FROM THE PRINCIPAL

MR DAMIAN MESSER

“I pray Alec and Thomas will provide leadership to all boys in keeping with the Catholic mission of our school and the example of Blessed Edmund Rice”.

2015 College Captain and Vice-Captain
At the completion of the voting process I am pleased to announce the 2015 College Captain is Alec Hastie, who will be supported by College Vice-Captain Thomas Maksimovic. It was pleasing to see the excitement of all Grade 9s when the leaders were announced and I pray Alec and Thomas will provide leadership to all boys in keeping with the Catholic mission of our school and the example of Blessed Edmund Rice. I congratulate both boys and look forward to working with them.
Board
The Board of Management met on Tuesday of this week and the key points of discussion were centred on setting of the fees for 2015 and finalising and approving the 2015 budget. The Board has a number of sub-committees including Finance, Building, Information and Computing Technology, Workplace Health and Safety, Publicity and Promotions and Policy committees. I am keen to hear from anybody who would be interested in joining any of these committees. Please call me at the College on 62496519 or email dmesser@stvirgils.tas.edu.au

2014 Gala Concert
Tickets for the Gala Concert on Friday November 7 are now on sale. This spectacular event will be held at the Nagle Centre at St Mary’s College. Please note that the seating capacity of the venue is limited so to ensure you do not miss out, please purchase your tickets early from http://www.easybookings.com.au/event/2014-gala-concert

CASPA and AHISA
Last Friday I joined with other Tasmanian Principals for meetings in Hobart of the Catholic Secondary Principals of Australia and the Association of Heads of Independent Schools of Australia. The major topic of discussion was the review of the Education Act. This Act was last reviewed in detail in 1990. Each of the groups will put forward a submission to Mr Rockcliff, Minister of Education. If you are interested in reading the Act, more information can be found on the Government website www.tas.gov.au

Junior School Basketball Tournament
The JSSATIS Basketball season has come to an end and I thank all boys for their willingness to compete for their respective teams. Thank you also to the coaches, managers and parents for their commitment. Of special note are the boys from the Senior Campus who have given up their time to assist with the umpiring.

On the weekend a number of our teams competed in the Southern Schools Championships and our Grade 6 team was successful in a nail biting match against Sacred Heart School, holding on to win 35-34! The St Virgil’s boys have now earned themselves a place in the State Finals in Devonport later in the year. Once again, well done to all involved.

SATIS Athletics Carnival
Congratulations to all our students on their excellent performance at the Athletics Carnival at the Domain Athletics Centre on the weekend. Records were broken, great sportsmanship was shown by all and the manner in which our students conducted themselves was a source of pride for the College. One of the major highlights for the day was our Athletics Captain Jake Hale breaking the Tasmanian and Australian Men’s Under 18 100 metres record with a time of 10.42 seconds – a .02 improvement on his amazing record run of 10.44 seconds.

I thank everyone who involved themselves in any way – students, staff, parents and community members for their support.

The Athletics season continues this week with the Secondary students competing in the knock out competition and many of our students, both primary and secondary will head to Penguin this weekend to compete in the Tasmanian All Schools Championships. We wish them all the very best.

House Beach Bonanza Day (HBBD)
Today the Austins Ferry students participated in the HBBD at Seven Mile Beach. This event was one of the final opportunities for students to gain vital house points for the House Cup. The day incorporated a number of team challenges on the beach and in the water and all students are to be commended for their behaviour and participation on the day.
Blessing of the Boats
On Sunday morning the annual Blessing of the Boats ceremony was held where three new boats were blessed. I was particularly honoured to have one of the boats blessed in my name – the citation from the club reading “To Damian Messer for long term involvement and support for the rowing programme”.

The rowers in our College are very fortunate to have access to this new equipment and we look forward to seeing all the new boats on the water over the coming months.

GRADE 7 2015 Orientation Day
On November 1 the Grade 7 2015 students will be attending the Orientation Day at Austins Ferry. The morning commences at 9am and will conclude at 12 noon. I look forward to welcoming new families to the day and also the opportunity to catch up with current Grade 6 boys and their parents.

