“Easter speaks of hope and a love so extraordinary and extravagant it is out of this world. Jesus’ resurrection is a powerful experience beyond anything we could have ever imagined, a way through suffering and a realisation that God is with us even in our darkest moments”.

Easter
As we come to the conclusion of the Lenten period and prepare for the final days we take time to reflect on the ultimate sacrifice that Jesus made for us. I ask that sometime over this weekend you take some time to reflect on the significance of the sacrifice that Jesus made for us and think about the true meaning of this Easter season.
Students at the College on both campuses have been outstanding with their support of the Caritas Australia appeal. I thank them and all the staff who have spent significant amounts of time on this awareness raising campaign. I am certain that the monies raised will be put to wonderful use in Australia and around the world.

Office Closure
The administration offices at both campuses will be closed from 4pm Thursday April 17 until Monday April 28. The Austins Ferry Office will be open from Monday April 28 to Friday May 2 from 9am to 3.30pm and the Patrick Street office will be open on Friday May 2 from 9am to 3.30pm.

ANZAC Day
Every year our students participate in ANZAC Day Ceremonies and we are always very proud of our boys’ involvement and the manner in which they conduct themselves at these events.

As ANZAC Day falls during the holiday period this year we ask that as many students as possible volunteer to be a part of this very important day. Our College Vice-Captain, Jonah Lilley, will be speaking at the Hobart Dawn Service and students will also be attending the Glenorchy and Claremont ceremonies and are assisting elderly Veterans and carrying banners at the Hobart march. If any student is willing to be a part of these ceremonies please contact Mr Cameron Alexander calexander@stvirgils.tas.edu.au at the Austins Ferry campus or Mr Andrew Pinelli apinelli@stvirgils.tas.edu.au at the Junior School.

Start of Term Two
A reminder that day one on both campuses will be Monday May 5. As this is the continuation of Semester One, we will continue our year with Week 12B. Senior boys particularly are asked to ensure they look at their timetables before returning that day to ensure they have the correct materials for class.

Parent/Student/Teacher Conferences
Over the last month we have seen Parent/Teacher round of conferences on both campuses. I thank all those who were able to attend and have a discussion with the staff. The partnership that we enter into is a significant one and a key component of that partnership is communication. Towards the end of next term we will continue our reporting phase by issuing the mid-year report. This again will be followed by an opportunity for that Parent/Teacher contact.

Enrolments
Secondary enrolments for Grade 7, 2015 close today Thursday April 17. We have again been gratified by the level of application which reinforces the excellent work of staff and students. I take this opportunity to encourage all families intending to enrol a Grade 7 for next year to meet this deadline. If you are talking to other families outside the College, please inform them of the enrolment deadline and the need to contact Mrs Monica Nugent to register their intent to enrol – mnugent@stvirgils.tas.edu.au

Edmund Rice Network Mass
The annual Edmund Rice Network Mass will be held at the Derwent Entertainment Centre on Friday May 9, commencing at 12 noon. I ask that members of our community claim that date as all of our students and staff will join with students and staff from other Edmund Rice Network schools and organisations to celebrate the life of our founder Blessed Edmund Rice.

This invitation is open to all members of our community and I would encourage people to come and join us in this significant celebration for St Virgil’s and the wider Edmund Rice Network. Please join with members of the Tasmanian network in celebrating this most significant day on our College calendar.
Hamilton Wing
Building on the site at Austins Ferry is in its final stages of completion with the external ground works being completed during the holiday period. It was pleasing to be able to hold the Parent/Student/Teacher conferences in the new building this week to provide an opportunity to show the parents the new development.

New buildings are always an exciting time in a school and we look forward to the work that will be produced as a result of the new development. A big thank you must go to all those who played a part in the design, building, construction and fit out of this new facility. The patience of staff and students has been greatly appreciated and hopefully rewarded through the delivery of these wonderful learning and teaching spaces.

