It is important as a community to remember the importance of Mary in our Church and the sacrifices that she made to ensure that our church is strong today under the leadership of Jesus.

Feast of the Assumption
This Friday marks the Feast of the Assumption which is one of the remaining holy days of obligation. At both campuses we will take time out to acknowledge this feast and its importance to the church. At Patrick Street Mass will be held at 9am and I warmly welcome any parents to attend. At Aults Ferry as part of the major liturgical prayer of the day Mary will be the feature. It is important as a community to remember the importance of Mary in our church and the sacrifices that she made to ensure that our Church is strong today under the leadership of Jesus.
EREA Renewal
As part of our membership of Edmund Rice Education Australia (EREA), the College enjoys the support of our national group. This week we had four members of the group visit as we undertook the EREA Renewal process. This process looks at how St Virgil’s College is an authentic Catholic school in the Edmund Rice tradition. The panel comprising of Mr Chris Smith, EREA Director of Identity, Mr Paul Williams, EREA Regional Administrator, Mr Simon Dash, Principal of Rostrevor College, South Australia and Mr Tony Brennan from the TCEO met with numerous groups from our community exploring how we present an authentic expression of the Edmund Rice charism and the Catholicity which is at the heart of our mission. The panel will report back to the EREA Board and we will receive a report sometime in the future.

We sincerely thank EREA for their continued support and express our appreciation to all those who took the time to be involved in the interview process.

Catholic Education Week
Each year we take the opportunity to acknowledge Catholic Education Week celebrating all that is central to our Catholic faith and heritage. Catholic Education has made a significant contribution in this State and continues to be a leader within education circles. This year we commenced the week by being a part of Sunday Mass at the St John’s Parish in Glenorchy. Staff and students from many Catholic secondary schools in Southern Tasmania gathered to celebrate the start of the week.

Thank you to Fr Laurie Moate for his initiative in organising the event and to the staff and students who attended. Prayer services and other events have taken place this week. The College acknowledged the fine work of the Archbishop’s Samaritan Fund in supporting marginalised families in Hobart by making a donation to the fund on the community’s behalf.

Board
The Board of Management of St Virgil’s College met on Wednesday this week, including time spent with the EREA Renewal panel. The Board focussed on a range of items this month including the College’s policy framework, the new EREA Board Manual, the Archbishop’s pastoral plan and some recent recommendations made by the RTG group for consideration with regards to our ICT infrastructure. Regular reports including development, publicity and promotions, ICT, building, and policy were also presented.

House Athletics Carnival – August 29
As part of our annual College events schedule the House Athletics Carnival will be held at the Domain Athletic Centre on Friday August 29. Such College events provide great opportunities for the students from both campuses to come together and participate with amazing House spirit. More details of the day will come out from each campus, including travel details and equipment required. We look forward to another wonderful event and I know the boys are looking forward to it as they always do.

Grade 8/9 Subject Selection – August 26
Middle school students will have the opportunity to look at their offerings in line subjects for 2015 at our annual Grade 8/9 Subject Selection Evening in the Joyce Performance Centre at 7.30pm on August 26. I would encourage all parents and students to be part of this process so that the information provided can be shared enabling students to make some informed pathway choices as they move into the non-compulsory learning part of their education. For the Grade 8 boys particularly, this is the first opportunity they will have to have real choice in their educational programme. More information about the evening will be available in future editions of The Star.

Junior School Fair – September 14
It’s fair season! Our Junior School community will get the ball rolling holding their annual Fair on Sunday September 14 at 11am. The Fair provides a wonderful opportunity for all members of our community to come together and support our Patrick Street campus. The main focus of the Fair will be food and there promises to be a wide variety of choices available.
Much time and effort will also be put into entertainment from our students and there will also be plenty of fun and games for the younger members of our community. A highlight of the day is always the competitive nature of the chocolate wheel and I am assured that there are many wonderful prizes to be had.

A big thank you to all those in the organising committee and I encourage you all to be a part of the day in any way that you can whether it be attending, offering to run a stall or supplying a small prize for one of the stalls. If you think you can be of assistance, please contact Mark Waddington, Junior School P&F President on 62496518 or mwaddington@stvirgils.tas.edu.au

Upcoming Events:
As you can tell Term Three is proving to be a very busy one but we are not finished yet! Listed below are some of the upcoming events in the coming month and I would encourage you to attend any or all of the events if you are available. More details about each event are on a flyer later in this week’s edition of The Star.

- Football Lunch – August 22
- Old Virgilians Lunch – August 26
- Old Scholars, College Band Concert – September 5
- College Race Day – September 21

In the spirit of Blessed Edmund.