Upcoming Events – Term Four
- Wednesday October 22: House Beach Bonanza Day
- Thursday October 23: Hobart Show Holiday
- Friday October 24: Staff and Student Free Day
- Saturday November 1: Grade 7 2015 Orientation Day
- Friday November 7: Gala Concert
- Monday November 10: Austins Ferry Fair
- November 19 – 24: Grade 10 Exams
- Tuesday November 25: OVA/Grade 10 Mass
- Tuesday November 25: Grade 10 Dinner
- Wednesday November 26: Grade 10 Final Day
- Thursday November 27: Thanksgiving & Awards Ceremony

In the spirit of Blessed Edmund.

Damian Messer
DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“Connection with natural pastimes builds character, self-esteem and taps into the hunter-gatherer instinct still present in males”.

Today as we enjoy the sunshine and the excitement of House Beach Bonanza Day, it is timely to reflect on the benefits of utilising God’s ‘outdoor classroom’ as a medium for learning – both in and outside of school hours. The following article from renowned boys’ educator Dr Ian Lillico educators and parents of the inherent benefits from spending time together in the great outdoors!

Latest Insight into Boys: "Rock Climbing, Boys and Nature"

I have spoken on many occasions about the need for boys (and girls) to connect with nature, be active and move. Connection with natural pastimes builds character, self-esteem and taps into the hunter-gatherer instinct still present in males.

My recommendation number 2 talks of the need to move with males if we are to find out what is really going on in their lives and bond with them. Rock climbing is becoming increasingly popular and used to assist communication between boys and their friends, fathers and sons etc, but it also has many more advantages...

“Rock climbing is becoming increasingly used in schools, at school camps and by individuals and families to improve physical strength, social interaction and mental health.

Physical Benefits

- Weight loss
- Improves endurance and core muscles

Touchstones of the EREA Charter

Liberating Education
We open hearts and minds, through quality teaching and learning experiences, so that through critical reflection and engagement each person is hope-filled and free to build a better world for all.

Gospel Spirituality
We invite all people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality within our community.

Inclusive Community
Our community is accepting and welcoming, fostering right relationships and committed to the common good.

Justice and Solidarity
We are committed to justice and peace for all, grounded in a spirituality of action and reflection that calls us to stand in solidarity with those who are marginalised and the Earth itself.
A low impact aerobic workout
Assists the cardiovascular system
Strengthening of hands and fingers
Strengthening of forearms and upper arms
Strengthening of shoulders, neck and upper back

Rock climbing complements and boosts performance in other sports too. Climbing assists by further developing the primary muscles needed for the sport, as well as the secondary muscles which benefit it, but which are not adequately developed in the practice of the sport.

Examples

AFL, Rugby and Soccer - Hand strength for grip on the ball.

Racquet or bat sports like Tennis, Squash or Cricket - Hand strength for holding onto the bat, arms for a mean smash and agility.

Running, cycling and Swimming - Builds the upper body and improves flexibility.

Mental Benefits

- Improved decision making
- Helps in problem solving and visualization
- Assists with goal setting and planning
- Aids concentration
- Improves determination and self confidence
- Aids in stress relief
- Increases spatial awareness

Social Benefits

- Belonging to a community of climbers
- Opportunities for networking and friendships
- Improved communication, trust and listening skills
- Improved leadership skills
- It is healthy and builds character

Rock climbing can also be an excellent activity for children and adults with physical or mental disabilities. It has been shown to increase spatial perception, hand-eye coordination and balance. It also teaches communication, problem solving and planning for children and adults who need to overcome gross and fine motor difficulties.
I believe that fathers and sons, mothers and daughters, teachers and students, employers and employees, work colleagues and (particularly) families, can reap real benefit from doing such activities together. They have a medium for talking incidentally about the world, local and family issues and growing closer together as a result.

COLLEGE PSYCHOLOGIST

MRS ALI MORSE

Anglicare’s 1,2, 3 Magic Course and Engaging Adolescents Course

It is very exciting to be able to offer two courses run by Anglicare to our St Virgil’s parents and staff. Parenting is one of the most important roles we will ever undertake and at times it can be challenging. These courses can help us to remove the trial and error of parenting and assist us in successfully raising children with whom we can enjoy happy and respectful relationships.

You might consider the following questions:

• Would you like to be able to manage your child’s behaviour without arguing and/or yelling?
• Would you like to learn how to use ‘emotion coaching’ to encourage positive behaviour in your child?
• Would you like to effectively manage challenging behaviours?
• Would you like to hear what are reasonable expectations to hold about your adolescent?
• Would you like to build a better relationship with your adolescent?
• Would you like to learn skills to help you tackle tough conversations with your adolescent?

