FROM THE PRINCIPAL

MR DAMIAN MESSER

"Fr Richard Ross, in his homily spoke powerfully to the 1500 people in attendance, delivering a poignant message which left the congregation with plenty to contemplate, particularly his challenge for all students to be people of faith and action”

NAPLAN

Over the past three days our Grade 3, 5, 7 and 9 students have participated in the annual NAPLAN testing. The testing went smoothly and I congratulate the
boys for the way they went about the testing and I thank all staff who were involved in the application of the tests. NAPLAN, whilst only one indicator of your son's academic development, does provide some helpful data, especially when combined with the broad range of data collected by staff each and every school day. As always, parents will receive results later in the year.

**The Week That Was**

In terms of busyness within our community, last week is probably as big as it gets with three major functions in three days! The Edmund Rice Network Mass, P&F Mother’s Day Breakfast, the Footy Show and the Community Lunch were all very successful events.

The highlight for me personally was the participation and success of the Edmund Rice Network Mass. We thank the priests of the Archdiocese for providing us with such an engaging Eucharist. Fr Richard Ross, in his homily spoke powerfully to the 1500 people in attendance, delivering a poignant message which left the congregation with plenty to contemplate, particularly his challenge for all students to be people of faith and action.

All these events were significant in their organisation and I would like to take the opportunity to thank all involved in any way. Events such as the Footy Show highlight the support we receive from our Parents and Friends, so capably led by Mrs Susan Roberts. Susan and her team had just ten days to bring the event together and the event was simply spectacular! 380 people in attendance, all tickets sold in three hours and a full team to cover all components of the event! Thank you to all members of the P&F!  

![Mr Messer with Kangaroos star Nick Dal Santo](image)

These events provide opportunities to bring our community and are palpable sign of what is so special about St Virgil’s.

**Winter Sports**

As we move further into Term Two, a majority of our winter sports are getting under way and it is fantastic to see so many of our boys getting involved in a wide variety of activities. I wish all teams the best for a successful season and hope that the weather remains kind to one and all.

Thank you in advance to all our coaches, managers and supporters as without you many of these teams/activities could not take place.
Cross Country
Next Thursday the annual House Cross Country Carnival takes place at Austins Ferry and the battle for the House Cup will be contested in earnest. This year for the first time, our Junior School students will join in this event at Austins Ferry and we look forward to fine weather and wonderful running. The times for the events are as follows:

Junior School Enrolments
Enrolments for Grade 3 2016 will close on June 30. We are currently accepting enrolments for all grades and there are currently limited spaces available for Grade 5 and Grade 6 in 2016. Please contact the Junior School Office or visit the website if you require enrolment information and forms.

CCEL Meeting
This week on Thursday and Friday I will be in attendance at the Statewide Catholic Principal’s meeting. These meetings are a great opportunity to have conversations with other schools around some of the successes and challenges that each of our schools face. These networking opportunities are significant for Principals and we thank the Tasmanian Catholic Education Office for providing such opportunities. Some of the matters discussed at this meeting will be our Catholic Identity, Leadership and Accreditation framework, the current Enterprise Bargaining Agreement, support for students with disabilities, pastoral care and wellbeing and workplace health and safety.

Time & Space – Grade 8 Final Night
Tuesday next week sees the final chapter of the Time & Space programme for 2015 with the Stepping Up night for the Grade 8 dads and mentors. This is our tenth year of the Stepping Up event and it proves to be a very rewarding evening for all those who attend.

Thank you to all those who have already enrolled. A reminder that it is not too late to go online and register for the evening at [http://bit.ly/SVC2015](http://bit.ly/SVC2015)

Canteen
The College provides a canteen service to students as part of our commitment to building an inclusive community. The provision of breakfast, recess and lunchtime services supports all boys, particularly those travelling from considerable distances.