Board of Management
The monthly meeting of the Board of Management was held this week and the key points of discussion were the audited financial statements for 2013, monthly finance report, structure of Information Technology, building developments, policy and procedure documents, publicity and promotion, development and a number of strategic items.

A major outcome of the Board meeting was the ratification of the appointment of Mr Andrew Mazengarb to the position of Board Chair. In thanking Andrew for accepting this role, I would particularly like to thank and acknowledge, outgoing Chair Dr Natalie Brown for her inspired and dedicated leadership of the Board.

Discussion around the above listed topics continues through the year. The Board will also take on a significant role in the next phase of our Strategic Direction planning and with the College’s formative review. As the term concludes I would like to thank the Board members for their input to our College.

Finally
Today marks the end of what has been an exceptionally busy term. I hope that all families have the opportunity to spend some quality time with their sons and enjoy the rest that the holiday period brings.

I encourage the boys to take time to relax, recharge and refresh ready for another busy term. I wish you all a very happy and holy Easter season.

In the spirit of Blessed Edmund.

Damian Messer
DEPUTY PRINCIPAL
MR TERRY BLIZZARD

“The life of Edmund Rice was spent in the service of the poorest of the poor. From a life of comfort and wealth, Edmund gave everything up to serve the Lord in a life of dedicated service. He opened his heart to Christ present in those oppressed by poverty and injustice”.

Edmund Rice Network Mass

Please note the following points in relation to the Edmund Rice Mass on Friday May 9:
- Normal Friday period 1 and 3 will take place.
- Boys will be transported to the Derwent Entertainment Centre from Austins Ferry. At the conclusion of Mass (approximately 1.30pm) buses will depart from the Derwent Entertainment Centre on the regular afternoon bus routes for boys to be transported home. A bus will be available for those who need to return to Austins Ferry.
- Bags are not to be brought to school on this day.
- Formal uniform must be worn.

Please note that this is a compulsory school day.

Term Break
The upcoming Term break is an excellent opportunity for all at Austins Ferry to rest, plan and reflect. The first of these three points is probably the easiest to address – rest. Adolescent boys are overtly active and use up a lot of energy, and as we get further into the term energy levels become depleted (some more than others) which can have a significant impact on learning. For some boys this is exacerbated by spending late nights involved in social networking, for example, Facebook. The break is a great opportunity for boys to rest and recharge their batteries, and if necessary make changes to their routines that are more school friendly.

In terms of planning, I would ask parents and boys to address the following matters:
- Check and where necessary take the opportunity to have a hair-cut. The hair policy of the College is clearly stated in the diary. There should be no dramatic grading in length and hair style should be neat, clean and tidy. Some of our recent “fashionable” styles have been challenging these regulations a little.
- The break is a great opportunity to do a stocktake of the required stationery and equipment and replace any missing items. It’s also a good chance to check that all items, including clothing, are named.

The term break also provides a great opportunity for boys to reflect on the year to date, to celebrate successes, whilst focusing on goals such as those outlined at this week’s Parent, Student and Teacher Conferences.

A reminder that Term 2 commences on Monday May 5 and is a B week.
I'm afraid I do not have too many religious things to say about Easter right now. I struggle with many aspects of it, from music to message. But this is probably a topic for a conversation elsewhere.

However on a better note, may I refer you to a recent report of an encounter with Pope Francis by some young people from Belgium.

It is a long report and I have attached a link to the full description. The section that I liked was when "one woman told the pope she does not believe in God, but "your acts and ideas inspire me."

She asked what kind of message he would give to the whole world -- believers and nonbelievers alike.

The important thing, Pope Francis said, is to "find a way to speak with authenticity," which involves seeing and speaking to others as our brothers and sisters.

Responding to the cameraman's doubts about whether the human race is truly capable of caring for the world and each other, the pope said, he, too, asks: Where is mankind and where is God in the world today?

