MR DAMIAN MESSER

2014 Gala Concert
One of the major highlights of our calendar is the annual Gala concert. This year over 200 boys will participate in this Arts evening. The night is always a wonderful showcase and culmination of a lot of hard work from all in the Arts Department.

This year’s event will be held at the Nagle Centre at St Mary’s College next Friday night at 7pm. Tickets are selling fast and I would encourage all parents and friends

Price are as per 2013 - adults $15, children $10 and family of 2 adults and 2 children, $40.

I look forward to seeing many of you at this wonderful event.

**Holiday Break**
I hope last weekend all families had the opportunity to have some time together on our four day weekend. Although it was a break from school there were still many of our boys out and about playing sport or volunteering at the Royal Hobart Show. I thank all boys who were prepared to give up some of their break time to support others in our community.

**Orientation Day**
This Saturday marks the beginning of the orientation process for our Grade 7 students for 2015. The boys, with their parents, will attend the College to begin their transition to the Austins Ferry campus. This is a significant day as for many of the parents it is their first experience on the senior site as part of our community. I look forward to welcoming all our new students and enjoying a great morning together.

**Board**
The Board has a number of sub-committees including Finance, Building, Information and Computing Technology, Workplace Health and Safety, Publicity and Promotions and Policy committees. I am keen to hear from anybody who would be interested in joining any of these committees. Please call me at the College on 62496519 or email d messing@stvirgils.tas.edu.au

**Secondary School Basketball Tournament**
On the weekend a number of our teams competed in the Southern Schools Championships and all participated in an exemplary manner. Our 1st Division Teams in the Grade 7&8 and Grade 9&10 competitions recorded impressive victories and will now progress to the State Finals. Well done to all involved. It was pleasing to be contacted by a volunteer coach Danny McCarthy to compliment our Grade 7&8 Division 2 team on their sportsmanship and endeavour. Well done boys!

**House Beach Bonanza Day (HBBD)**
Last Wednesday Austins Ferry students participated in the HBBD at Seven Mile Beach. Held in spectacular sunshine the event was one of the final opportunities for students to gain vital house points for the House Cup. Congratulations to the winning House – Doyle. The day incorporated a number of team challenges on the beach and in the water and all students are to be commended for their behaviour and participation on the day. Thank you to Mr Dalton, Heads of House, the Outdoor Ed and PE staff for their leadership in organising the day.

**Upcoming Events – Term Four**
- Saturday November 1: Grade 7 2015 Orientation Day
- Friday November 7: Gala Concert
- Monday November 10: Austins Ferry Fair
- November 19 – 24: Grade 10 Exams
- Tuesday November 25: OVA/Grade 10 Mass
- Tuesday November 25: Grade 10 Dinner
- Wednesday November 26: Grade 10 Final Day
- Thursday November 27: Thanksgiving & Awards Ceremony

In the spirit of Blessed Edmund.

DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“The crucial end of year exams are not too far away and I would think that every moment of in-class time is now critical”.

Grade 10 Study Habits
I am a little concerned with the approach to study of some of our Grade 10 boys at the moment. The crucial end of year exams are not too far away and I would think that every moment of in-class time is now critical. Boys cannot afford to ease off at the moment and there appears to be some who have this mind set. Over the coming week House Heads will be sending a short notice home for any boy who we feel is not working at an appropriate level and I would ask for parental support with this. Please feel free to contact the relevant teacher and/or House Head if you have any queries.

Below are some hints that I have shared previously that are aimed at supporting good study habits that are worth discussing with your son.
1. Study in silence.
2. Organise and transform the information you want to learn. Just reading your notes over and over again doesn’t really work.
3. Put off pleasurable activities until work is done (work first, play later).
4. Talk yourself through the steps involved. One of the things that highly successful students do is to explain out loud to themselves the steps involved in completing a task.
5. Ask for help. Teachers want their students to be interested and to do well.
6. Take notes. Just writing down the ideas that you have makes a powerful contribution to your marks.
7. Write and re-write key points.
8. Make lists and set priorities. Make a “to-do” list each week.
9. Prepare for class.
10. Use memory aides. These are tools that help you to remember information. For example, “Every Good Boy Deserves Fruit” help people remember that EGBDF are the lines of the music staff.
11. Set study times. This last method is to decide when you are most alert and to set aside some time at that time of day to study. If you wait until you are in the right mood before beginning to study, you may wait forever!
School and Community
My thanks to all of those families for contributing to the free dress grocery day in support of the Fair. I would particularly like to acknowledge the work of the P&F in the planning and organisation of this event. As a College we are very fortunate to have such supportive and committed parents who enter into a partnership with us. There is no doubt that when there is a strong school and community partnership the outcomes for students are enhanced.

