the immediate treatment of students. We have neither the staff nor the facility to care for the ongoing treatment of students throughout the day. We have had occasions where students come to school and report to sick bay before the start of the day and are clearly unwell which creates problems. Parents are asked to note the following guidelines in place for the sick bay:

- Please do not send a student to school if the student is feeling unwell or has symptoms that will prevent him from participating in his normal programme.
- If a student reports to sick bay requiring medical treatment and/or long periods of rest, the sick bay attendant is instructed to ring home and have someone pick him up immediately after initial treatment is issued.
We make this request in the spirit of caring for all boys. Schools and particularly classrooms are small places when filled with boys, and flu or gastro outbreaks as we are currently experiencing can spread quickly.

As always, any student who has a known medical condition, for example anaphylaxis, asthma, diabetes or epilepsy, are required to submit a Medical Plan from their Doctor to the College.

**Cyber Communication**

I wrote last week of the problems that poor choices made by some of our boys can cause, particularly in regards to electronic communications. Sometimes it is as simple as failing to see that the intended tone of a Facebook or Instagram posting or an email to someone can be misinterpreted. In reminding the boys of this it is probably timely for us as teachers and parents to also keep this in mind.

**CAMPUS MINISTER**

**BR PETER FLINT**

*Campus Minister Reflects*

I have a link to the Astronomical Picture of the Day and most days I download the latest as a screensaver. To me, they are an ever present reminder that the Mystery I name as God exceeds my capacity to understand or to define by language.

A few weeks ago, John C. Mather, who won the 2006 Nobel Prize in physics, gave a talk at The Catholic University of America in Washington, D.C., about the origins and future of the universe. A link to a report is below.
Mather made a simple expression of awe and went onto say that: “the Universe is just far more complicated than humans will ever understand.”

He went onto say: “In fact, that's precisely the attitude that religion -- of whatever tradition -- should be advocating. We humans are quite naturally curious about the world in which we live, and we should encourage one another to explore and draw conclusions about how things seem to work. But to imagine that we are capable of knowing the mind of God in some complete way is to turn the Christian virtue of humility on its head.”

A more complete report on his address can be found at: http://ncronline.org/blogs/small-c-catholic/religion-and-science-share-same-roots-awe-and-wonder

JUNIOR SCHOOL
MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL

“Respect for ourselves guides our morals, Respect for others guides our manners.”

Laurence Stern

Contacting Staff and Social Media Use
I have been concerned recently that some staff have received messages or details from parents that appear not to value the significant relationship that exists between home and school in the education of boys at St Virgil’s College. In discussing this with Mr Blizzard at the Austins Ferry Campus it is apparent that some similar experiences are occurring at that campus also.

Many of you would be aware that I am a significant supporter of the use of ICT, Web 2.0 tools and also social media. Many of you are amongst my followers on Twitter so that you can receive quick updates of events that the boys or staff are involved in. Some of you are also aware that I am currently undertaking some Masters study in “Knowledge and Information Studies” which picks up many aspects of how influential ICT and social media have become in our daily lives.

So, as a communication tool, social media has a key role in society and also the education of your son. This education needs to be not only in ‘why’ he would embrace its use in his life BUT (maybe more importantly) ‘how’ it should be used.

Emailing, diary notes and the use of social media are helpful for many reasons:
- I can connect with others who would normally be hard to reach;
- I can communicate quickly and creatively; and
- I can find out what others are doing, and I can learn.

The dot points above give an indication of a small number of the ‘why’ reasons to use these different means of communication between home and school. However, we have all heard of, and some been the victim of emails or posts (on Twitter/Facebook) where the content of the email or post just should not have been delivered via that medium.

All staff feel that the use of emails, diary notes and social media are valuable in many ways for boys and parents alike. However, maybe we need to be reminded of some etiquette to guide people on the best ways to use these powerful
communication tools. After all, like most technology, emails and social media have been hoisted on our world with little or no instruction.