"When man finds himself, he seeks God. Perhaps he can't find him, but he goes along a path of honesty, searching for the truth, for the path of goodness, the path of beauty."

"It's a long road. Some people don't find him during their lifetime" or they're not aware that they have found him, but "they are so real, so honest about themselves, so good and such lovers of beauty" that they are mature enough and capable of having "an encounter with God, which is always a grace" and a gift."

I see so many of our boys on the journey described by the Pope, and if the boys are on it, their families must be.

I also found the last question posed by the Pope to be one worth thinking about:

"They asked the pope to pose a question for them.

He said his question came from the Gospel, when Jesus says to not store up treasure on earth, but in heaven, "For where your treasure is, there also will your heart be."

The pope asked them: What do you treasure and hold close to your hearts?

Is it "power, money, pride or goodness, beauty, the desire to do good?" It can be many things, he said, and he asked them to find the answer "for yourselves, alone, at home."

This Easter, may we all search for our treasure.

Reference to the original report:
Carol Glatz  Catholic News Service  April 4, 2014
If you are interested in a good movie for Easter and one that has my Best Film about Jesus rating, I would recommend: *Jesus of Montreal*. It is not suited for younger children and I would recommend parents read the descriptions before screening it to family. I avoided *The Passion of the Christ* as it had a level of violence I dislike and I question its message.

**JUNIOR SCHOOL**

**MR ANDREW PINELLI, HEAD OF JUNIOR SCHOOL**

"It is difficult to say what is impossible, for the dream of yesterday is the hope of today and the reality of tomorrow."

Robert Schuller

**Easter Break**
I would like to wish all the boys, families and staff a Happy Easter and the opportunity to have a restful break from the hectic life that exists during term time. We have had a fantastic start to the year with many great achievements by the boys. Rest up well and stay safe in readiness for the cooler months of winter. I look forward to seeing all the boys back for the start of Term 2 on Monday May 5.

**ANZAC Day**
Once again, ANZAC Day is commemorated during the school holiday break. St Virgil's College will once again have boys marching as part of the commemoration. Please mark this on your calendar. Details about how the boys can take part in this important commemoration have been sent home with your sons. We have a number of banners to carry as part of the parade so we do need a number of volunteer boys from both Campuses to help. Thank you to those boys from the Junior School Campus who have already volunteered. If your son is going to actively take part in the March, please email Mr Pinelli apinelli@stvirgils.tas.edu.au.

**Holy Week Reflections**
During this special week, Holy Week, each class at the Junior School Campus has been charged with sharing with all the other boys a dramatic representation of the different events that occurred. From tableau to drama, from puppet shows to quizzes the different classes have shared the story in a very meaningful way.

**Grandparents (Special Persons) Day**
Well over 230 guests joined together to share grandparents (special persons) day with the boys. Our guests shared a brief liturgy celebrating the positive impact grandparents have and was followed by the Junior School Choir’s first public performance. A tour of the boy’s classrooms followed this with proceedings concluding with morning tea. Congratulations to Grade 5 for their very reflective liturgy and movie presentation and a big thank you to all the teachers for having their classrooms looking so tremendous. We received

**P & F Association Meeting**
The P & F Association met for the first time since the recent AGM and have already started planning a variety of social and fundraising activities. Thank you to the parents who made themselves available for the meeting or tendered an apology. I draw your attention to a number of upcoming events and ask that you look out for notices that will be sent home on Day 1 of Term 2 - so please keep an eye out in their bags!
Thursday May 8 – Mother’s Day Stall. Boys will be required to bring a gift to the value of $5 for the stall.

Friday May 9 – Mother’s Day Breakfast

Friday May 16 – Junior School Disco

Friday June 13 – Footy Fun Night

If you are able to assist with the organisation of any of these events please contact the P&F President Mark Waddington – mwaddington@stvirgils.tas.edu.au

Swimming Programme 2014

Today, the annual swimming programme comes to a close at the Clarence Aquatic Centre. It has been pleasing to see the dedication of the boys to this programme as they have enthusiastically participated in the activities planned by the instructors. Thank you also to all the parents who have ensured that their sons have all of the required gear each day.