If you answered ‘yes’ to any of the above questions, this course may be something you would be interested in attending.

We think that this information will be invaluable to the parents in our community. St Virgil’s College is offering workshops for parents of primary and secondary aged students free of charge.

Course Details

**Course 1: Engaging Adolescents**
Parenting skills for resolving teenage behaviour problems!
A three-session program for parents and carers at St Virgil’s College ‘Joyce Performing Centre’
6.30 – 8.30 pm on Wednesdays 15 & 29 October, and 5 November

**Course 2: 1, 2, 3 Magic Course - For Parents of Young Children**
Learn to manage difficult behaviour in children 2–12 years old.
A three-session program for parents and carers at St Virgil’s College Junior School.
6.30 — 8.30pm on Thursdays
30 October, 6 and 13 November

If you would like to register your commitment to attending either, or both of these programmes please access the course information flyers at [http://www.stvirgils.tas.edu.au/news-publications/](http://www.stvirgils.tas.edu.au/news-publications/)

I am looking forward to learning some new strategies. Hope to see you there!
JUNIOR SCHOOL
MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL

“Because I cannot do everything, I will not refuse to do the something that I can do.”
Edward Everett Hale

Uniform
It has been very pleasing to see almost every boy remember that during Term 4 all Junior School Campus boys are to wear their bucket hats at recess and lunch times. They are in plentiful supply in the Clothing Pool if families need a spare.

Grade 4 Camp
The Grade 4 boys have certainly been enjoying their time on Camp. We look forward to sharing more details of their adventures in next week’s edition of the Star. I am sure the boys along with Mr Birthisel will enjoy the weekend ahead.

School Safety
With the return to school for Term 4 it has been concerning to staff to see some parents and grandparents parking in the Cathedral grounds for school pickup or blocking the actual driveway as they are double parking. Please do not use the drive way for backing out as boys and girls are often walking along the footpath. U-turns in Patrick St are also not permitted. These rules are in place to ensure student safety and your cooperation as ever is greatly appreciated.

Basketball
Last weekend we had two teams entered in each of the Grade 3/4 and Grade 5/6 Southern Tasmanian Primary Schools Basketball Tournament which was held at Clarence Basketball stadium and the Moonah Basketball stadium. A special thankyou to our coaches and managers for their efforts over the weekend.

Congratulations to our Grade 6 Division 1 team who went through the round robin phase undefeated and then went on to win the Grand Final by one point. Well done boys! The boys have now qualified for the next level in Burnie later this term.
**Tasmanian Symphony Orchestra Performance**

Last Thursday, the boys travelled into town for the performance of Little Red Riding Hood. The performance was excellent with most boys sharing very positive reviews of it.

**TMAG Excursion**

Last Friday six Junior School students joined a group of the Senior School students at TMAG. The boys participated in the ‘Unbroken String’ programme which explores the history of the Tasmanian Aboriginal culture from its inception to current day. One of the Grade 5 boys proudly features in one of the TMAG exhibitions. The standard of behaviour from all of the students was excellent, and the tour guides commented on the quality of questions and high level of engagement of the boys. The Junior School boys in particular were rewarded with an ice-cream at Muirs!

**Calendar Update**

Parents and guardians are reminded to subscribe to the College's online calendar. The great advantage of this is that if there are necessary changes to dates these changes can be made immediately. Please check the calendar at: [http://www.stvirgils.tas.edu.au/calendar/](http://www.stvirgils.tas.edu.au/calendar/)

**Significant, Upcoming Events are Summarised Below:**

**October**

- Hobart Show Day
- Pupil Free Day

**November**

- All Saints Day
- Grade 7 Orientation Day at SVC
- All Souls Day
- JSSATIS Athletics Carnival
- Assembly led by Grade 4
- SVC Gala Concert at Nagle Centre

**Junior School Sport Photos**

All the Junior Sports photos are now available for purchase online with the following shoot key **AUCEJXPA** for $10 each until November 10.