I encourage everyone to think when using email, diary notes and social media as a communication tool. Everyone should ask themselves the following 12 questions before emailing, writing or posting:

1. Have I used an appropriate greeting and signed off appropriately?
2. Should I target a specific audience with this message and not cc lots of recipients?
3. Will I offend anyone with this content? If so, who? Does it matter?
4. Is this appropriate for an email, note or social portal, or would it best be communicated another way (maybe via phone or face to face)?
5. How many times have I already posted something today/this week?
6. Did I spell check?
7. Will I be okay with absolutely anyone seeing this?
8. Is this email, note or post too vague? Will the reader understand what I’m saying?
9. Am I using this as an emotional dumping ground? If so, why? Is a different outlet better for these purposes?
10. Am I using too many abbreviations in this email, note or post and starting to sound like a teenager?
11. Is this reactive communication or is it well thought-out?
12. Is this really something I want to share, or is it just me venting?

Run through these 12 questions in your mind—before clicking “send” or “post.” Trust me—you’ll be happy you double-checked before sharing with the world.

(Adapted from a post on forbes.com.au posted by Iilya Pozin titled “Social Media Etiquette: 12 Step Checklist”)

Assembly
This week Grade 6 C will lead our Assembly which will commence at 9.00am in the Hall. This week’s Assembly will also coincide with the launch of the 2014 walk-a-thon, a key component of Half Way Day.

Semester Reports
The staff are working very hard compiling the end of Semester reports for 2014. The reports will look a little different this year due to the integration of new software across the College. The staff have adapted to this extremely well and are embracing some of the new capabilities that it affords. Boys will be bringing their reports home during Week 19 (beginning June 23). Parents will have the opportunity to request an interview with their son’s teacher during Week 20 (beginning June 30). This interview is optional if requested by either parents or your son’s teacher. Further details very soon.

Green Thumbs
Mrs Graves and the Green Thumbs boys have been very busy over recent times in the vegie patch – and beyond. The boys have registered for a competition run through Yates with a theme of propagation of plants. To that end, the boys have to monitor the growth of their seeds by taking notes as well as photos of their progress. As well as that, the boys have also been busy maintaining the vegie patch which is proving to be most fruitful with the harvesting of:

- Pumpkins;
- Silverbeet.

Both vegetables will be available for sale tomorrow afternoon. Please support the green thumbs boys by purchasing this nice, fresh produce.

Enrolment 2015
Interviews are well and truly underway for those families who have applied for a position at the Junior School Campus for 2015. Applications are still open, so if you know of anyone interested in making an application, please encourage them to do so as soon as possible.
The Wiz Performance
The Grade 6 boys were given the opportunity to watch the St Mary’s performance of ‘The Wiz’ at The Playhouse. From all accounts the boys were most impressed with the performance. A big thank you to St Mary’s College for the invitation to the performance.

P & F Association
Footy Family Fun Night – Tomorrow Night!
Tomorrow evening, the P & F will be hosting this year’s family footy fun night in the Junior School Hall. Everyone will be most welcome. Thank you to those families who have indicated that they will be able to help out on the night or who are willing to come along and join in the spirit. Looking forward to seeing many keen fans watch the footy between Carlton and Hawthorn on the big screen.

JSATIS Cross Country
Recently, a formal request was sent home with the boys asking all parents from the Junior School to mark June 19 in their calendar and to consider helping out at the JSATIS Cross Country at the Police Academy, Rokeby. Commencing this year, St Virgil’s College Junior School is the co-ordinating school for the JSSATIS Cross Country event. This is the first year of a three year cycle. Thank you for considering helping out at this event. Please contact the Junior School Office if you are able to assist in any way on the day.

Music Department Concert
Information will be coming home very soon with Grade 5 and 6 boys detailing a special concert to coincide with the end of the Semester. The concert will be held on the boys’ normal Band day, Wednesday July 2. The boys along with the Music Department staff and tutors have been working very hard in their Band or General Music lessons to be ready for the performance. Please consider giving up a small amount of time on this day to support your sons and the Music department as they perform.