The canteen is a service to support our boys, who love the food but also love interacting with our wonderful canteen helpers. If you are to give of your time, whether it be as part of a regular shift, a part shift or as a casual helper, your help would be greatly appreciated by the College – and in particular the boys. If you can assist please contact our Canteen Manager Mrs Carol Hilyer

In the spirit of Blessed Edmund.

DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“This Mass at the Derwent Entertainment Centre was a tangible symbol of our place as a Catholic school for boys in the Edmund Rice tradition”

Edmund Rice Network Mass Attendance

I would like to acknowledge the wonderful participation of all boys in last week’s Edmund Rice Network Mass. At the Mass we celebrated in prayer the life of the founder of the Christian Brothers and consequently the reason for our schools existence, Blessed Edmund Rice. This Mass at the Derwent Entertainment Centre was a tangible symbol of our place as a Catholic school for boys in the Edmund Rice tradition. The celebration of this Mass defines who we are and what we stand for. As a College we take attendance at this Mass very seriously and I was very pleased to see so many boys in attendance and actively participating.

Homework Club

Well done to all those boys who are taking the opportunity to attend Homework Club on a Wednesday afternoon. Those boys wishing to be involved can see Ms Graham and parents wanting information should ring the College.

Parents are also advised that Math’s tuition is available each Monday, Wednesday and Friday for students in the College Library.

Bus Travel

With the privilege of attending a school like St Virgil’s College come certain responsibilities. My issue of concern is to do with how we present ourselves in public, and in particular on the buses. We were recently contacted by Metro in regards to the behaviour of some boys on one of the buses. With that contact came very clear footage of the “goings on” on that bus.

I suspect parents would be quite shocked if they saw some of the antics of their sons. We have since reminded a number of boys that bus travel is a privilege that must not be abused. All buses do have cameras, they are checked regularly by Metro and us, and unacceptable behaviour will be acted upon.

All boys are expected to behave in a civilised manner at all times when travelling on the buses and must understand that transgressions will have consequences. I
would remind boys that they have signed a bus behaviour agreement and that ongoing reports of poor behaviour will lead to the privilege of using the buses removed.

It is important to understand that it is more than just St Virgil's College that they are accountable to, and that matters of bus behaviour and consequences are ultimately handled by Metro.

**Cross Country**

On Thursday of next week we will be conducting the annual Cross Country competition. As a House competition we allocate points for results and importantly, points for participation, so the more participants the more points. Given the recent weather I would recommend boys bring a second pair of sports shoes if possible to change into after the race.

**JUNIOR SCHOOL**

**MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL**

**Gospel Spirituality**

*We invite people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality within our community.*

_Edmund Rice Education Australia Touchstone_

As active members of an ever changing society, we are regularly challenged to take a stand on any number of different issues. The boys that we are educating today at St Virgil’s will go on to enter an adult world very different to that which their parents did. A strength, and inspiration, for our boys must always be a reflection of Gospel value. Our Catholic tradition and charism of Blessed Edmund Rice help to stand our boys in good stead for this challenge in later life. Our students will be the decision makers of the future and we must encourage them to do so in a reflective manner based on the experiences they have had whilst attending St Virgil’s College – the influence of the Gospel and Blessed Edmund Rice.

_The influence of the Gospel (through Religion lessons and attendance at Mass and prayer services) and the charism of Blessed Edmund Rice (through our service to others) must shed light on the lives of other people around us. These influences must also be shown not just in words but also deeds, even when this is difficult._
Edmund Rice Network Mass
A very special Mass was celebrated last Thursday for the Edmund Rice Network, Tasmania. Boys from the Junior School Campus were well involved by joining with Senior School boys in the choir and also taking the gifts to the altar in the offertory procession. This was also a great opportunity for the boys to get an idea of how big an influence Edmund Rice has had on the Tasmanian community.