The website to log on is: [www.orders.kkphotos.com.au](http://www.orders.kkphotos.com.au)

**Canteen**

- Wednesday October 29  
  K O’Donnell / M Lipscombe
- Thursday October 30  
  M Careless / M Gerathy
- Friday October 31  
  S Ashby / A Excell

Any changes or concerns please contact Mrs Olga Leon – [oleon@stvirgils.tas.edu.au](mailto:oleon@stvirgils.tas.edu.au)
UNICEF: Rights of the Child Student Conference
On Thursday October 16 and Friday October 17 St Virgil's College held a youth advocacy conference commemorating the 25th Anniversary of the Rights of the Child. A variety of schools from around Southern Tasmania were invited to attend and over the two days students from Sacred Heart College, New Town High School, Ogilvie High School, The Friends' School, St Michael's Collegiate, St James Catholic College, Mount Carmel College and Taroona High School all participated in workshops with UNICEF Australia’s Young Ambassadors, Mia Cox, Jay Gajera and Hiba Abd El Hamed.

Thirty St Virgil's students participated over the two days. We were represented by our Reconciliation group on Thursday and some outstanding Grade 9s on Friday.

The day began with a presentation about The Rights of the Child and the work that UNICEF does to help protect these rights. After a very social recess break we broke into smaller groups and the Young Ambassadors listened to and recorded the students’ opinions and concerns about the world they live in. This information will then be collated into a report which will be presented to the Committee on the Rights of the Child in November 2014 and will update the Committee on how Australian children think their rights are being realised, in their own words.

After a lively lunch break we came together again to hear from each school about the advocacy and fundraising work they have been doing and what plans we could make for a campaign on The Rights of the Child. St Virgil's plans to raise some money to buy some musical instruments and sporting equipment to help our friends at the Mary Rice Centre enjoy Article 31 The Right to Play. If you would like to know more about UNICEF or the UN Convention of the Rights of the Child, or even about applying to represent Tasmania as a Youth Ambassador next year, head to http://www.unicef.org.au/

Below you will read some comments made by students discussing their experiences. A huge thank you to Mrs Bridget Jenkins for all her hard work in bringing the day together.
Peter Venetsanakos
UNICEF stands for United Nations international children's emergency fund. They work to provide a better way of life for disadvantaged children. The children can be disadvantaged due to war, domestic violence and natural disasters. UNICEF works to create equality, making sure children have all their rights and are working towards making their life better. On October 16 and 17 the young ambassadors from UNICEF came to St Virgil's. They talked to a group of students from different schools about the rights of a child; they also came to collect information on how teenagers think about the rights of children. They collected our views on how we saw our type of lifestyle and our views on other types of social issues. All of the collected information is going to the UN for review on the life of children. Overall, the day was a great success and all the boys had a good time. I'm sure if we got the chance we would do it again as it was a great learning experience. The experience has broadened the views of all the boys that attended, on behalf of the boys I want to thank Mr Lapolla, Mrs Jenkins and UNICEF for coming down here and organising the two days.
Thomas Maksimovic
The day started off with an introduction about UNICEF and what they are all about. We learnt how UNICEF are able to help disadvantaged children around the world. After this information was given to us, the boys had a much better understanding of UNICEF and the amazing job they do around the world for the less fortunate. After a short break, we broke into three groups with a mixture of all schools; Taroona, Collegiate, Mount Carmel, St Virgil's and St James. In our groups, we had a quick 'get to know you' game. We were then given a series of questions to answer which were recorded and will be sent to UNICEF so they can get a better understanding on the views in which Tasmania teenagers have. These opinions will be used to improve Tasmania and the rights of children. In our third and final session, we had a short presentation from each school about community service and how they contributed. We then broke up into school groups to gather ideas on how we could continue and do more to help the disadvantaged. This experience was a great one and was enjoyed by all the boys who participated. I am sure all the boys will now have a greater understanding of what UNICEF is and the great work they do all around the world.

DIRECTOR OF TRANSITION
MR CAMERON ALEXANDER

NAP-ICT
On Tuesday 20 Grade 10 boys completed two hours of testing as part of the National Assessment Program - Information Communication and Technology (NAP-ICT). The NAP monitors a student’s achievements in literacy and numeracy (through the annual NAPLAN tests), and in science literacy, civics and citizenship and ICT literacy through sample assessments which are undertaken in three-yearly cycles.

The NAP – ICT Literacy assessment was previously held in 2005, 2008 and 2011. This assessment looks at ICT literacy as an essential skill across all learning areas and emphasises the value of students becoming ICT-literate, global citizens. The boys who undertook the test were randomly selected, and whilst it may not be the draw that many students would wish to win, all boys undertook the test in good spirits and are to be commended for their efforts.