End of Semester Assembly
Our end of Semester Assembly this year will be held in the Joyce Performance Centre at the Austins Ferry Campus on Friday July 4. All parents and friends are welcome to attend as we highlight the boys’ efforts and achievements during the first semester of 2014. A formal invitation will be coming home with the boys very soon which will also ask for approximate numbers of those attending. Please note the change of venue from that previously advised.

Calendar update
Parents and guardians are reminded to subscribe to the College’s online calendar. The great advantage of this is that if there are necessary changes to dates these changes can be made immediately. Please check the calendar at: http://www.stvirgils.tas.edu.au/calendar/

Significant, upcoming events are summarised below:

June/July 2014
Assembly led by Grade 6 C
P & F Footy Fun Night
ICAS Writing Competition
ICAS Spelling Competition
JSATIS Cross Country hosted by SVC
All Schools Cross Country ~ Symmons Plains
Half Way Day
Music Department concert
End of Semester Assembly

June 13
June 13
June 16
June 17
June 19
June 25
June 27
July 2
July 4
Junior School Sport

**Water Polo**
The Grade 5&6 team recorded another solid win with a hard fought 10-7 victory over a determined Mt Carmel team. Excellent goal scoring from Max Giuliani was complemented by great attacking play from Max Newett and Harry Fisher. This week’s game is at 6.30pm against Montague Bay PS. Training is on Tuesday mornings at 6.30 am for those who can attend.

**Goals:** Max Giuliani 5, Max Newett 3, Sebastian Brown 1, Harry Fisher 1.

**Player of the Week:** Max Newett for great team play and goal scoring.

DIRECTOR OF LEARNING AND TEACHING

MISS HEIDI GREGG

**Instrumental Music**
Mr Jeremy Williamson

**Musical Instrument Borrowing**
One of the great aspects of our Music Programme is the large amount of instrument resources we have available for students to borrow on a nightly basis to practice on. The huge amount of improvement we are seeing in students this year is fantastic.

Unfortunately, a number of musical instruments have been left on Metro buses this year; due to boy’s lack of care or concern for the instrument. Luckily most of the instruments have been returned to school, either collected by students, parents or even staff. I am sure you appreciate how concerning this is to have instruments go missing in this manner.

Parents should note that if your son signs out and borrows a musical instrument, and subsequently misplaces it, then it is the parent’s responsibility to relocate that instrument. If it is lost, then parents are liable for the replacement cost and will be billed accordingly. This cost could range from $500-$1500. We do not like doing this.

SPORT

**Water Polo**
Miss Imogen Gray

**Grade 9/10**
The St Virgil’s 9/10 water polo team faced their toughest challenge yet fronting Hutchins Magenta- with one player short. With an early goal scored by Brayden Seabourne, the boys set out to prove that they would not go down without a fight. By half time they had managed to keep the score down, showing some impressive team work.

Unfortunately, Jack Fairhurst suffered a fist to the eye and had to sit out most of the second half. The boys battled on but with two players short, the odds were not in their favour. Two more goals were scored by Josh Rice and Jack Fairhurst in the second half. The final score was 3-11. An excellent team effort by all players.

**Grade 7/8**
SVC Sharks played against Dominic College with the Sharks getting off to a good start scoring six goals in the first half and only getting one goal scored against them.

The two goalkeepers Spencer Hall and Zac Hills did well, only letting in two goals throughout the game. The boys had a safe 15-2 win with almost every player scoring goals.

Goal scores: James Drew, Callum Polanowski, Fletcher Cashion, Kerem Turhal, Zac Dodge, Zac Hills, Isaac Pearsal and Spencer Hall.

By Spencer Hall and Zac Dodge
but to have instruments go missing jeopardises our ability to teach other students in the College as well as your son.