Mother’s Day
Last week we celebrated Mother’s Day in very special ways. All boys had the opportunity to purchase a gift for mum from the P & F Stall on Thursday. Friday morning, a number of dads braved the cooler weather to help set up the Hall and BBQs in readiness for a hearty breakfast of bacon and egg rolls accompanied by fruit platters and juice. It was great to see the boys look after their mothers by serving them and ensuring that they had everything that they needed. Grade 6C shared an iMovie that they had produced as a way of finishing off our breakfast.

Thank you to the P & F and the dads who were able to help out on the morning. Special thank you also to all the mums, and grandmothers, who were able to join us for the breakfast – we hope you had a lovely Mother’s Day last Sunday.

Weekend Sport
It was great to hear that many teams actually got onto their respective fields last weekend in spite of less than pleasant weather. It was also positive to hear about good results and sportsmanship being displayed by the boys – both in victory and defeat. A number of coaches though did report that some boys did not turn up for their games – this is very disappointing to hear. Based on feedback from previous seasons we have minimised the number of reserves to have more teams of boys playing. This means it is imperative that all boys turn up for their matches. Most families have busy schedules and weekend time is precious, but if the boys have signed up for a team they have a commitment to the team and themselves to play each week. If for some reason, like illness, your son is unavailable, the coach or manager should be notified so that they can be prepared.

Thank you once again to those parents who have volunteered to coach or manage one of our many sporting teams this season.

Grade 5 Dry Ice and Bath Bombs Activity
Family Life Night
This evening, commencing at 6.30pm, there will be invaluable input sessions conducted by Centacare. These are compulsory and important sessions for you and your son in either Grade 4 or 6 to attend. Information has been sent home about these previously with a RSVP requested. In previous years these sessions have been beneficial for parents and boys alike.

Assembly
Due to the very busy start of this term, our first class assembly will occur this Friday, May 15, commencing at 2.30pm in the Hall. Grade 3, even though they will have completed NAPLAN Assessments this week, will be hosting the assembly by leading us in prayer and sharing some of their work from the year. We look forward to having parents and friends join us this week.

City to Casino Fun Run
A small contingent of our Grade 5/6 boys will be competing in the 7km City to Casino Fun Run on Sunday with Mr Waugh, Miss Lack and Mrs Messer. If you are on the sidelines, please cheer them on! Good luck to all competing.

Disco
By now, all boys should have brought home with them details about the upcoming P&F Disco to be held in the Junior School Hall on Friday May 29. The note asks parents to indicate if their sons will be attending and also if parents are able to assist with the BBQ or refreshments stall – please consider volunteering to help out.

Uniform Expectations
Although we have spoken to the boys directly, and published the uniform requirements in recent Newsletters, there are number of boys at the Junior School Campus who are still not wearing their uniform correctly. The expectations in regards Winter uniform at the Junior School Campus are noted below for reference:

1. The boys may continue to wear shorts during Term 2.
2. The boys are to wear their College jumper until the end of Recess.
3. The boys are to wear their track pants and spray jackets when they wear their sports uniform.

All larger items are available from the Uniform Shop based at the Senior School. Smaller items like caps, socks and ties are also available from the Junior School Office.

Parent Volunteers
The College as part of its commitment to community and the integral home-school partnership, welcomes parental involvement in a wide range of College activities including music, sport, canteen, camps, events, classroom help, tutoring and fundraising activities. With new legislation for volunteering coming into effect on April 1 it will be essential that all parents having a ‘Working with Children Card’. These will be required for all community organisations including scouts, sporting clubs, art, craft and music activities – any activity that brings adults into regular contact with children.