Next Wednesday November 5, the third free dress day in support of the Fair will be conducted. On behalf of the P&F I would request the following donations as “payment” for wearing free dress:
- Bottled Water
- Lucky Box Contents, for example:
  o Sealed bags of lollies or chocolates
  o Hair accessories (the boys assure me these are not for me!)
  o Toy cars
  o Small toys suitable for boys and girls

College Fair - Monday November 10.
This is an annual event conducted by the Parents and Friends Association and is a major community event and fundraiser for the College. It is an expectation that all boys will be in attendance at this important function. As we have said on a number of occasions, when boys enrol at St Virgil’s they commit to the whole package – they cannot be selective (including House Beach Bonanza Day). It is this ‘other dimension’ that defines schools such as ours.

I would encourage all to show their appreciation for the work of the Parents and Friends by attending the Fair. The following details need to be noted:
- Classes will conclude at 12.30pm on the day of the Fair and the normal bus routes will then be conducted.
- Sports Uniform to be worn to school in the morning on the day of the Fair.
- Boys return to school at 5pm in readiness for their choir performance. Please note that Formal Uniform is to be worn to the Fair.

COLLEGE CHAPLAIN
BR PETER FLINT

I watched a lot of basketball last weekend as many of the boys were competing in the Southern Titles. One image remains in my mind clearly. In one of the junior matches, one of our smallish lads had set himself up to block an approaching opposition player who was quite larger than himself and approaching at speed! The smaller boy stood there, arms across his chest, waiting for the collision or the sudden swerve. “Sheer bl...y courage!” I thought as I watched.

As I watched I was thinking “What a great thing sport is”! Played properly under good guidance, it can bring out the best in a boy and prepare him well for life ahead. (Sailing especially!)

Jesus said: “I have come that they may have life, and have it to the full.” (John 10:10)

Sport can be a powerful factor in developing boys into fine young men.

Grade 4 Camp
Mr Tim Birthisel

Last week Grade 4 went on their camp to Gumleaves, Little Swanport and Maria Island. This bush camp was a great bonding experience for the boys and they learnt to work in teams and trust one another to get challenges completed. The boys completed many activities on site which included obstacle courses, low rope courses, deer feeding, bushwalking, flying foxes and roasting marshmallows on an open fire.

The boys also enjoyed a nine kilometre walk around Maria Island. We visited the Fossil Cliffs to examine 290 million year old fossils and the Painted Cliffs. We saw a lot of wildlife on the island and examined some pretty cool old buildings. We were even lucky enough to see humpback whales on the return ferry trip.

On the final day we went to Okehampton Farm where we were kindly invited by one of our student’s parents. The boys played on a private beach, visited a quarry and drank from a natural spring. The owners of the farm, Ian and Jan, put on a beautiful BBQ lunch for the boys and supplied drinks. It was a lovely way to end camp chilling by the beach and taking in the history of the area.

By the end of camp we had some very happy tired boys (and adults) who were all ready for a nice long rest after all the adventures they had. Grade 4 would like to thank Paula, Baljeet, Michelle, Steve, Les, Ian and Jan for giving up their time to help make camp a fantastic experience for all the boys.
Woodwork
This week saw the last week for Grade 5 M traveling to the Senior School Campus for woodwork. In their last lessons, Grade 5 M boys undertook the tricky challenge of creating rosary beads to assist with their study during upcoming Religion lessons. Grade 5 O will commence their rotation of woodwork next week.

PAT Tests
All boys at the Junior School have now completed the four PAT Tests. These four tests are completed annually by all students who attend Catholic Schools in Tasmania. The boys are to be commended for their efforts and willingness to complete these tests thoughtfully especially as this year was their first time to complete them on their iPads. Results are now being processed in readiness for the staff to evaluate each boy’s performances, strengths and weaknesses.

Gala Concert
All families should be aware of the upcoming College Gala Concert to be held on Friday November 7. All boys in the Grade 5 and 6 Bands as well as the Junior School Choir are expected to be in attendance for this important College activity.

All Saints’ Day – November 1
Tony Zagni 6C

All Saints
I think a Saint is……
Someone who helps and supports the community, the poor and the weak or troubled people in the World.
A Saint is a role model for someone to look up to, someone that guides you through the good and the bad days.
Someone to hold our hands when we are in the dark to get us back to the light.
A Saint is a saviour.
A Saint is all of us.

What’s New in the Library?
Ms Louise Oldham, Librarian

Epic Adventures at the Library

As part of efforts to encourage boys to read at St Virgil’s, the library, in conjunction with the English Learning Area, have registered the Senior School in the Northern Secondary Readers’ Cup. Several boys from all grades are now participating in an intra-competition held at the Library to select the finalists to represent the Senior School at the inter-school 2014 Northern Secondary Readers Cup FINAL. The intra-competition event is the culmination of an enormous amount of hard work, commitment and teamwork by the participating boys which entailed preparation of reading six set books and a creative challenge component.

The intra-competition is to be held at the Library on Monday November 3, commencing at 11am until 1.00 pm with Mr Stewart as Quiz Master extraordinaire. Ms Dalton and Ms Hughes from the English and Drama Departments will be adjudicating and scoring the quiz and creative component respectively. This event determines the winning team to go forward to represent St Virgil’s College at the Final which is being held at Queechy High in Launceston.