Please encourage your son to be responsible with school equipment and to make sure he knows where his instrument is at all times.

DIRECTOR OF TRANSITION
MR CAMERON ALEXANDER

Grade 10 GYC visits
A reminder for all families of Grade Ten boys that enrolment for GYC need to be submitted by Next Friday. Enrolment applications can be left at the Austins Ferry Office for collection by GYC staff. Families should have received in the mail information for GYC around the process for enrolment, however if stuck the information and forms are easily downloaded from their website: www.gyc.tas.edu.au Specific details and important dates are:

GYC Parent Information Evening
Date: Thursday June 12
Location: GYC Hobart Campus
Time: 7.30pm

**GYC Enrolments due - Friday June 20 (can be left at SVC office)**

Later in the year all students will visit the Glenorchy campus for their pathways course information expo and GYC staff will begin to visit St Virgil’s on a weekly basis so that boys can ask questions about subject selections and pathways planning. Details will be published for this event and course selection deadlines closer to the date

Grade 9 Try a Skill
On Wednesday 27 Grade 9 boys attended the Skills Australia, Try a Skill Day. This event is a wonderful way for students to explore possibilities for their education, training and career pathway. Boys were involved in three elective sessions from a range of experiences including: Emergency Services; tradition trades such as plastering, bricklaying and building; horticulture sessions; hospitality based sessions; as well as sessions on engineering and business. Each session included hands-on activities so the boys could experience exactly what each job would entail. Boys also had the chance to be instructed by and talk to instructors who worked in each career field, which was invaluable for many of the boys as they investigate possible career pathways.

Futures in Engineering
Last week, two Grade 10s, Patrick Vout and Oliver Riseley attended a two day experience hosted by Engineers Australia. The programme is designed to give Grade 10s with an interest in a career in engineering to investigate different areas of the engineering profession, visit sites and have the work of engineers explained to them as well as hearing about possible educational pathways through The Australian Defence Force and UTAS.

Highlights included a visit to MONA Museum to look at the amazing engineering feats that were required in its construction, and the second day hosted at the Engineering faculty at UTAS, which comprised a number of hands-on activities. Both boys have been inspired by the experience and are now eager to ensure they work hard to follow this career pathway.
SPORT

Grade 9&10 Football

Mr Mark Beck

SVC Gold V Dominic
The plan was set for the boys and without being arrogant or disrespectful to the opposition, the plan was to score as much as possible whilst minimising the opposition’s score as much as possible. Dominic dropped three extra back, and we played with a lot of smarts to work through the flood. Liam ‘Look at me’ Devlin and Harry ‘I’d get a game for’ Richmond were excellent at finding space and winning contested marks, even when out-numbered. Jesse Maple continued his ruck dominance and Jed ‘the mop’ Morgan cleaned up well. Harry ‘Guy Smiley’ Gunther continued his finishing skills. Excellent effort by the backline brawlers Will ‘Beaker’ Atkin and Cambell ‘LJ’ Hooker to push up and create an impenetrable wall early.

Final Score
SVC Gold: 20 – 11; 131 defeated Dominic College 0 - 1: 1
Best: Devlin, C. Hooker, Maple, H. Gunther, C. Salter, W. Kaden, J. Morgan

Hockey
Division 2
Friday 6 June
SVC defeated Hobart College 7 – 3
Goals: J. Brooks 5, A. Van Staden, G. Gill.
We finally got our season underway with a fantastic result against Hobart College. The boys peppered the goal mouth early, but just couldn’t quite get the ball into the net. Some more thought and structure in the circle led to some well created goals. The support from all players around the ground was excellent, however it is important not to rest on your laurels when in front. Positioning and width is important to maintain for the entire match. A solid first up effort.