Assembly

Except for the weather, what a fantastic day we had last Friday shared with grandparents and special persons! It was a real privilege to be able to have so many visitors with us from far and wide and to showcase to them the wonderful things that the boys do as part of their education at St Virgil’s. It was also great to see many of our visitor reunited at morning tea and catching up with each other. Thank you to Grade 5 M on leading the assembly with a reflective liturgy and an enjoyable movie produced by the boys. Thank you also to all he teachers for displaying the wonderful work produced by the boys.

Mini Vinnies Easter Raffle

The Mini Vinnies boys have done a fantastic job during Lent by selling raffle tickets and encouraging the boys to guess how many Easter eggs are in the jar. These two activities concluded today and will be drawn after recess. Results of the winners and the funds raised will be publicised in the next edition of The Star.

Gold Coin Donation

With a little assistance from Senior School staff members, the $300 was raised by the boys which means the Easter Bunny should be visiting the Junior School Campus some time on Thursday. Keep an eye out on Twitter @svctas for updates during the day. Thank you to all the boys, parents and staff for their generosity towards our fundraising efforts for Caritas.

SRC Footy Tipping Competition

The boys are reminded to keep their tips up to date over the Easter and ANZAC Day break. We will give out prizes to the winners of the first rounds early next term.

Calendar Update

Parents and guardians are reminded to subscribe to the College’s online calendar. Significant, upcoming events are summarised below:

**April**

- Easter Sunday
- ANZAC Day

**May**

- First day of Term 2
- Mother’s Day stall
- Mother’s Day breakfast
- Edmund Rice network Mass @ DEC
- Mother’s Day
- NAPLAN Testing for Grade 3 & 5
- Assembly led by Grade 4
- P & F Disco
Junior School Sport

Term 2 Soccer
Outdoor Central Region soccer commences in Term 2. A large number of boys have indicated they wish to play and team information has been sent home today.

Water Polo
Water Polo will also commence in Term 2. Team details will be sent out on the first day of Term 2.

Grade 7 Basketball Grand Final
The Finalists for the SSATIS Grade 7 Roster are SVC GOLD V SVC BLUE

This game will be played on Tuesday May 6 (Week 1 of Term 2) @ 3:45pm at SVC due to Parent/Student/Teacher interviews held next week.

Congratulations to members of both teams on making the Grand Final.

Rowing - images from Lake Barrington
DIRECTOR OF IDENTITY

MRS RENEE MACGREGOR

World Youth Day was celebrated by our archdiocese on Palm Sunday. A number of students participated in the Pilgrimage Walk, the Family Fun Day and the Palm Sunday Mass held at St Mary’s Cathedral.

I would especially like to thank the staff of St Virgil’s College and Grade ten students Jonah Lily, Gabriel Miles, and Jakub Cis who selflessly gave up their Sunday to volunteer at the Family Fun Day at Princess Wharf.

As part of the World Youth Day celebrations Sam Clear was at the Austins Ferry campus on Friday afternoon to talk to Grade 9 and 10 students. Sam grew up in Northern Tasmania, completed an Engineering Degree and then worked in youth ministry in Melbourne and Perth for several years before taking on his greatest challenge: Walking 15,600km around the world on a mission praying for Christian Unity.

Sam now visits schools, parishes and other groups sharing his story, his mission and his witness to faith and the meaning and importance of Christian Unity – and what that means. For more information on Sam’s amazing story please visit http://www.walk4one.com/

Below are some student reflections on Sam’s presentation

The entirety of Sam's speech could be labelled under inspiring, surprising and interesting. I found it amazing how he compared people in his life to those in the third world countries he lived in. I found it inspiring how strong of will he was and how he used his faith to reassure himself. His view of God and of religion was a very modern and applicable view; I could sympathise with him and his sense of God, it inspired me to look deeper into my faith. I found his way of speaking very bold and surprising, this definitely engaged me and kept me alert to what he was attempting to convey.