**Standards**

I am always delighted by the way in which the vast majority of our boys wear their uniform. Sometimes boys ask me why I see uniforms as being so important and my answer is in three parts: uniforms are a very tangible sign of identity and belonging; uniforms are a great equaliser in that social/financial status plays no part, and finally it is about standards. I have some concerns with a few boys of late who have lowered their standards with their uniform, in particular the Sports Uniform. I remind all boys that they should have white, not black or football socks with the Sports uniform and that the sports shoes should be predominantly white or if necessary blue. Fluoro colours, red or black clash with our uniform and should be avoided.

Standards and good habits are an integral part of secondary schooling and impact in many areas later in life. One area in particular that I have been concerned about lately with some boys is their lack of acceptance of the importance associated with submitting work on time and completed, particularly projects. Our process for this is simple: when boys do not submit work on time and do not have a legitimate reason parents are contacted via the diary and a new due date is negotiated. If the work is once again not submitted an Academic Detention is issued. These detentions are held on Wednesday afternoons at which the work must be completed.

**CAMPUS MINISTER**

**BR PETER FLINT**

I attended the Grade 10 reflection days last week and was quite impressed. With rare exception the boys took the experience seriously. This is reflected in the survey we are currently undertaking. It is also reflected in the photos I took. (svcpics.phanfare.com)

There are those in church communities who expect our young people to “be there.” Kath Engabretson in her study of Australian Catholic Teenage Boys says it well. “They are a work in progress.” So it is with our young men.

Two items I have read recently. You had better hide the first from your children.

**Video Games good for children in moderation reports study.**

**An article, with an American flavour, but still of value. 14 things the Church needs to do.**

http://sojo.net/blogs/2014/01/01/14-things-church-needs-do-2014

Have you read the Archbishop’s Pastoral Plan? I can email a copy if needed. It would be helpful for him to hear from parents thoughtful about how families operate in today’s world. He may not hear it otherwise. Only worth doing if you tell him how it is!

Always open to a conversation!

Feast of the Assumption
The Feast of the Assumption is celebrated on Friday August 15. All boys from the Junior School Campus will be attending Mass in the Cathedral as the Feast of the Assumption is a Holy Day of Obligation (there are only two of these in the Australian Catholic Church calendar). All parents and friends are warmly invited to join with us for Mass which will commence at 9:00am.

ICAS Maths Skills Assessment
This week, all boys from Grades 3 – 6 had the opportunity to sit the ICAS Maths Skills Assessment. The Junior School teaching staff decided to offer this opportunity to the boys for three years running to track the results/data from this assessment and to compare these results with the NAPLAN results that we will receive later in the year. We look forward to receiving all these results later on in the year.

Woodwork
A mountain of work has been completed by the boys in Grade 6 W to get their pieces ready for construction for their bird house. The boys have had to measure and cut accurately then busily sand their pieces to a quality finish. Construction, which will require careful gluing and hammering will commence next week.

Junior School Fair Update
Our next meeting will be held Tuesday August 19 in the Junior School Library. It would be great to see as many parents as possible as we continue to plan for this year’s Junior School Fair to be held on September 14. The meeting will commence at 7.00pm.

Calendar update
Parents and guardians are reminded to subscribe to the College's online calendar. The great advantage of this is that if there are necessary changes to dates these changes can be made immediately. Please check the calendar at:
http://www.stvirgils.tas.edu.au/calendar/

Significant, upcoming events are summarised below:

August
Feast of the Assumption Mass @ 9.00am August 15

Grade 5 M Excursion Marine Studies – Woodbridge August 18
Grade 5 O Excursion Marine Studies – Woodbridge August 19
Soup and Garlic Bread Day (details soon) August 20
Book Week activities August 21 & 22
Southern Maths Relay August 24
College House Athletics Carnival August 29
Tournament of the Minds Final August 30
Junior School Sport
I have been most fortunate to be able to watch a large number of the boys during recent weeks compete in a wide variety of sporting activities. The form of the competition has been quite varied also, HOWEVER, I have been very proud of the great sportsmanship and team work that I have been able to witness – something that makes me very proud of all the boys. Ultimately, we all like to win the game we are competing in but it has been very reassuring to be able to witness the tremendous spirit that the SVC Junior School boys have put on display. Keep up the great effort and work boys.

Mr Pinelli

National Hockey Championships
Last Friday, all Grade 5 boys travelled to the Hockey Centre to cheer on classmate Thomas Rasmussen as he competed in the Under 12 National Hockey Championships playing against Victoria. It was a real buzz for all to see Thomas play with such skill and talent. Unfortunately, Tasmania was defeated in the game. Congratulations Thomas.

Water Polo
The team finished a competitive season with a hard fought 8-10 loss to Eastern Shore. The result typified our season with all players showing great teamwork, determination and skill. Well done to the following boys who represented the College with distinction this term:

Harry Fisher, Liam O'Donnell, Max Newitt, Max Guiliani, Joshua Wylie, Joshua Harvey, Joel Watling, Sebastian Brown, Laughlan Freeman, Riley Ringrose, Tadhg Waddington, Jordan Baker, Ronan Legett, Liam Doyle and Cameron Monks.