Division 3
Thursday 29 May
SVC drew Friends 1 – 1
Goal: S. Schofield

Thursday 5 June
SVC defeated New Town 4 – 2
Goals: J. Brooks 3, S. Jackson

This week’s games:
Division 3 – SVC v Friends 2 THC1 4.15pm
Division 2 – SVC v Clarence THC3 5.00pm
SSATIS Cross Country

Congratulations to the SVC Cross Country Team, who regained the Junior Boys’ Shield in the close tussle with rivals The Hutchins School. Some outstanding performances included the U16 and U14 boys winning their respective age groups, along with some great individual performances.

Under 16

1st Biniyam Hagos
2nd Daniel Groom
4th Jed Morgan
7th Fraser Rose
8th Henry Pritchard

Under 15

5th Jack Braslin
9th Aiden Van Staden
11th Justin Harback

Under 13

6th Liam Watling
15th Jayden Gluski
17th Lucas Hills

Well done to all the boys that represented the College.

Grade 7&8 Water Polo

On Friday night the SVC Coutas played Hutchins Black. We got off to a good start with Lachlan Jenkins scoring three quick goals to get us going. Hutchins replied with one goal. With some quick goals by Angus Reilly and a good team effort and some good goalkeeping by Nelson Goram-Aitken at half time the score was 7-1. Jason Devine went into goals in the second half and did a good job, only letting two in and the rest of the boys started pinging shots from outside five and it paid off in the end with the final score being 15-3. Another good win by the boys.

By Joseph McMullen and Nelson Goram-Aitken
Austins Ferry Canteen
Mrs Carol Hilyer

The Winter Menu has commenced. The Menu is available on the website or students can obtain a copy at the Office or the Canteen.

ST VIRGIL’S COLLEGE PARENTS & FRIENDS ASSOCIATION

Mrs Susan Roberts,
President

Next Meeting – Wednesday June 18 at 7.30 pm at Austins Ferry.

Entertainment Book
The P&F will again be selling the popular Entertainment Book in Term 1. In 2014 the Entertainment Book will be available from the Front Office of both campuses. The cost of the book this year is $65, with $13 from each book sold going to the P&F. Please support the boys of St Virgil’s College when buying the book.

This year you are able to purchase the exciting new Entertainment™ Digital Membership, that brings the benefits of the Entertainment Book to your smartphone. No more ‘leaving your book at home’ or missing out on new additions to the guide. It’s all there in the palm of your hand.

Pre-order your book NOW and receive 6 Bonus Vouchers which can be used immediately.

Just choose the campus you would like to support and click on the link below which will take you straight in to the school’s booking page. It’s too easy.

Junior School Link

Senior School Link

For all enquiries please contact Jackie Geale - jackiegeale@bigpond.com
The Parents and Friends Association Need Your Help!

Donations of Goods and Services are Gratefully Requested!

To make this night a successful fundraiser that will benefit all boys at the Senior and Junior school, the Parents and Friends Association need your help! The P&F need donations of goods and services that can be used as part of the auctions on the night. Almost anything of value will make a great auction item! Some examples could include:

- Electrical goods still in their box!
- A weekend at your shack
- Hosting a dinner party
- Accommodation vouchers
- Tourism experiences
- New clothes items
- Hardware items
- Heating units
- Books
- Wine
- Trade services
- Dinner vouchers
- Sporting gear
- Hosting a fishing adventure
- Food gift baskets
- Car services
- Furniture
- Computer hardware

If you have any contacts at businesses that may be able to donate please do not hesitate to approach them – we can provide you with a donor letter. If you can assist with a donation, big or small please contact the Director of Development Mr Mark Waddington at mwaddington@stvirgils.tas.edu.au

Past experience highlights that this is a great fun night with bargains for all and a great fundraiser for our boys – please put the date in your diary and start rounding up your friends.

- 2014 Instrumental Music Programme Enrolment Form
- Holyoake - Support for Young People affected by Alcohol / Drugs
- YMCA Programmes
Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences.

These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.

Additional photos can be accessed at: Svcpics.phanfare.com