Patrick Vout

Sam was a very inspiring person that touched the heart of all students that were lucky enough to have watched him with the stories and memories that he shared. Sam spoke about his journey and everything that happened that changed the way the he saw the world. I liked how Sam was able to relate to us and not pressure us into doing what he did but instead just try and make a difference in your own life. He was a great role model for my fellow students to look up to and to strive to have the qualities that he possesses.

Gabriel Miles

While participating in the Palm Sunday Pilgrimage I was able to ask Sam what he got out of the walk apart from trying to rebuild the bridges between people’s religion. His response was that the walk gave him time to be close with God and it gave him the time to think about how lucky he really is to have what he does and to be able to live the way he does every day.

Peter Hill
DIRECTOR OF LEARNING AND TEACHING

MISS HEIDI GREGG

Music

Mr Jeremy Williamson

Music Ensemble Rehearsal Times and Travel Arrangements – from April 7 onwards

Students please take note of the following changes to rehearsal times. Note there will not be a school bus running for music rehearsals from this week.

Monday - Senior Band – 3.15pm – 4.15pm - students can catch an X4 bus into town at 4.20pm or be picked up by parents
Tuesday - Grade 7 Band – 8.20am -9.00am - students can catch the XI from bus mall at 7.50am or be dropped to school by parents.
Thursday - Senior Choir – 3.15pm-4.15pm - students can catch an X4 bus into town at 4.20pm or be picked up by parents
Friday - Big Band – 8.20am -9.10am- students can catch the XI from the bus mall at 7.50am or be dropped to school by parents.

Fit for Life News

Mr Mark Beck, Fit for Life Coordinator

He who knows others is wise. He who knows himself is enlightened. - Lao Tzu.

As a result of contributions from staff and parents participating in Fit for Life we have raised $210 which will be donated to Project Compassion. Next term donations will be directed to the Mary Rice Centre. So please get involved, bring your loose change and let’s see if we can get to $300 next term!

As mentioned last week we are entering a SVC Fit4Life team in the City to Casino this year. It is held on Sunday May 18.

Please follow the procedure below to register:

- Click on Register Now
- Select “I’m a Participant”, and “Yes I’m part of a School or Team”
- Enter the team name - St Virgil’s College – Fit for Life
- Find our team in the Search results and click on the green “Join” button
- Enter the password - SVCfit
- Enter all your details
- Choose your distance
- Pay your money

Please remember if you are interested in attending sessions for Term 2, email: mbeck@stvirgils.tas.edu.au
DIRECTOR OF TRANSITION

MR CAMERON ALEXANDER

Pathway Planning
In their recent Welfare sessions the Grade 10s have begun to look at the link between their short term goal setting at school and how that links to their longer term pathway planning. This week we shared a number of resources that the boys can use to investigate possible pathways. These include:

- Myfuture (www.myfuture.edu.au) a fantastic career information and exploration service, which all Grade 10’s will use this year in their pathway planning
- MyUniversity (www.myuniversity.gov.au) a one-stop website to investigate courses at all Australian Universities
- My Skills (www.myskills.gov.au) information about vocational education and training options
- Job Guide (www.jobguide.education.gov.au) this was also distributed to many boys in hard copy and is available in the Austins Ferry Library. A fantastic resource for information on all careers.

In addition there are also a number of resources available for parents on how they can support their children in the pathway planning process. These include:

Time and Space Grade 8 ‘Father & Son’ Stepping Up Night
As has been advertised the Grade 8 ‘Father & Son’ Stepping Up Night will be held on Tuesday May 20, in the Joyce Performance Centre. It is important to note that this we understand families come in all forms and this is an evening for the boys and their significant male mentor, whoever that may be.