There are a total of six schools participating in the Cup:
1. Queechy High
2. Scotch Oakburn
3. St Virgil’s College Senior School
4. Newstead Christian School
5. St Brendan-Shaw College
6. St Patrick’s College

The intra – comp affords boys an ideal opportunity to practice and boost confidence before the main event. Please note: the library has been booked for the boys participating in this event only - Monday November 3 period and lunch-time.

Please get behind our boys who have been courageous enough to take on this challenge and pioneer the Senior School in to new territory. Hopefully, this will be just a forerunner to the boys participating in the 2015 Southern Readers Cup Event which is run by the Children’s Book Club Association every year.

Displays
The display for the month is most appropriately titled Epic Adventures. Come along and see another mammoth educational effort by Mr Stewart who is still in process of putting this marvellous subject display up. It depicts historical adventures of exploration, flight and mountain climbing, for instance, the Burke and Wills expedition, Apollo 11’s first landing on the Moon and the Conquest of Everest. Stay tuned for photos of this display in the next edition of The Star.
Homework Help has commenced again in the library with Ms Claire Graham and Miss Lucy Dalton on Wednesdays after school, milo and biscuits are on offer along with homework help. Why struggle when help is so readily at hand?

Maths Homework Help is being run by and Mr Chris Thomson in the Library from 1 pm – 2 pm on Mondays.

Bookings: To ensure that boys do not miss out please speak to the library staff about booking some time with Mr Thomson. It is particularly important that on Mondays that noise in the quadrangle outside the Library is kept to a minimum.

Research: Any boys who need help with finding information please do not hesitate to ask library staff who are happy to help. If you provide us with a copy of your assignment this will help us help you.

Suggestions: If any students wish to make suggestions for particular books from the Library then there are suggestion forms available in the library which they are welcome to fill in with any suggestions for the library to purchase. Teachers are also welcome to make suggestions to purchase and/or requests for library services at our new generic email which is libraryAF@stvirgils.tas.edu.au

World Book
Just a quick reminder World Book which is a great resource for boys and should also be of great assistance with their homework.
The web address is www.worldbookonline.com or it can also be accessed via the St Virgil’s website www.stvirgils.tas.edu.au via the student portal.

The User ID is svs7011 and the password is wbook for boys to access this excellent and valuable encyclopaedia from home. There are five products- kids, student, advanced, timelines and the encyclopaedia on a range of subjects for example government.

DIRECTOR OF TRANSITION
MR CAMERON ALEXANDER

2015 Grade 7 Transition
Throughout the start of this term I have had the privilege to visit many of the Catholic Primary schools to meet with the Grade 6 teachers of the boys who will be transitioning to St Virgil's College in 2015. Alongside these meetings we have also had a number of boys have visits to Austins Ferry to begin their transition, having tours of the campus and meeting staff with whom they will work with next year, and of course this weekend we will welcome all the 2015 Grade 7s and their families for the Orientation Day. It has been wonderful to meet and hear about the great group of boys who will be joining the College next year. I look forward to working closely with them to assist in making their transition as smooth as possible.

2015 Student Leadership
This week many Grade 9 students have been preparing their nominations for House based Student Leadership in 2015. I thank all boys for taking the time to consider this challenge and prepare an application for these roles. Although not all boys will end up being elected to a position of leadership, their willingness to step up and be considered is in itself an act of...
leadership. The challenge for all boys is to ensure that they all become leaders of the College next year. I wish all boys who have nominated the best of luck as the discernment process begins next week.

Royal Hobart Show – Woodworking Guild
Whilst many boys enjoyed the four day long weekend, eleven Grade 9 boys were providing assistance at the Royal Hobart Show, to the Woodworking Guild. ‘The boys’ job was to assist younger children build their own wooden boat or plane using pre-fabricated pieces. Their caring, friendly nature, and patience, was evident in their dealings throughout the day. All boys are congratulated on the manner in which they represented the College.

DIRECTOR OF MUSIC
MR JEREMY WILLIAMSON

Gala Concert 2014 – Music Ensembles and Drama Performers

The annual Gala Concert will be held on Friday evening, 7:00pm November 7 at the Nagle Centre, St Mary’s College, Hobart. Tickets are now available for purchase through the senior or junior school offices or through the online booking website www.easybookings.com.au/event/st-virgils-college-gala-concert

The following groups are performing for the concert; as such, families should ensure students are available for the daytime the rehearsal on Friday November 7 and the concert that evening.

Senior Band, Senior Choir, Saxophone Ensemble, Percussion Ensemble, Guitar Ensemble, Big Band, Grade 7 Band, Rock Band, Junior Choir, Junior Vocal Ensemble, Grade 6 Band  Grade 5 Band.

More information about rehearsal days will be forthcoming. If there are any queries about the Gala Concert, please contact Mr Williamson at the College on 6249 6555 or via email jwilliamson@stvirgils.tas.edu.au

A WEEK IN THE LIFE OF THE COLLEGE

Each week boys at St Virgil’s College are involved in a wide range of exciting curricular and co-curricular experiences.

These experiences provide a rich source of learning, fun and personal growth – here is just a snapshot of these activities, captured through the lens of Br Peter Flint and Mr Andrew Pinelli.