Basketball
Grade 5/6
SVC Green 16 lost to SVC Blue 42
The ‘Green Team’ showed considerable improvement this week playing some great team basketball against a very polished Blue team led excellently by Sam Collins. Declan Cooke, Harry Fisher, Cameron Monks, Baker Smith, Luke Kreune and Tadhg Waddington all battled hard, bringing others into the game with good passing. The team will continue to improve and scoreboard success will come in time.

Player of the Week: Baker Smith for tenacious defence.

Football v Hutchins
Mark Kreune, Coach
In a sensational display of hard running committed team football St Virgil's broke an 11 year drought in recording a super impressive 34 point win over arch rivals Hutchins in front of a large crowd of parents and friends (even the Premier Will Hodgman was in attendance) at Queenborough last Friday.

The boys armed with game plan 'Operation Spread', hit the ground running and scored the first two goals of the game, and by half time had opened up a 16 point lead. After the long break the St Virgil's boys really applied the blow torch in the 3rd quarter and kicked three goals to nil to sap Hutchins' spirit. The team went on in the last quarter to score an inspirational and emotional win, 7 – 4 = 46 to 2 – 0 = 12

The boys did themselves and the College proud by the way they conducted themselves. The school song was sung with much pride and gusto in the rooms after the game. A fantastic afternoon was had by all. Thanks to Mr Chris Waugh for his fine umpiring performance and Mr Pinelli for his extensive social media coverage!

Soccer
Under 9 Blue
July 26
SVC Blue 10 defeated South Hobart Primary 10
The whole team played well.

Player of the Week: Fletcher Marron for a great all round game.
August 9

SVC Blue 6 defeated Mount Nelson Force 1
A great game by the boys. They all played well and hard. **Player of the Week:** Ayrton Cooke for great attacking play.

**Water Polo**
Last Friday night, August 8 the St Virgil’s Sharks played New Town HS. It was a hard game to start with but some great saves by the Jim Drew as well as a great shot from Jim in goals in the last 3 seconds put us in front by 7 at the half time break.

With some great passing by all the boys and some great goalie skills by Fletcher only letting one goal through we managed a solid 12 goal win. Well done to all the boys! Please remember to wear College sports uniform and bathers this Friday.

**Grade 8&9 Subject Selection Evening**
The Subject Selection Evening for Grade 8 and 9’s will be held on **Tuesday August 26**, beginning at 7.30pm in the Joyce Performance Centre. This evening is a chance for current Grade 8 and 9s to begin the process of selecting their elective subjects for 2015.

The information session in the JPC will be followed by a Subject Exhibition in the Edmund Rice Hall, where parents and students can discuss possible subject choices with the teachers.

**Homework Club**
**Ms Claire Graham**
All students are invited to attend ‘Homework Club’ each Wednesday after school. A number of teachers will be present to provide assistance in a range of learning areas. Homework Club runs from 3.15 pm to 4.15 pm and students will be provided with a Milo and snack prior to the session commencing.

Gumnuts to Buttons with *palawa*

On Wednesday August 6 the Aboriginal Reconciliation Group went on an excursion with Sharnie Everette and Dayne Langford from the *palawa* Corporation.

The day had two parts to it. Firstly, we went to *palawa* Corp’s North Hobart office to participate in a ‘Gumnuts to Buttons’ workshop. ‘Gumnuts to Buttons’ is an experiential history lesson that uses a huge map of Tasmania in conjunction with images, objects and drawings to retell the story of Tasmania’s 40,000 year old history from the perspective of the Tasmanian Aboriginal peoples. Sharnie and Dayne worked together to recreate the experiences of the first peoples of Tasmania and our students had the opportunity to be active participants with them making these historical events feel very real and meaningful.

We then travelled to Risdon Cove for a tour of the site, again from an Aboriginal perspective. The boys were able to experience many of the stories told in the morning’s session through this landscape where some of those events had occurred. They also learnt how Tasmanian Aboriginal culture and traditions continue through to the present day.

RSPCA Cupcake Day August 18 – Miss Imogen Gray

Grade 8E students have been studying a unit on slam and protest poetry. As part of this unit some classes have focused particularly on animal cruelty and students have written poems in protest of this issue. RSPCA Cupcake Day is being held this year on August 18 and 8E will be selling cupcakes for $2 each at recess time to support the fight against animal cruelty. Their poems will also be on display around the school. We encourage all students to get involved through buying a cupcake or learning about animal cruelty through reading the poems of our Grade 8s.