PAT Testing
Parents of Grade 7-9 students may have heard their sons talking of undertaking PAT testing this week. PAT stands for Progressive Achievement Tests, and are used by thousands of schools across Australia. This means that students’ results are referenced against the normative results of all students in a similar age range. The boys are completing four tests: Maths, Reading Spelling; Reading Comprehension; and Reading Vocabulary.

The tests are being completed online for the first time, which has presented some issues; however, we now appear to be over these. The benefit of completing the tests online is the ability to receive immediate reports on students’ progress, and in a form that will be more accessible for all teachers to use to inform their teaching in tracking the progress of all boys. Teachers will be completing some Professional Learning in how to access, and interpret these results to ensure they inform our practice, to gain greater learning outcomes for the boys.
DIRECTOR OF MUSIC

MR JEREMY WILLIAMSON

Gala Concert 2014 – Music Ensembles and Drama Performers

The annual Gala Concert will be held on Friday evening, 7:00pm November 7 at the Nagle Centre, St Mary’s College, Hobart. Tickets are now available for purchase through the senior or junior school offices or through the online booking website www.easybookings.com.au/event/st-virgils-college-gala-concert

The following groups are performing for the concert; as such, families should ensure students are available for the daytime rehearsal on Friday November 7 and the concert that evening.

Senior Band, Senior Choir, Saxophone Ensemble, Percussion Ensemble, Guitar Ensemble, Big Band, Grade 7 Band, Rock Band, Junior Choir, Junior Vocal Ensemble, Grade 6 Band  Grade 5 Band.

More information about rehearsal days will be forthcoming. If there are any queries about the Gala Concert, please contact Mr Williamson at the College on 6249 6555 or via email jwilliamson@stvirgils.tas.edu.au

SPORT

Athletics

The College Athletics team won the SATIS Junior Shield with an inspiring win at the Domain Athletics Centre last Saturday. The team led by the unstoppable Jack Hale posted consistent results across all events to run out winners by 49.9 points.

Tuesday 8.30 to 9.30 am Thursday 2.00 to 3.30 pm

ONLINE ORDERS
All on line orders can be collected from recess on Tuesday or Thursday at the Uniform Shop or by arrangement from the Front Office.

Lost: Mitchell Riley has lost his blazer at school. The blazer is a size 18 or 19 and has the name Hayden Riley. If found please return to the Front Office.
ST VIRGIL’S COLLEGE PARENTS & FRIENDS ASSOCIATION

Mrs Susan Roberts,
President

2014 Twilight Fair
Monday November 10, Austins Ferry, 5pm

A very big thank you to all parents who offered their assistance manning or coordinating stalls, and/or donating goods and prizes for the 2014 FAIR – the response has been fantastic!

All donated goods and prizes can be left at the School Office up until Friday November 7 - clearly marked or labeled “Fair 2014 donation”.

SENIOR SCHOOL MAJOR RAFFLE

ALL FAMILIES WILL RECEIVE RAFFLE BOOKS DURING THE LAST WEEK OF THIS TERM SO PLEASE KEEP ASKING YOUR SONS IF THEY HAVE THEM IN THEIR BAG SO THAT THEY CAN START SELLING THEM!

This year’s major raffle prize is a 6x4 Trailer and Groceries!!

This is a fantastic prize which I am sure all families could put to good use.

If you would like more raffle books to sell – please contact the Senior School Office.

Boys who return to the Office a fully sold Raffle Book by October 29 will go into a draw to win one of four $50 iTune cards.

SPECIAL DAYS AND DATES TO REMEMBER

There are two remaining Free Dress Fair donation days for all Senior School students;

2nd FREE DRESS DAY for Grocery Items Donations

Wednesday October 29

As in past years, each grade is being asked to bring certain grocery items to help fill the trailer for the school raffle on each of the Free Dress Days.

Grade 7: RICE/NOODLE/PASTA/TINNED FOOD: Pasta, Rice, Pasta sauce, Olive oil, Cooking oil, Cooking sprays, Instant noodles, Rice o riso, Tomato paste, Coconut milk, Pappadums, Chicken Tonight, 2 minute noodles, noodle cups, macaroni cheese, stir fry sauces, curry paste, curry simmer sauces, tins of soup, fruit, vegetables, condensed milk etc

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences.

These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.

Additional photos can be accessed at: Svcpics.phanfare.com