More information about the Working with Children Card (including online applications) can be obtained through the Service Tasmania Website – http://www.justice.tas.gov.au/working_with_children/application
More information about the card and the College’s arrangements for management of card requirements will be outlined in upcoming editions of The Star.
Calendar update
Parents and guardians are reminded to subscribe to the College's online calendar. The great advantage of this is that if there are necessary changes to dates these changes can be made immediately. Please check the calendar at: http://www.stvirgils.tas.edu.au/calendar/

Grade 10 - Guilford Young College Transition
As we commence Term 2 the process of enrolment for Guilford Young College (GYC) begins. In the coming weeks Grade 10 students will have the opportunity to hear from staff from GYC as well as visit the Hobart Campus. There are a number of key dates throughout this process that parents should be aware of, further information and reminders will be provided throughout the year as these significant events and deadlines occur:

May 22 – Enrolment packages sent to all families
May 28—Introduction to GYC – visit to Hobart Campus
May 28, June 2 & 4 – Parent Information Evening (GYC Hobart)
June 17 – GYC Career Expo, including visit to GYC Glenorchy
July 3 – GYC Enrolments due (including preliminary course selection)

SPORT

Term 2 Sport
Term 2 sport has commenced in earnest, albeit a number of fixtures have been cancelled due to the first blast of winter!

All information is available from the College’s sport website – http://sport.stvirgils.tas.edu.au/

A number of sports commence over the next week –
- Grade 5 -10 Water Polo. Friday evenings at the Hobart Aquatic Centre
- Grade 9/10 Football – from Friday May 22 at grounds around Hobart
- Sailing – stay tuned for information about the winter sailing programme.

To inform the College community about sporting achievements or for all sport enquiries please contact the Director of Sport, Mr James Dalton

November 17, 18 & 19 – Course Counselling at GYC

December 2 – Orientation Day

Pathway Planning
Throughout the rest of 2015 Grade 9 and 10 students will be working on their pathway plan in the fortnightly Welfare Sessions. As part of the planning for their education and career planning they will be presented with many guest speakers and opportunities to explore possible career pathways.

This week the Grade 10 students were fortunate to have two presenters from the Australian Defence Forces who outlined the wide variety of career opportunities within the ADF. For those boys who were interested in exploring this further they are encouraged to visit the ADF recruitment website: http://www.defencejobs.gov.au/

Another opportunity to explore career opportunities is through the Your Future Tasmania – Student Sessions. All Tasmanian students from year 9 – 12 and their parents are invited to attend a series of engaging presentations with Tasmanian industry leaders and career champions at their local University campus.

Presented by the University of Tasmania and TasTAFE along with Tasmanian industry leaders, Your Future Tasmania will present a wide view of career and training opportunities within Tasmania's industries of the future: Food, Tourism, Health and Advanced Manufacturing. These sessions are particularly aimed at those students who are not yet clear about their future pathway. The Southern region session will be held at the UTAS Sandy Bay Campus on Tuesday, 16th June. For program and registration details on your local campus, please visit www.utas.edu.au/your-future-tasmania

DIRECTOR OF IDENTITY
MRS RENEE MACGREGOR

We invite all people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality.

A Prayer for Nepal
With the incidence of a second devastating earthquake this week we continue to think of the people of Nepal.

Gracious God, you are our refuge and strength, a very present help in time of trouble.
In the wake of the recent earthquake in Nepal, reveal your presence so that all may know your healing, hope, and love.
As one community on earth bound together by your grace, inspire us to pray, serve, and help all those who suffer.
Lord in your mercy, hear our prayer.

Amen
DIRECTOR OF LEARNING AND TEACHING

MRS BEV PETTIT

Homework Club
Homework Club has enjoyed record numbers of students this term and offers boys assistance in a wide range of learning areas. It is held in the College Library, each Wednesday from 3.30 pm – 4.30 pm. A milo and biscuit awaits all attendees as well as specialist help in all subjects from members of staff. Homework Club is open to all students. Please register with Miss Dalton – ldalton@stvirgils.tas.edu.au

Maths tuition is also available to students each Monday, Wednesday and Friday lunchtime in the Library.

Thank you to the many staff who volunteer their time to support the boys with these important initiatives.

DIRECTOR OF MUSIC

MRS JODIE WILLIAMS

We hail you, Edmund Ignatius Rice, a man of God and Grace!