The power of the cupcake:

2 cupcakes* = an enrichment toy to keep a dog happy and engaged
5 cupcakes = litter tray for a kitten or cat to toilet train them
15 cupcakes = vaccinates a puppy against the deadly parvo virus
50 cupcakes = desexes cat or dog so it can be rehomed with a forever family
150 cupcakes = subsidies the costs of prosecuting a cruelty offender

*1 cupcake = $2 donation

Dog Fighting –Angus Rogers

I hate being with this other dog who always bites me
Day by day I get hurt, my owners egg us on
My life gets shorter every time this big dog bites me
I am weaker because I never get any tasty food
I would love my life to be a lot better,
Instead of getting bitten time after time
My stupid owners laugh and treat me like rubbish
So to all those people who encourage us to fight
STOP ANIMAL CRUELTY!

Animal Testing – Joe Colrain

I looked into its eyes, to try and see how it was feeling
To see what mood it was in
But it’s eyes were dead
There was nothing
But then more I look the more I can see something
Sadness and defeat
He longs for his trees
And all the space between
But he only has the cold steel bars of his tiny cage
He aches for his family but sits alone
Fit4Life News:

As we gear up for the warmer months, it is vitally important to continually focus on our health and fitness. One of the greatest ways to keep active and have fun at the same time is to join a fitness group or play a social sport. Below is an excellent event to mould those two concepts together. From personal experience, a mud run is one of the most enjoyable fitness activities you could do. I will be participating and hopefully we get some teams together from the school.

It is great to see the effort of some students and parents with the Fit4Life program. If you are interested in these sessions email:

Grade 10 – GYC Subject Selections
Boys are now required to complete their preliminary subject selection form by Friday August 22, which can be returned to the office at St Virgil’s. Next week staff from GYC will visit the College to allow for any follow questions or provide more personalised course counselling to assist with subject selection.

Grade 7 and 8 Mt Carmel Social
This Friday all Grade 7 and 8 boys have been invited to attend a social hosted by Mount Carmel College. Boys must return the permission form to the College by tomorrow and receive a ticket. No boy will be admitted on the night without a ticket.

Time: 7:00pm (no admittance after 7:30pm) to 9:00pm
All students should be dropped off and picked up as close as possible to the start and finish times. Students will not be allowed to walk home from the event and will only be allowed to leave with a parent/guardian or another student’s parent/guardian.

Entry costs: $5.00 and is payable at the door.
St Virgil’s staff will be present on the evening to assist with supervision and ensure all boys represent the College to the highest standard.

SPORT

St Virgil’s Pacers returning to the beach for team change over at the State Titles 2013.

Preparations for the Sailing Season 2014-15 have commenced.

A meeting was held at the College this week in preparation for the upcoming sailing season. Some key outcomes were:

1. We will get back on the water at AFYC on weekends as soon as practicable.
2. We will probably not take part in the Team Racing at Nutgrove in Term 4. Two reasons: Our key helms are busy with Cadet National Titles and Nutgrove does not offer training instruction opportunities.
3. Preparing for State and National Titles in Term 1, 2015 will have a high priority. It was determined to have a B Team in the State Titles.

4. We will have Team Racing Training on Friday nights after school at AYFC and we need to locate a coach – all suggestions/offers most welcome!

5. We will have one or more weekend sailing sessions, with the pacers, at other locations to familiarise the boys with different conditions to those at AFYC. These will not be overnight. The Show Day weekend seems to offer potential, as does the second week of the holidays.

6. We need parents who could take charge on the Friday nights so that Br Peter can reduce his involvement. This would be a management position - probably rostered. Includes on water presence but not coaching.

For all enquiries please contact Br Peter at pflint@stvirgils.tas.edu.au or 0439738327.

Water Polo

Last Friday night the SVC Coutas faced off against Taroona HS. It was a great end to the roster with the Coutas winning 21 - 1. From the first whistle you could see it was going to be a dominating game for the Coutas and they kept the pressure up for both halves with it being 9-0 at half time. Main Goal scorers were Nelson with 6 and Joseph 7. It was a great game by all the SVC boys and good luck for the upcoming finals.

By Joseph McMullen

Grade 9/10

Miss Imogen Gray

The 9/10 boys played an intense game of water polo on Friday night facing MacKillop in their final game of the season. The team played one of their best games yet, proving that although they were not as experienced as their opponents, they had the determination and team spirit to not go down without a fight. Josh Rice scored an impressive goal, coming out of the defensive goal area to score from half way. The team consisting of Josh Rice, Jack Fairhurst, Connor Gilley, Toby LeFevre, Brayden Seabourne, Will Laycock, Declan Waddington and Jake Reilly would like to thank Angus Denholm for coaching them this season. Thank you to all the parents for their assistance with scoring.

Grade 9 Soccer

SVC 2 defeated Friends 1.

Goals: D Stalker, S Roach.

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences. These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