More information is available on the College website http://www.stvirgils.tas.edu.au/news-publications/ and will also be mailed home during the holiday period. Registrations are now open and can be done through:

Email: svc.dads@time-space.com.au

SPORT

Rowing – Mr James Dalton

Tasmanian Schools Championships
Congratulations to all the boys who travelled to Lake Barrington on the weekend to compete in the TSC. In a highly successful day for all members of the programme, it was great to see the Under 13s and Under 16s maintain their supremacy in winning State titles. Boys and coaches will now enjoy a well-earned break, but the Committee continues to work hard to put plans in place for next season and to ensure all works are completed on our amazing new home at New Town Bay.

Well done to all rowers and coaches on a highly successful 2014 season.
Sailing – Br Peter Flint

From the Admiral

Last Sunday morning, I was standing on the Kingston Beach watching our Mirror Team head out for the second day of the School Championships. Due to a lack of wind, the course was located in the middle of the Derwent, probably more than a kilometre off shore. The team had one GYC/SVC boat with a Grade 11 girl aboard, the remainder were Grade 7 & 8 boys.

The boys had to find their way to the start line amongst about 30-40 other boats. They had to recognise their Division Flag indicating their Starting Sequence was imminent, and then follow the flags signals indicating their start, and be on the start line when the ‘Start Flag’ was lowered. A big ask for 12-13 year olds! They did it well. All found the Start Line, but, alas, some reached it rather later than the ideal.

It is one of the things I like about sailing; it teaches self-confidence and resilience. When things go wrong, they are on their own to resolve them, and sometimes a long way from home. There were support boats if needed.

Two of the crews raised their spinnakers for the first time ever. Spinnakers can be horrendous beasts in a good wind, and they can go wrong very suddenly with great force. Our spinnakers went up in light wind successfully, but it was a bit of a venture into the unknown to try them for the first time. I admire that step.

We won the Mirror section of the School Championships. Alex Kingsley and Lucas being the winning team. Second was Oliver Hamilton and Mahalia Kingsley with Jordan Wylde-Browne and Ryan Scott in third.

The Team racers finished successfully and unsuccessfully. We won the round Robin in the State Titles but lost out in the finals. These details were in the last edition of the Star.

Winter Sailing is being offered. An Expression of Interest sheet is being sent to sailors. Given the enthusiasm after the State Championships there promises to be some action over Winter.

Zac Cappleman and Zac Hills after winning the B Grade final
So Sailing winds down for the next few months - but hopefully does not cease. Details will be out via email as they become available.

My thanks to the many parents who have assisted, with a special mention to those who have moved the RIB around. This has been a great assistance.

Mrs Susan Roberts,
President

Entertainment Book
The P&F will again be selling the popular Entertainment Book in Term 1. In 2014 the Entertainment Book will be available from the Front Office of both campuses. The cost of the book this year is $65, with $13 from each book sold going to the P&F. Please support the boys of St Virgil’s College when buying the book.

This year you are able to purchase the exciting new Entertainment™ Digital Membership, that brings the benefits of the Entertainment Book to your smartphone. No more ‘leaving your book at home’ or missing out on new additions to the guide. It’s all there in the palm of your hand.

The Entertainment™ Digital Membership allows you to search the Entertainment offers on your Android or Apple phone, rather than flicking through the Book, and you can even redeem the offers by simply showing your phone...no Card or Voucher is needed.

You can search for businesses near to you, discovering quickly and easily where to use your Membership.
Most of the businesses that appear in the Digital Membership include updated menus and lots of pictures.
You can easily share where they have been, and where you bought their Membership from on social media and via email earning more money for the school
And just like the Entertainment™ Book, immediate families can share one Digital Membership.

Pre-order your book NOW and receive 6 Bonus Vouchers which can be used immediately.

Just choose the campus you would like to support and click on the link below which will take you straight in to the school’s booking page. It’s too easy.