Last Thursday, our combined Junior and Senior Choir and the Senior Band had the honour of leading the music at the annual Edmund Rice Network Mass at the Derwent Entertainment Centre. Music is integral to a celebration of the Liturgy of Eucharist, as it assists with expressing thanksgiving.

It was with interest, that I read an article written by Colleen Ricci in The Age on May 11, that listed many positives with learning music in schools, such as that mentioned above, that music education can enhance a school's atmosphere and help create a sense of community - as witnessed by our boys’ participation in the Mass.

Ricci further noted that music is considered important in the development of listening and concentration skills and has been found to improve language development, comprehension, creativity, memory, spatial awareness, communication and higher order thinking skills. Flow-on benefits have also been noted in the areas of student engagement, self-esteem, citizenship and emotional expression.

Edmund Rice in his day chose a relevant, practical curriculum for his students. He anticipated that such learning experiences, integrated in a Catholic spiritual environment, would nurture personal transformation in his students and provide them with the knowledge and skills to better themselves.

In the past and in the present, Edmund Rice schools are considered members of an extended family. Our bands and choirs at St Virgil’s College are like ‘mini’ families. As Edmund promoted within a vision of liberation, our ‘mini’ families consist of a mix of boys from different social classes, different football allegiances, and honour the dignity of each person and recognise that each member has an equal role to play in their band or in their choir. And that they are all called to serve their mates to make sure - that they are all on the same page of the hymn sheet!

For all enquires about music @ SVC - please contact Mrs Williams - jwilliams@stvirgils.tas.edu.au

Yours in tune, Mrs Jodie Williams

Footy Show Night
What a great night! The boys from the Footy Show were outstanding and tailored a show for the College community – with plenty of tall tales, laughs and insights into the worlds of football, the media and life away from the spot light. The night was a wonderful fundraiser for the College, with all funds going towards projects that benefit all students at SVC. It also was a great community building activity with many parents and friends of the College catching up before and after the show.

Thank you to our wonderful team of volunteers who made the night a success – especially those who had to endure the elements doing car parking duty. Hopefully you thawed out in time for work the next day! Thank you also to our talented staff who contributed so much to the night, especially Mr Sean Morgan and the Grounds Team, Mrs Narelle Green and the Administration Team, Mrs Tracy Moschogianis, Mr Damian Messer, Mr Cameron Alexander and Mr Mathew Derrick and the AV Team who helped present the show in a dynamic and interactive manner.

We will see you all at the next meeting on May 27 at 7.30 pm to further review the night ... and start planning for our next big event – stay tuned!

Learn About Yourself
As Marcel Proust, a late 19th Century novelist wrote: “the real voyage of discovery consists not in seeking new landscapes but having new eyes”. Volunteer to host an international high school student arriving into Australia in July 2015 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and see the world in a new light.

Carefully selected students will arrive in July for one term, one semester or two semesters from France, Germany, Italy, Switzerland, Spain, Sweden, Norway, Finland, and Denmark. They will attend a local High School, arrive with their own spending money and comprehensive health insurance cover – all arranged by Southern Cross Cultural Exchange. To enquire about becoming a volunteer host family visit us at www.scce.com.au email scce@aust@scce.com.au or call us toll free on 1800 500 501, request our international student profiles and capture the spirit of family and friendship.

Tasmanian Sports Camps
Tasmanian Sports Camps football and soccer camp programs are overseen by experienced coaching panels following a structured skill development program in a fun and safe environment. The three day innovative programs cover all aspects of footy and soccer. Participant groups are assigned a coach who provides written feedback after taking them through the program which includes video analysis work with technical feedback and fitness/skills testing.

Early Booking Discount:
We are currently offering a 30% early booking discount which is available to all participants who book by Friday 29 May 2015. After 29 May, siblings always receive a 20% discount and other discounts are available for groups of between 10% - 30% depending on the size of the group.
